The corrigendum of the tender, if any, will be uploaded on the college website only.

Yours faithfully,

PRINCIPAL
Annexure I

Part A: Instructions for the vendors:

1. Two bids must be submitted, one “technical bid” as given in annexure A consisting of all technical details along with relevant terms and conditions, and one “financial bid” as given in Annexure B containing price for the items (List I) mentioned in the technical bid.

2. The technical bid and the financial bid should be sealed by the bidder in separate covers(A and B respectively) duly super scribed and both these sealed covers are to be put in a bigger cover (C) which should also be sealed and super scribed. All the three envelopes should be superscribed with format of the label shown in Part ‘C’ below.

3. Those who quote from the website may write “website” in place of reference number.

4. Bidders will not be permitted to alter or modify their bids after expiry of the deadline for receipt of bids.

5. The bidder shall bear all the costs associated with the preparation and submission of its quotation including samples, literatures etc, regardless of the conduct or outcome of the bidding process.

6. The bidder should provide the following information / documents with their Technical Bid:
   I. Signed copy of our terms & conditions, attached overleaf as Part B of this Annexure I.
   II. Statement of abiding all rules and regulations of the college.
   III. Complete customer list (Government Ministries/Departments/Organizations/PSU etc.) with name, address and telephone number for the past eight years. The bidder should submit self attested audited copy of balance sheet with trading, profit & loss account for the last three financial years, a copy of the cancelled cheque and/or any other document in support of the quoted item only with the technical bid of their respective offer.
   IV. Satisfactory report and/or Completion Certificate from the last Government Ministries/Departments/Organizations/PSU etc. in which the firm is engaged in computer AMC activities for the Last five years.
   V. Recommendation letter/ Appreciation letter from any of the last two Government Ministries/Departments/Organizations/PSU etc. in which the firm is engaged in computer AMC activities for the last eight years.
   VI. The Bidder should clearly mention valid TIN/TAN/PAN number, as per the Govt. Policy.

7. Only the sealed bids submitted personally/ Registered Post will be considered and the bids sent by Fax/Email will not be considered. Only the specific clarification, if any, sought by the college may be replied electronically.

8. Financial bids of only those bidders will be opened and considered who qualify in their technical bid.

9. Authorised representative of the bidders is permitted to attend the bid opening schedule stated above. The representative should bring with them a letter of authority from the corresponding bidder, without which, they are not permitted to attend the bid opening.

10. Incomplete Quotations or the ones submitted after due date would be summarily rejected.

11. Each bidder shall submit only one bid either by himself or as a partner in a joint venture. A
bidders who submits or participates in more than one bid will be disqualified. Canvassing whether directly or indirectly, in connection with bids is strictly prohibited and the bids submitted by the bidders who resort to canvassing will be liable to rejection.

12. Any alteration/cutting/overwriting/white fluid etc. should also be avoided in the offer submitted. If they exist, they should be duly signed. Failing this the bids are liable to be rejected.

13. The College reserves its rights to reject or accept wholly or partly the offer without assigning any reason(s). The College also reserves the right to cancel all Quotations without assigning any reason thereof. Moreover, College will not be responsible for any postal delay. The sealed quotation (Main Cover containing the Technical and Financial Bid) should be sent to the undersigned.

14. The Principal also reserves its right to terminate the maintenance contract at any time without assigning any reason. The contractor will not be entitled to claim any compensation against such termination. However, while terminating the contract, if any payment is due to the contractor for maintenance services already performed in terms of the contract, the same would be paid to it as per the contract terms(see Annexure 'I').

15. The decision for the placement of Order is at the sole discretion of the Principal. Once an order is placed, it will be non-transferable/ sublet/ or outsourced by the successful bidder to any other firm or vendor.

16. The vendor whose contract has been terminated by the college in the past 5 years, because of non satisfactory performance, will not be allowed to participate in the tender process.

NOTE: Necessary papers must be submitted with the technical bid for each of the above mentioned items. No communication will be made in this regard.

Part B: TERMS AND CONDITIONS

1. 'Maintenance' Means:
   a. To ensure the proper working of the PC’s inclusive of hardware and software.
   b. Proper working of the LAN of the college and internal networking(Wi-fi equipments) and maintenance of subnets within the college.
   c. Preventive maintenance of all items. For example dust removal, CD-Lens cleaning etc.
   d. Preventive maintenance against viruses, spywares and all unwanted software for example cookies and removal of problems arising as a result of unwanted software.
   e. All maintenance needs to be done between college timing i.e. from 9 AM to 5.30 PM on all working days i.e. Monday to Saturday (except college holidays).
   f. Henceforth “item” will refer to any equipment under the AMC contract including H/w e.g. PC, UPS etc. and operating systems e.g. Windows, Unix, Linux etc.
   g. The item downtime is defined as: the time for which the item could not be utilized for its intended use.
   h. The item uptime is defined as: the time for which item can be utilized for its intended use.

2. Cost of Consumable items will be borne by the college. Consumables items are Cartridge, Toner and batteries of UPS. All related expenditure like transportation, delivery, tax etc. of all items need to be borne by the vendor. College will not make any payment other than AMC price as mentioned in its clause. No other consumable cost will be borne by the college. In case of non-functionality of
an item due to non-consumable items, the expenditure would have to be borne by the vendor in totality. *Consumable items would mean only Cartridge, Toner and Batteries of UPS and nothing else.*

3. UPS need to be maintained without batteries for the specified backup time. The cost of any type of replacement in UPS (except Battery) has to be borne by the vendor.

4. a). A non refundable tender fee of Rs. 250/- should be deposited in the form of a single demand draft from any nationalized bank in favour of “Principal, Bhaskaracharya College of Applied Sciences” along with the bid enclosed in the outermost envelope (C). Name, address and telephone number of the bidder should be clearly written on the backside of the Demand Draft.

