बहुत जरूरी है उच्च शिक्षा में नवीन तकनीकों का समावेश: प्रो. योगेश सिंह

● एआर व वीआर तकनीक को लेकर भास्कराचार्य कॉलेज एवं नव तत्व एडुकेयर प्राइवेट लिमिटेड के बीच हुआ एमओयू

नई दिल्ली, संवाददाता। उच्च शिक्षा में ऑगमेंटेड रियलिटी (एआर) एवं वर्चुअल रियलिटी (वीआर) तकनीक के समावेश को लेकर भास्कराचार्य कॉलेज ऑफ एप्लाइड साइंसेस एवं नव तत्व एडुकेयर प्राइवेट लिमिटेड के बीच मंगलवार को एक समझौते पर हस्ताक्षर हुए। इस अवसर पर बतौर मुख्यअतिथि संबोधित करते हुए दिल्ली विश्वविद्यालय के कुलपति प्रो. योगेश सिंह ने कहा कि उच्च शिक्षा में नवीन तकनीकों का समावेश बहुत जरूरी है। कुलपति ने भास्कराचार्य कॉलेज द्वारा इस दिशा में किए जा रहे प्रयासों की सराहना भी की।

इस अवसर पर कुलपति ने स्वयं इन नवीन तकनीकों का उपयोग भी करके देखा।

प्रो. योगेश सिंह ने सभी कॉलेजों से आह्वान किया कि वे एआर एवं वीआर जैसी नवीनतम तकनीकों का शिक्षण में जरूर उपयोग करें। कार्यक्रम में विशिष्ट अतिथि के तौर पर डीन ऑफ कॉलेज प्रो. बलराम पाणी उपस्थित रहे। उन्होंने भास्कराचार्य कॉलेज के प्रयासों की सराहना करते हुए भविष्य में ऐसी और नवीन तकनीकों के विकास पर भी जोर दिया। कार्यक्रम में बतौर

विशिष्ट अतिथि पहुंचे नव तत्व एडुकेयर प्राइवेट लिमिटेड के फाउंडर डायरेक्टर राजीव द्विवेदी ने आशा जताई कि इस तकनीक का उपयोग विद्यार्थियों के लिए लाभकारी रहेगा। इसके साथ ही उन्होंने भास्कराचार्य कॉलेज ऑफ एप्लाइड साइंसेस के साथ भविष्य में भी ऐसी और तकनीकों के विकास का आश्वासन दिलाया।

कार्यक्रम के अंत में भास्कराचार्य

कॉलेज ऑफ एप्लाइड साइंसेस के प्रिंसिपल प्रो. अक्वीश मित्तल ने धन्यवाद ज्ञापन प्रस्तुत किया। उन्होंने कुलपति के महाविद्यालय आगमन पर धन्यवाद दिया। प्रो. अक्वीश मित्तल ने बताया कि भास्कराचार्य कॉलेज दिल्ली विश्वविद्यालय का पहला कॉलेज है जहाँ एआर एवं वीआर तकनीक का उपयोग शिक्षण में होगा। उन्होंने कहा कि कॉलेज का प्रयास है कि राष्ट्रीय शिक्षा नीति 2020 के

अंतर्गत शिक्षा संसाधनों को हर विद्यार्थी तक पहुंचाना सुगम हो। कार्यक्रम के परचात कुलपति ने कॉलेज परिसर का निरीक्षण किया एवं उपस्थित प्राध्यापकों और विद्यार्थियों से भेंट की। विदित रहे कि हाल ही में भास्कराचार्य कॉलेज ने 4 में से 3.6 अंक अर्जित कर राष्ट्रीय मूल्यांकन एवं प्रत्ययन परिषद (नैक) से ए प्लस प्लस ग्रेड की मान्यता प्राप्त की है और एन आई आर एफ ऑल इंडिया कॉलेज रैंकिंग में 22वां स्थान प्राप्त किया है। इस अवसर पर नव तत्व एडुकेयर प्राइवेट लिमिटेड की ओर से डॉ. हेमंत ने नवीन तकनीक का लाइव डेमो सभी के समक्ष प्रस्तुत किया।

इस अवसर पर कॉलेज के संचालक मंडल अध्यक्ष प्रो. राधेश्याम और कोषाध्यक्ष प्रो. मुकेश मेहता सहित 15 अन्य कॉलेजों के प्रिंसिपल, प्रो. उमा चौधरी (नैक कॉर्डिनेटर), प्रो. सिद्धार्थ सिरौही (नैक को-कॉर्डिनेटर) और प्रो. हरम राव (आई क्यू ए सी कन्वीनर) भी उपस्थित रहे।

PRINCIPAL'S REPORT

27th Annual Report

विद्यानं नाम नरस्य रूपमधिकं प्रच्छन्नगुप्तं धनम्।
विद्या भोगकरी यशः सुखकरी विद्या गुरूणां गुरुः।

भावार्थः विद्या मनुष्य का सर्वोत्तम और श्रेष्ठ रूप है। यह एक छिपा हुआ और सुरक्षित धन है। विद्या जीवन में भोग (सुख) प्रदान करती है, यश (प्रसिद्धि) दिलाती है और सुखद जीवन का आधार बनती है। विद्या सभी प्रकार के गुरुओं की भी गुरु है, अर्थात् विद्या ही सर्वोच्च शिक्षक है।

Namaskar,

Bhaskaracharya College of Applied Sciences, a distinguished institution within the South Campus of Delhi University, traces its roots back to October 1995. Named in honor of the celebrated 12th century mathematician Bhaskaracharya, the college has consistently upheld a commitment to holistic and value-based education since its inception.

Offering a diverse spectrum of eleven science honors programs, including Biomedical Science, Computer Science, Electronic Science, Instrumentation, Food Technology, Polymer Science, Physics, Microbiology, Botany, Chemistry, and Zoology, the college caters to the aspirations of a vibrant student body exceeding 1300 members. This robust academic environment has solidified our college's reputation as a center of academic excellence.

