5. The college is encouraged to actively contribute towards various social outreach activities and collaborations.
6. Alumni engagement should be a structured initiative, with current students assigned the responsibility of organizing activities to connect with alumni.
7. College should also organize lecture series on a particular theme involving all departments.
8. Quality research needs to be promoted by the faculty members.
9. Departments should record hands-on experiments videos and also create online modules to be available for students.
10. Academic Audits can be conducted immediately after the completion of academic year.
11. Reports should be supplemented with infographics for better representation and understanding.
12. Efforts should be made to initiate Post-graduate programs in relevant departments.
13. University norms may be followed from undertaking various online courses and facilitate addition of credits in the respective ABC accounts.
14. Efforts to be made to fill up the vacant position in college as per the University of Delhi norms.