5. a) A refundable Bid Security/ Earnest Money Deposit of fixed amount Rs. 15000/- should be deposited in the form of a bank guarantee/ single demand draft from any nationalized bank in favour of “Principal, Bhaskaracharya College of Applied Sciences” along with the bid enclosed in the outermost envelope (C). Name, address and telephone number of the bidder should be clearly written on the backside of the Demand Draft. The bid security of the successful vendor will be treated as the performance security for the contract or the warranty period. GFR 2005 will be applicable in regard of bid and the performance security deposited. 
   b). In case of non performance/unsatisfactory service (Performance of the PC’s is below 50% for a quarter) Bank Guarantee will be forfeited as penalty and the contract for AMC will be terminated with immediate effect.

6. **If a part/item is not working and the same has to be rectified by replacement of part/item then the expense of the replacement of part/item of same or higher configurations would have to be borne by the vendor.**

7. *Quotation may be submitted after inspection of items by vendor before the due date.*

8. Preference will be given to the vendor who has an ISO 9001:2008 certificate.

9. The vendor will provide a qualified, resident service engineer from 9 AM to 5.30 PM on all working days i.e. Monday to Saturday (except college holidays). The Service engineer must be (MCSE/CCNA or equivalent) with experience of at least two years as computer technician. As and when the service engineer is appointed in the college for AMC, the vendor must inform and take prior approval of the Principal of the college. The Engineer shall be equipped with mobile phone to ensure his availability and able to access the INTERNET. An amount of ₹100/- per day will be deducted if Service Engineer remains absent/leave without providing substitute. The salary of the resident engineer will be responsibility of the vendor.

10. The period of AMC will be initially for maximum of one year and if found satisfactory may be extended by another year up to maximum of three years on the same terms and conditions.

11. The college reserves the right to accept or reject any quotations without assigning any reason thereof.

12. Relocation of the items can be done by the college without any prior intimation.
13. AMC for the items given in bid document is on a comprehensive Basis and not item wise. Single consolidated rate must be quoted for all the items.

14. The final offered rate (only in the financial bid) shall be quoted by the vendor in words and also in figures and shall match with the amount figure. If rates in words do not tally with rates in figure then the rates which correspond to the amount shall be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates written either in figure or in words then the rate quoted by the vendor in words shall be taken as correct.

15. The vendors would be required to maintain a call register both at his end as well as at College, along with call report giving details of the maintenance work done and down time of Computer and its peripherals. There must be an online system of registering complaints, a complaint id must be issued and acknowledgement that complaint has been registered must be received by the college immediately online. All complaints must be attended to within 24 hrs of registering the complaints.

16. The comprehensive maintenance shall be carried out primarily at the premises of BCAS, during office hours. In case the vendor feels that equipment can not be repaired at site, they will carry and deliver the equipment at their own cost and get it repaired promptly.

17. The system down time should not exceed 72 hours from the time at which the complaint was made. If the down time is more than 72 hours, the Vendor will provide a stand by system. In case the system is not repaired or an alternative system not supplied within the period of 72 hours from the time of failure report then the College may choose to get the same repaired by or replaced from any other agency and the cost and expenditure incurred therein shall be recoverable from the vendor.

18. The vendor will ensure 95% uptime for Items and other equipments failing which a penalty as proposed by the College will be imposed. The breakdown time will be worked as under:-

   Total machines days (X) = No. of Items * No. of working Days in a quarter.

   Break-down days (Y) = No. of Items * No. of breakdown days per machine.

   Percentage uptime (Z) = ((X-Y)/X)*100.

19. Penalty Amount= ((95-Z)*quarter payment)/100).

20. The comprehensive maintenance charges shall be payable to the vendor after every three Months. For this the vendor would raise a bill and payment would be done after a satisfactory report is obtained from all the departments. No advance payments will be done.

21. The successful vendors will have to provide their complete bank details in the prescribed proforma, in case the college desires to make the payment through ECS/RTGS.

22. In case of any deviation from the tender specification or any misconduct, the firm will be held responsible and may lose the Earnest Money Deposit with additional penalty imposed.
23. No advance payment will be made. TDS applicable for professional services will be deducted.

24. In the event of non-execution of the order within the specified period, the Principal may impose a penalty of 0.5% per week and a maximum deduction of 10% of the total cost on the suppliers.

25. Tender conditions, other than those stated above, sent along with your offer shall not be binding on the college.

26. In case of non-compliance with the contract, BCAS reserves the right to cancel/rescind/revoke the contract and impose penalty in proportion to damages.

27. Acceptance of these terms and conditions should be submitted in original with the technical bid, otherwise the submission of the bid in the reference of this tender will assume the acceptability of the mentioned terms and conditions.

28. Service engineer presence in the college must be ensured by making attendance.

29. Tender conditions, other than those stated above, sent along with your offer shall not be binding on the college.

30. While sending bids, the firm/company/s shall ensure that the terms/conditions mentioned in this document against which the bids are being given are acceptable to them. The vendor submitting an offer in the response of this enquiry is assumed to accept our terms and conditions stated above.

**Jurisdiction**

Any dispute or disagreement will be interpreted and addressed under Indian Laws in the Hon’ble Courts of Delhi Jurisdiction only.

**Note:**

1. Single Consolidated rate must be quoted for all the items mentioned in bid document. The rates must be inclusive of all type of taxes and should not exclude any item of bid document.

2. The college reserves the right to include an item during the AMC period whose rate of maintenance will be decided afresh, depending on configuration and AMC tenure, by mutual consent of the vendor and college.

3. The decision of the college shall be final and binding on the vendor.

**Part C: Label formats**