The annual report for 2023-24 serves as a comprehensive chronicle of the past year, encapsulating the college's significant milestones and achievements.

The college successfully submitted its **National Assessment and Accreditation Council Self Study Report (NAAC-SSR)** and we are delighted to announce that the **NAAC** has conferred upon our college an **“A++” grade** and a **CGPA** score of 3.60 in the second cycle of

accreditation. This outstanding achievement is a testament to the college's unwavering commitment to academic excellence, quality teaching, research, innovation, and overall institutional development.

We are thrilled to announce that the college has entered into **seven Memorandum of Understanding (MoUs)** with various National and International organizations and institutions, including JAAGRUTI Waste Paper Recycling Services (under Bhaanti Consultancies Pvt. Ltd.), M/S SMS Water Grace, BMW Pvt. Ltd, the Department of Microbiology of Maharishi Dayanand Saraswati University, Ajmer, Delhi State AIDS Control Society, NavTATVA Educare Pvt. Ltd, Innovative Power Solutions, and Leibniz Institute for Astrophysics (AIP) in Potsdam, Germany. These strategic partnerships will facilitate collaborative research, student internships, faculty exchanges, and knowledge sharing across diverse fields. Notably, the MoU with NavTATVA Educare Pvt. Ltd, signed in the presence of esteemed Professor Yogesh Singh, Vice-Chancellor of the University of Delhi, will focus on developing cutting-edge augmented reality and virtual reality (AR-VR) based digital content. This ground-breaking initiative aligns with the college's commitment to technological advancement and innovation in education.

In recent years, our college has experienced remarkable growth, marked by significant enhancements in both teaching quality and learning processes. Our commitment includes a focus on the comprehensive development of our students, aligning with the principles of the National Education Policy (NEP) 2020, which emphasizes holistic, flexible, and multidisciplinary learning. This year, our achievements reflect this dedication. Our faculty members have been awarded **four patents** and have contributed **68 publications** to prestigious journals. Additionally, they have authored **3 books, 28 book chapters, and 5 conference proceedings**. We have also initiated **four research projects** funded by ICMR, IKS division, SERB - DST, and Natturz Bio Kontrol Pvt Ltd, and 14 faculty members are actively supervising Ph.D. scholars. Several of our faculty members have been promoted this year. These accomplishments highlight our ongoing efforts to drive academic and research excellence while fostering a dynamic and inclusive learning environment.

The college was honored to be selected as the designated **Nodal Center** for hosting a **G-20 event by the Culture Council** of the University of Delhi, with France as the country of focus. An enriching academic and cultural program was successfully organized on September 29, 2023, showcasing the college's commitment to international engagement and cultural exchange.

Furthermore, the college's dedication to scientific research and innovation was acknowledged by **ISRO**, which approved us as a **Nodal Center** for training programs. In collaboration with ISRO and Rajdhani College, University of Delhi, we initiated a significant project titled 'UV-radiation Monitoring Program for Climate and Health Studies.' This collaborative effort aims to contribute to vital research on climate change and its impact on human health.

We are delighted to welcome the **first batch of NCC cadets**, enrolled since November 22, 2023, under the 7-Delhi Bn NCC and supervised by CTO Dr. Ramesh Kumar. Four cadets even achieved ranks within their first year, demonstrating their dedication and leadership potential.

The college's commitment to entrepreneurship received a boost with the approval of the **Ministry of Micro, Small and Medium Enterprises (MSME)** as an **incubation center**. Dr. Anjali Saxena from the Department of Zoology and Shivi Nahare, a third-year B.Sc. (H) Microbiology student, were awarded prestigious funding in the first round, showcasing the center's early success.

The college takes immense pride in the achievements of its **alumni**. **Major Sachin Negi** (B.Sc.(H) Physics 2012 batch) received the prestigious **Shaurya Chakra** from the Hon'ble President of India, a testament to his exemplary service. Further exemplifying our students' potential, **Adithya Nambiar** from the third year of B.Sc. (H) Biomedical Sciences participated in a special program designed for aspiring university students under the framework of the **Sakura Science Exchange Program** organized by Japan Science and Technology Agency (JST) from September 24-30, 2023.

Many of our students actively engaged in research projects and internships, demonstrating their inquisitive minds and drive for practical experience. We are incredibly satisfied to see them excel not only in academics but also in extracurricular activities, both within the college and at the intercollegiate level. Our vibrant clubs, committees, and cells organized numerous events, seminars, and activities throughout the year, fostering a dynamic and enriching campus experience. Additionally, various sports activities were organized, promoting a holistic approach to student development. This academic year, we hosted numerous knowledge-enhancing talks, webinars, and workshops. Our Internal Quality Assurance Cell (IQAC) actively organized training programs and seminars. We also collaborated with the Coalition of Food Systems Transformation to host **an international conference on 'A Sustainable Approach to Health, Nutrition, and Environment'** on March 7, 2024.

Our college is committed to a sustainable future. We've implemented several **green initiatives**, including installing **solar panels and 63 solar lights** to reduce our reliance on fossil fuels. Additionally, a **decomposer unit** and **bio-toilets** have been installed on campus, promoting eco-friendly waste management.

The college takes pride in its well-maintained and updated library, a vital resource for student success. It boasts a vast collection of over **27,000 books**, hundreds of bound journals, and a wealth of digital resources through our recently renewed **N-List subscription**. Orientation programs ensure students can effectively utilize these resources and the library's **Koha management software**.

The college is thrilled to announce the **Distinguished Alumni Awards for 2023-24**. These prestigious awards recognize outstanding alumni in various categories: **Dr. Vasudha Sharma**

(Academics/Research), **Mr. Tarang Shrivastava** (Corporate/Industry), **Major Nitin C. Nambiar** (Government/Defence Services), and **Ms. Kamna Hazrati** (Entrepreneurial Venture). We are also proud to acknowledge our top academic performers for 2023-24. **Mr. Kuntak** (B.Sc. (H) Microbiology) and **Ms. Shivi Nahare** (B.Sc. (H) Microbiology) are recipients of the **Best Student Awards** in the male and female categories, respectively.

We are deeply saddened by the passing of **Prof. S.S. Chibber**, our first OSD, whose visionary leadership and dedication shaped our institution. We also mourn the loss of **Prof. Anil Kumar Bali**, a revered retired professor of Zoology who left an indelible mark through his commitment to education and research.

We acknowledge the invaluable support of our esteemed Governing Body members, dedicated teaching and non-teaching staff, and our hardworking students. These achievements are a testament to the collective effort of this amazing college community.

I conclude with this quote

नास्ति विद्यासमो बन्धुर्नास्ति विद्यासमः सुहृत् ।
नास्ति विद्यासमं वित्तं नास्ति विद्यासमं सुखम् ॥

भावार्थः विद्या जैसा बंधु नहीं, विद्या जैसा मित्र नहीं, (और) विद्या जैसा अन्य कोई धन या सुख नहीं ।

NAAC PEER TEAM VISIT

Upon successful submission and subsequent approval of the NAAC Self Study Report (NAAC-SSR), a three-member Peer Team constituted by NAAC visited the college premises on June 20 and 21, 2023 to assess the college in its second cycle of NAAC accreditation. The Peer team consisted of Prof. Y. Vimala, Chairperson Peer Team, Prof. Fakir Chand, Coordinator Peer Team and Prof R. Hiremath, Member Peer team. The college along with the Principal, Prof Avneesh Mittal, Internal Quality Assurance Cell (IQAC) Coordinator, college NAAC Committee Conveners and other staff and students welcomed the NAAC Peer team members.

Preparation of the Peer Team visit

Monitoring of Academic and Administrative Activities: Several committees were formulated for preparation of the Peer Team visit. These committees critically analyzed academic, administrative and financial activities of the college. Research Committee compiled physical proofs of research, publications and innovations carried out by faculty and students of the college and displayed them in the Research Plaza that was set up during the Peer Team visit. A review visit of all the facilities of the college and physical verification of laboratories were also conducted. Visits were also convened for physical verification of office, accounts, Laboratories and the Library.

Preparation of presentations / posters / file compilation: Coordination and follow-ups were carried out with various NAAC Departmental Coordinators and conveners of staff council constituted committees/cells/clubs for NAAC Peer Team visit. Repeated meetings with departments were organized for preparation, formatting and further improvement of the departmental presentations that were to be presented before the NAAC Peer Team. File compilation was an extensive task which was meticulously followed by all departments and committees.

Before the actual visit of the NAAC Peer Team, a mock visit was also organized on June 15, 2023 which helped the college prepare itself for the 'THE DAY'. Expected schedule of Peer Team visit was followed during the Mock visit. The NAAC Peer Team had meetings with the Principal and the IQAC members during their visit on June 20 and 21, 2023. The Peer Team members assessed and evaluated student progression, governance, curriculum, research work, activities, best practices followed in the college. They also assessed the infrastructure and facilities of the college, visited all departments and laboratories and interacted with all stakeholders including students, alumni, parents, teaching and non-teaching staff. They also evaluated the teaching and learning processes that are followed in the college along with necessary facilities including Departmental labs, research facility, Library, Internet Centre, NSS, sports ground and others.

Declaration of the final NAAC Grades

With pride we declare that National Assessment and Accreditation Council (NAAC) has accredited our college with “A++” grade and a CGPA score of 3.60 in the second cycle of accreditation, vide its email dated July 8, 2023. College offers heartfelt gratitude to all who have worked hard to drive the institution in steer-taking its legacy as the foremost educational institution amongst the emergent colleges of University of Delhi. The whole BCAS family sincerely thank its well-wishers and friends.

Grateful and gratitude

NAAC core committee, IQAC and the Principal extend heartfelt congratulations to the entire college including students, teachers, staff and alumni for this phenomenal achievement. The released NAAC grade is a testimony to the support received from Governing Body and other dignitaries of the University. Special thanks to Dr. Vikas Gupta, Registrar, Prof. Balaram Pani, Dean of Colleges, Prof. Ratnabali, Dean Academics of the University of Delhi, Chairperson Governing Body Prof Radhey Shyam and other external members of IQAC, Regional Director IGNOU RC3, Director SRI other eminent academicians or personalities collaborating with the college for interacting with the Peer Team members. The college expresses its gratitude to the Hon'ble Vice Chancellor, University of Delhi and his dedicated team and the Government of National Territory of Delhi, GB members during the NAAC assessment period for constant support and guidance.

Ltd.)** to collect the waste paper from the college and provide paper products like notepads made up of recycled paper and A4 Sheets.
- On January 29, 2024 (valid till December 31, 2025) with **M/S SMS Water Grace BMW Pvt. Ltd.** to collect the properly segregated, packed and labelled biomedical waste from the college.
- On September 18, 2023 (valid for a period of three years) with **Department of Microbiology, Maharishi Dayanand Saraswati University, Ajmer** to encourage joint academic activities and research projects by the faculty members/scientific personnel of BCAS and Department of Microbiology, Maharishi Dayanand Saraswati University in the field of life sciences.
- On August 14, 2023 (valid for a period of two years) with **Delhi State AIDS Control Society** to promote Red Ribbon Club which will educate youth with correct and adequate information and heighten their level of awareness about HIV/AIDS/STI/ sexuality and other related issues. The Red Ribbon Club will also organize and facilitate voluntary blood donation camps and mobilize the youth for voluntary blood donation.
- On August 8, 2023 (valid for a period of six years) with **NavTATVA Educare Pvt. Ltd.** for digitization of curriculum and impart technologically enhanced pedagogy to students.
- On June 3, 2023 (valid for a period of five years) with **Innovative Power Solutions** to install and maintain LCD/ LED Screens to telecast College notices and messages.
- On May 1, 2023 (valid for a period of five years) with **Leibniz Institute for Astrophysics Potsdam (AIP), Potsdam, Germany** to stimulate and support educational, research, and associated activities like joint research projects, faculty and staff exchange, student exchange, educational summer schools and academic webinars, workshops etc.

RESEARCH AT COLLEGE

a) Research Projects: Extramural funded Research Projects Under Progress:

S. No.	Project Title	Sanctioned Amount (Rs.)	Funding Agency	Date from	Date to	Principal Investigator
1.	Metagenomic analysis of pulmonary microbiome to understand susceptibility to SARs-CoV and associated mucormycosi	Rs. 18,26,804/- (BCAS sanctioned amount)	Indian Council of Medical Research (ICMR)	June 15, 2022	June 14, 2024	Prof. Uma Chaudhry, Prof. Balaram Pani, Prof. Avneesh Mittal, Prof. Deepak Kumar Saini
2.	Development of eco-friendly and sustainable natural dyes from plant extract	8,26,900/-	Indian Knowledge Systems Division of MOE @ AICTE	December 13, 2022	December 12, 2024	Prof. Siddharth Sirohi (PI), Prof. Avneesh Mittal (Co- PI), Dr. Anil Barak (Co-PI)
3.	Role of RNA-binding proteins in rapid eye movement sleep loss associated neurodegeneration	28,54,500/-	SERB- DST	January 10, 2023	January 9, 2026	Dr. Uma Dhawan (PI), Prof. B.N. Mallick (Co- PI), Amity Institute of Neuropsychology and Neurosciences, Amity University.
4.	Developing Plant-based food products	50,000/-	Natturz Bio Kontrol Pvt. Ltd.	July 27, 2023	July 26, 2024	Prof. Eram S. Rao, Dr. Meenakshi Garg

b) Research Supervision: Ph.D. Students currently enrolled under the supervision of the College Faculty

S. No.	Name of the Ph.D. Student	Supervisor	Year of Registration	Affiliated Department and University
1	Banishree Jali	Prof. Uma Chaudhry	2023	ACBR, University of Delhi
2	Sibasis Sahoo	Prof. Uma Chaudhry	2023	ACBR, University of Delhi
3	Ms. Ayushi Jindal	Dr. Meenakshi Garg	2023	Department of Home Science, University of Delhi
4	Ms. Shikha Mittal (née Goel)	Dr. Meenakshi Garg	2023	Department of Home Science, University of Delhi
5	Ms. Megha Malpotra	Dr. Meenakshi Garg	2023	Department of Home Science, University of Delhi
6	Ms Muskan Kumari Gupta	Dr. Rizwana	2023	Department of Home Science, University of Delhi
7	Ms. Pratima Pal	Prof. Sidhharth Sirohi	2023	NSUT, Delhi
8	Ms. Nikita Verma	Dr. Uma Dhawan	2022	ACBR, University of Delhi
9	Ms. Alka Yadav	Dr. Uma Dhawan	2022	ACBR, University of Delhi

c) Patents/ Utility Models/ Design Patents:

1. Filed US Patent entitled: 'Method Using Weighted Aggregated Ensemble Model for Energy Demand Management of Buildings' Patent Application Publication No. US20230401454A1

Applicants: Nikhil Pachauri, Chang Wook Ahn, Saurabh Agarwal, Tushar Bhardwaj, Gaurav Mishra, Kumar Shubham, **Manoj Kumar Tiwari, Yagyadatta Goswami**

Date of filing- February 03, 2023

Date of Grant- December 14, 2023

2. Filed Indian Patent entitled: 'Overhead Mobile Charging System for Electric Vehicles' Patent Application No. 202411004456 A

Applicants: **Dr. Manoj Kumar Tiwari**, Dr. Praduman Prasad Singh, **Amandeep Kaur**

Date of filing- January 23, 2024

Date of Grant- February 09, 2024

3. Granted a UK Design Patent in respect of the application of such design to 'Portable Cryo-Electron Microscopy'. (UK Design patent number: 6300170)

Applicants: Kumar Gautam, Rekha Rani, Nikhil Pachauri, Kumar Shubham, **Yagyadatta Goswami**, Hardeo Kumar Thakur, **Prof. Balaram Pani**, Krishna Gopal

Date of filing- July 29, 2023, Valid till July 29, 2028

Date of Grant- August 31, 2023

4. Granted a UK Design Patent in respect of the application of such design to 'Double Distillation Apparatus for Separation of Organic Compounds'. (UK Design patent number: 6300181)

Applicants: Prof. (Dr.) Seema Tomar, Dr. Nasyam Mohammed Akram, Dr. Shaveta Ahalwat, Mr. Sonu Dewaji Gathe, Dr. Thoppalada. Yunus Pasha, Ajay Kumar Verma, **Dr. Swati Gupta**, Dr. Gyanranjan Mahalik, Dr. Annu Mudgal, Ms. Praneetha Visampalli

Date of filing- July 29, 2023, Valid till July 29, 2028.

Date of Grant- August 08, 2023

DBT STAR COLLEGE SCHEME

A Decade of Star College Scheme of DBT and going strong

Prof. Avneesh Mittal (Officiating Principal), Chairman, Star College Scheme

DBT Star College Scheme-I

Dr. Anita Sondhi (Coordinator)

Prof. Uma Chaudhry (Co-Coordinator)

Department Coordinators

Dr. Anita Sondhi, Coordinator, Biochemistry

Prof. Uma Chaudhry, Coordinator, Biomedical Science

Dr. Pawas Goswami, Coordinator, Microbiology

Dr. Meenakshi Garg, Coordinator, Food Technology

Bhaskaracharya College of Applied Science has been a recipient of funds under the Star College Scheme of the Department of Biotechnology since 2010 and takes immense pride in being a recipient of the Star College Status from DBT. The college expresses its heartfelt gratitude to the Department of Biotechnology, Government of India for guiding us all along in this very long learning association with them. As has been the case for more than a decade of association with DBT, under the ongoing Star College Scheme of the Department of Biotechnology, several activities are planned and executed by the participating departments. As the foremost aim of the scheme is to strengthen science education and research at the undergraduate level, activities are conducted both at the respective department levels and college at large keeping this very objective in mind. Many activities are conducted under the aegis of the DBT Star College scheme. These activities enhance interest in science which includes invited talks of eminent scientists from Academia and Industry, seminars, Hands-on training, and workshops. One of the mandates of the scheme is also to encourage collaboration between various departments and foster frequent and meaningful interactions between the faculty and the students. The students, under this scheme, are also given experiential learning through visits to various industries, institutes and research laboratories. These visits help them understand the applications of science in other institutes and also familiarize them with various career options available in their chosen scientific fields.

DBT Star College Scheme-II

Prof. N.S. Abbas (Coordinator)

Department Coordinators

Dr. Bhavya Deep, Coordinator, Department of Computer Science

Dr. Jitender Kumar, Coordinator, Department of Electronics

Dr. Manoj K. Tiwari, Coordinator, Department of Instrumentation

Prof. Anand Bharadvaja, Coordinator, Department of Physics

Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, New Delhi has sanctioned financial support for three years w.e.f. 2019 under the Star College Scheme for four additional departments. The participating departments viz, Physics, Computer Science, Electronics and Instrumentation have been included in the ongoing Star support to strengthen life sciences education training at the undergraduate level. To meet the defined objectives under the sanctioned scheme, the college has planned to organize a diverse array of academic and scientific activities including workshops, outreach programs, extension lectures, industrial visits and training, a facility for providing free books to meritorious students, specialized training programmes for faculty improvement for optimizing their technical capabilities, standard curricula, standard operating procedures (SOP) for practical and summer schools, etc. Concerned departments have taken action in strengthening the laboratory infrastructure involving modern equipment and consumables for undergraduate students to upgrade their careers in Science Stream. The participating departments have organized various activities like interactive sessions, outreach programs, alumni meetings,

webinars, and workshops at intra and inter-college levels with the support of this scheme. These activities have been highlighted under the respective departmental activities. Such mentioned activities carried out by the above departments are a testimony to fulfilling the aim and goal of the DBT Star College Scheme.

ACTIVITIES ORGANIZED BY THE G20 PRESIDENCY COMMITTEE

Nodal Officer: Dr. Shivani G. Varmani

To celebrate India's G20 presidency, Delhi University's culture council is hosting G20-related cultural and academic programs for which it has identified 18 designated colleges and departments as nodal centers. Each center will focus on a specific G20 member country, fostering "cross-cultural understanding" and the G20's global vision. Our college has been chosen as the nodal center for France. Keeping this in mind, a G20 Presidency Committee was formed which actively planned and executed activities that not only celebrated Indo-French relations but also addressed broader themes aligned with the 2023 G20 Summit's agendas.

- Prof. Avneesh Mittal, Officiating Principal, Dr. Shivani G. Varmani, Nodal Officer, and Dr. Amandeep Kaur were honored for their valuable contribution towards making the Indo-France G20 Cultural-cum-Academic event for resounding success during the G20 Valedictory Meet held on December 27, 2023 at Vice Regal Lodge, University of Delhi. The event was presided by the Hon'ble Vice Chancellor Prof. Yogesh Singh. Prof. Balaram Pani, Dean (colleges), DU, unveiled the book of memories, entailing the proceedings of this successful Indo-France G20 Cultural-cum-Academic event.
- Organized an academic-cum-cultural program "Celebrating Indo-French relations in the wake of India's G20 Presidency" in collaboration with Shyama Prasad Mukherji College for Women and Shivaji College under the aegis of Culture Council, University of Delhi with France as country of focus on September 26, 2023. Dr. Shivani G. Varmani was the convener and Dr. Bhavya Deep was the Co-Convener of the event. Dr. Amandeep Kaur was the Faculty Coordinator and Dr. Neeru Bhagat was the Organising secretary. Dr. Anil Barak, Mr. Manoj Kumar, Dr. Shikha Srivastava, Dr. Krishna Dutt, Dr. Anoop Saini, Dr. Sakshi Khurana, Dr. Mohit Sharma, Dr. Swati Gupta, Dr. Vijay Kumar, Dr. Neha Singh, Dr. Umesh Kumar, Ms. Shweta Dua and Dr. Shubhra Barwa were the members of the organizing team at BCAS.
- College hosted the inaugural session presided over by Prof. Balaram Pani, Dean of Colleges, University of Delhi. Professor Ravinder Kumar, Dean of Cultural Council, University of Delhi was the Guest of Honor. The program continued with the inauguration of the G20 Art & Photography Exhibition, followed by a showcase of products developed by the college's Women Development Cell in collaboration with self-help groups.
- **Inaugural Session was followed by Academic session at our College** on the theme "Bharat-France Alliance: Cultural and Economic Perspective" was held where, Dr. Daniel Boeri, French intellectual was Guest of honor and resource person. He gave a talk on "Geo-Politics, Environment and the New Economy: Will the World Survive". Professor Minni

Sawhney, HOD of the Department of Germanic and Romance Studies University of Delhi, was the Guest of Honour and resource person for the second session. She delivered an enlightening talk on “The Importance of Annie Ernaux and her Novels”.

- **Academic Session was followed by Student Activities session at SPM College** on the theme “Bharat and France: A Partnership for Global Betterment”. It consisted of three exciting competitions in - Reel Making competition on “The G20 Agenda: Time to Take Action on Climate Change”, Poster Making competition on “Bharat and France: A Strategic Alliance for a Sustainable Future” and Group Discussion on “Bharat-France Relations: Promoting Agricultural & Technological Advancements”.
- **Valedictory & Cultural Function at SPM at Rajiv Gandhi Auditorium:** The Cultural Program included Indian and French culture Dance and Music performance, performed by the students of our college, Shivaji College, and SPM College. The chairman of the event was Prof. Sachchidanand Joshi, Member Secretary IGNCA, Ministry of Culture, Government of India and the Guest of Honour was Prof. Bindhy Wasini Pandey, Dean of Social Work, University of Delhi Dr. Geeta Bhatt, Director NCWEB, was the Chief Guest of the event.
- Organized a poster making competition on ‘The timeline of biotechnology emphasizing the role of women in the field of biotechnology’ by the Department of Biomedical Sciences in association with G20 Presidency Committee on June 22, 2023.
- Installation of a sunboard for showing and spreading knowledge about the Sustainable Goals of Development was hung over the wall of the Audio-Visual room of the college on June 19, 2023 under the Joint venture of G20 Presidency Committee and Department of Biomedical Sciences.
- To raise consciousness towards environment, health and hygiene, emphasizing female hygiene amongst students and staff, stickers were designed and applied in different places around the campus by a team of students under a “We care” program on June 19, 2023 under the Joint venture of the G20 Presidency Committee and Department of Biomedical Sciences.
- Wellness posters for Physical, Mental and spiritual health of students were installed in college premises under the joint venture of G20 Presidency Committee and Department of Biomedical Sciences on June 16, 2023. This helped in contributing to the 3rd Sustainable Development Goal, i.e. Good health and Well-being.
- Organized an online seminar on ‘Climate Change’ on May 25, 2023. Prof.S. K. Dhaka Department of Physics and Electronics, Rajdhani College was a Resource person.

ACTIVITIES ORGANIZED BY THE COLLEGE UNDER MoUs

❖ NII-BCAS, Science Setu

Nodal Officer: Dr. Uma Dhawan

- Eight students from the departments of Biomedical Science, Chemistry, Microbiology and Polymer Science attended the National Science Day (NSD-2024) to commemorate Dr. C. V. Raman and his discovery, the Raman effect,

under the theme of 'Indigenous Technologies for Viksit Bharat' on February 28, 2024 at National Institute of Immunology, New Delhi.

- Eight students from the departments of Biomedical Science, Botany, Microbiology and Zoology attended the NII (National Institute of Immunology) Open day on January 11, 2024 on the theme of India's Vaccine Self-Reliance. The open day included talks, poster sessions, research facility visits, games/demos, and the opportunity for interaction with scientists and research scholars.
- A talk on 'Blocking Cell Signaling in Cancer Cells through Serine Proteases or Non-Kinase Strategies' by Dr. C. L. Meena, Staff Scientist, National Institute of Immunology, New Delhi under the BCAS-NII Science Setu program was organized on November 21, 2023 in the college.

❖ Red Ribbon Club

Nodal Officer: Dr. Uma Dhawan

Club was started in August 2023 under the aegis of National AIDS Control Organization (NACO) for the prevention Control and Care & Support programmes. It is a voluntary on-campus intervention program for students in educational institutions to create awareness about AIDS among the youth. The volunteers of RRC, BCAS promote awareness through our Instagram handle [@rrc.bcas](https://www.instagram.com/rrc.bcas)

- Celebrated National Youth Day on January 24, 2024 to draw attention to youth concerning issues in the nation by organizing. AIDS awareness program was conducted for students of classes 11th and 12th of Government Co-Ed Senior Secondary School, Sector- 2, Dwarka, New Delhi. Slogan cum signature Campaign and Tree Decoration was done with slogans, motivating messages and quotes to create awareness. Reel Making Activity was organized to create awareness and increase comprehensive knowledge of HIV/ AIDS among youth.
- Observation of 'The World AIDS Day-2023' on December 1, 2023 for creating awareness and increasing comprehensive knowledge of HIV/ AIDS among youth by organizing various events on the theme "Remember and Commit". Dr. K. S. Baghotia, Head, Academics and Research, Indira Gandhi Hospital, Dwarka, New Delhi was the Chief Guest. Poster making competition, Tree Plantation Drive, Pledge and Awareness Campaign Drive were organized in the neighborhood of the college
- Two students, Anish Yadav of B. Sc. (H) Instrumentation and Rina Chaudhry of B.Sc. - Participated in 53rd edition of Bridge 2023 – Delhi organized by ICT Academy, Delhi held on October 16, 2023.
- Participated in webinar on ‘Building Career Reputation via Peeref and Other Venues’ organized by LetPub Learning Nexus, an author service brand owned and operated by Accdon LLC, Boston, USA on October 12, 2023.
- Participated in webinar on ‘Connectivity First Building Smart Campuses’ organized by StrategI NK Solutions, an ISO/IEC 27001:2013 Company, Haryana on September 26, 2023.
- Participated in a workshop on ‘Financial Literacy’ organized by Department of Computer Science of the college on September 19, 2023.
- Participated in Cisco - Simplify your IT event at The Park, New Delhi on May 24, 2023.
- Attended special lecture and interactive session on ‘Small Molecule Drug Discovery using AIML and Physics-based Modeling’ organized by DSEU, Dwarka Campus held on May 12, 2023.
- Editorial Board Member of American Journal of Environmental Science, ISSN 1558-3910.

- Editorial Board Member of PriMera Scientific Engineering Journal, ISSN 2834-2550.
- Reviewer - Scientific Reports. ISSN 2045-2322.

Dr. Jayant Sharma

- Participated in two-day workshop on 'Establishment of Modularities for Skill Enhancement Courses' by Skill Development Course Committee, University of Delhi on March 4-5, 2024.

DEPARTMENT OF ELECTRONIC SCIENCE

Activities by Department

- Conducted Parent Teacher Interaction Program on March 27, 2024. The convener was Dr. Manoj Tiwari. The faculty coordinators were Dr. Inderbir Kaur, Dr. Jitender Kumar, Dr. Amit Kumar, Ms. Aarti Malyan, Dr. Shikha Madan, and Mr. Chetan Awasthi.
- Organized a visit to DUCAT, Kohat Enclave on February 9, 2024. The conveners were Dr. Manoj Tiwari and Dr. Jitender Kumar. Dr. Swati Sharma was the faculty coordinator.
- Conducted an orientation program for second year on January 11, 2024. The convener was Dr. Manoj Tiwari. The faculty coordinator was Ms. Jyoti.
- Conducted an orientation program for first year on January 10, 2024. The convener was Dr. Manoj Tiwari. The faculty coordinator was Ms. Jyoti.
- Organized a visit to ST Microelectronics on November 1, 2023. The convener was Dr. Manoj Tiwari. The faculty coordinators were Dr. Jitender Kumar, Mr Manoj Kumar and Ms Jyoti.
- Conducted a 'What's inside a black box' and 'Quiz competition' on October 13, 2024. Mr. Manish Kumar (Technical Leader, STMicroelectronics) was the resource person for the event. The conveners were Dr. Manoj Tiwari and Dr. Jitender Kumar. The faculty coordinator was Mr Manoj Kumar.
- Organized a visit to National Physical Laboratory (NPL), New Delhi on October 4, 2023 in collaboration with NPL. The conveners were Dr. Manoj Tiwari and Dr. Jitender Kumar. The faculty coordinators were Dr. Manoj Kumar Tiwari, Dr. Jitender Kumar, and Ms Aarti Malyan.
- Conducted an orientation program for Vidyanjali on September 29, 2023 in collaboration with SCERT, Delhi. Dr. Manisha Taneja, State Coordinator, Vidyanjali and B B Arya, CRCC, Vidyanjali were the resource persons for the program. The convener was Dr. Manoj Tiwari. The faculty coordinator was Ms. Aarti Malyan.

- Organized a visit to DUCAT on September 27, 2023. The convener was Dr. Manoj Tiwari. The faculty coordinators were Dr. Jitender Kumar, Dr. Amit Kumar and Ms. Aarti Malyan.
- Organized a visit to Amrit Udyan in Rashtrapati Bhawan on August 25, 2023. The convener was Dr. Manoj Tiwari. The faculty coordinators were Prof. Geeta Mongia, Dr. Inderbir Kaur, Dr. Jitender Kumar and Ms. Aarti Malyan.
- Conducted Parent Teacher Interaction Program on May 27, 2023. The convener was Dr. Manoj Tiwari. The faculty coordinators were Prof. Geeta Mongia, Dr. Inderbir Kaur, Dr. Amit Kumar, Dr. Jitender Kumar, Ms. Aarti Malyan and Ms. Jyoti.

Faculty Achievements

Prof. Geeta Mongia

- Geeta Mongia, Aarti Malyan, Nitish and Riya Chauhan presented a poster titled 'Enhancing Bio-Electricity Generation through amalgamation of biofilms and Microbial Fuel Cell Technology- A Green Energy Initiative ' IISF- Young Scientist Conference 2023 and won the best poster prize.

Dr. Inderbir Kaur

- Participated in 30 hours Short Term Certificate Course on 'Relevance of Bhagavad Gita in Today's Life' organised by the college in association with Society for Applied Value Education (SAVE) from May 22-27, 2023.

Dr. Manoj Tiwari

- Completed a 30 days Masterclass on 'Java Full Stack' organised by Pantech e -learning Pvt. Ltd., Chennai from August 16-September 16, 2023.
- Completed a 30 days Masterclass on 'Amazon Web Services (ML Ops}' organised by Pantech e -learning Pvt. Ltd., Chennai from June 6-7, 2023.
- Participated in a one-day workshop on 'Social and Emotional Learning' organised by Value Addition Committee and Sri Venkateshwara College, University of Delhi on May 22, 2023.
- Completed a certificate course on 'Intellectual Property Management for Startups' organised by Turnip Innovations Pvt. Ltd., Kolkata from April 5-11, 2023.

Dr. Amit Kumar

- Participated in the Faculty Development Program for 'ICT Integrated Evaluation in Outcome based Education' organized by Academic & Administrative Development Centre, AMET University in association with Association of Indian Universities, Delhi from January 5-12, 2024.

-
- Reviewed a manuscript for Advanced Engineering Forum, UGC CARE (Group – I) listed journal on November 20, 2023.
 - Kumar, A, Invited talk on ‘Electronic Waste Issues & Remedies-An Indian Perspective’ at Mahatama Phule Mahavidyalya, Kingaon, Latur on October 10, 2023, during online National Seminar Series, October 1-25, 2023.
 - Participated in the 53rd edition of BRIDGE 2023 - Delhi (A High Impact Industry-Institute Interaction Event of India) organized by ICT Academy at Hyatt Regency, Delhi held on October 16, 2023.
 - Completed one professional development hour by attending the Technical Lecture in Workshop on Electrical and thermal characterization of HEMT ‘Connecting Technologies to Applications for Humanity's Benefit: GaN HEMT Modeling Based on Microwave an mm-Wave Measurements’ on September 21, 2023.
 - Completed one professional development hour by attending the Technical Lecture in Workshop on Electrical and thermal characterization of HEMT ‘GaN Power Devices: Operation and Charge Trapping Processes’ on September 18, 2023.
 - Completed one professional development hour by attending the Technical Lecture in Workshop on Electrical and thermal characterization of HEMT ‘Extending the Horizon of GaN Power HEMT Platform by Integration’ on September 16, 2023.
 - Kumar, A. Presented a paper ‘A simulation study on optoelectronic transitions in metallic nanoparticles’ in the National e-Conference on Recent Advances in Engineering, Technology & Applied Sciences–2023 (RAETAS-2023), organized by Society Towards Advancement of Rural Education in association with Maharana Pratap School of Pharmacy, Lucknow on September 5, 2023.
 - Kumar, A, Presented a paper ‘Material Characterization using Python based Toolkit’ organized by Society Towards Advancement of Rural Education, in association with Maharana Pratap School of Pharmacy, Lucknow on September 5, 2023.
 - Completed two professional development hours by attending the Technical Lecture in Workshop on ‘Modern Transistor Designs Beyond the Boltzman and Nernst Limits: Next Generation Transistors for Computing and Sensing’ and ‘Breaking the Mold: Using SiGe Technology in Ways That Were Never Envisioned’ held on August 3, 2023.
 - Completed one professional development hour by attending the Technical Lecture in Workshop on ‘Electrical (DC, AC, and transient analysis) and thermal characterization of Advanced CMOS, SOI, and FinFET- The Journey from Planar to Stacked 3D Transistor: Lessons from the Past for Future Innovations’ held on July 17, 2023.
 - Completed a webinar on ‘Introduction to Power Electronics using MATLAB’ organized by ISIEINDIA, as a part of its industry-oriented skill-based education program on July 26, 2023.

- Completed one professional development hour by attending the Technical Lecture in Workshop on ‘Electrical (DC, AC, and transient analysis) and Thermal Characterization of Advanced CMOS, SOI, and FinFET - Modeling of Hot Carrier Degradation in Nanowire, Nanosheet and Forksheet Devices’ held on July 25, 2023.
- Participated Faculty Development Program for Outcome Based Education for effective Learning and Teaching organized by Academic & Administrative Development Centre, AMET University in association with Association of Indian Universities, Delhi from July 19-27, 2023.
- Participated in one-week National Faculty Development Programme on ‘Integrating AUTODESK Fusion - 360 in Engineering subjects’ organized by Department of Mechanical Engineering, Lendi Institute of Engineering & Technology, Andhra Pradesh in association with Autodesk (Academic & Learning Partner) from June 26-July 1, 2023.
- Completed one professional development hour by attending the Technical Lecture in Workshop on ‘Electrical (DC, AC, and transient analysis) and Thermal Characterization of Advanced CMOS, SOI, and FinFET - Analog Performance of MOS Transistors from the 1 μm to the 20 nm technologies’ held on July 10, 2023.
- Completed one professional development hour by attending the Technical Lecture in Workshop on ‘Electrical (DC, AC, and transient analysis) and thermal characterization of Advanced CMOS, SOI, and FinFET - Junctionless Transistors’ held on July 6, 2023.
- Completed one professional development hour by attending the Technical Lecture in Workshop on ‘Modern Transistor Designs - CMOS Chronicles: From Bulk CMOS to FinFET and Beyond - A Journey of Innovation’ held on July 5, 2023.
- Completed one professional development hour by attending the IEEE Electron Device Society (EDS) Technical Lecture on ‘Plasma-Based Thin Film Technology in Fabrication of Nano- to Giga-Sized Electronics’ held on June 13, 2023.
- Participated in the International Short Term Training Programme- IX ‘On Environment Pollution: A Threat to Life Below Water & World Environment Day Celebration Week’ organized by Raj Rishi Govt. Autonomous College from June 5-11, 2023.
- Participated in the DST sponsored two weeks Faculty Development Programme on ‘Development of Entrepreneurship and Innovation’ in online mode organized by Academy of Maritime Education and Training, Chennai from May 29-June 9, 2023.
- Reviewed a manuscript for Journal: Bioinspired, Biomimetic and Nanobiomaterials on June 23, 2023.
- Participated in two days National Short Term Training Programme on ‘Sustainable environment Management along with AI’ organized by Department of Civil Engineering, SAGE university on May 19-20, 2023.

- Participated in five days International Workshop on ‘Applications of Machine Learning and Artificial Intelligence in Research and Innovations’ organized at Regional College for Education, Research and Technology, Jaipur from May 2-6, 2023.
- Participated in five days online short-term training Program on ‘Recent Advancements in Medicinal Chemistry and Material Science’ organized by Department of Humanities & Sciences (Chemistry), Vardhman College of Engineering, Kacharam, Shamshabad, Hyderabad in association with JNTU, Hyderabad held from April 24-28, 2023.
- Completed one professional development hour by attending the IEEE Electron Device Society (EDS) Technical Lecture on ‘The Future of Transistor Integration’ held on April 27, 2023.
- Participated in the International Short Term Training Programme-VIII ‘Energy and Environment Conservation’ organized by Raj Rishi Govt. Autonomous College from April 18-24, 2023.
- Completed one professional development hour by attending the IEEE Electron Device Society (EDS) Technical Lecture on ‘Bandgap Engineering and Device Applications of Dilute Nitrides’ held on April 19, 2023.
- Completed two professional development hour by attending the IEEE Electron Device Society (EDS) Distinguished Lectures (DL) ‘Transistor technologies beyond Si CMOS’ & ‘Reliability of Metal Gate / High-K CMOS devices’ on April 3, 2023.

Ms. Shweta Gupta

- Attended lecture Series on ‘Advances in Antenna Development: Current Trends and Challenges’ organized by the Department of Electronic Science, University of Delhi in collaboration with IEEE APS & CRFID Delhi Chapter on January 29 and February 5-7, 2024.
- Presented a Paper titled ‘Steric Hindrance Issue in Junctionless FinFET based Biosensor under diversified temperature variation’ in an IEEE International Conference on Electronics, Materials Engineering & Nanotechnology’ organized by the Institute of Engineering and Management during December 18-20, 2023 and received the best paper award for it.
- Presented a Paper titled ‘Reliability Assessment of JLFInFET based Biosensor for Neutral Biomolecule Detection under Temperature Variation from 250K to 350K’ in an IEEE International Conference on ‘Circuit, Power and Intelligent Systems’ organized by the Silicon Institute of Technology, Bhubaneswar during September 1-3, 2023.
- Attended a lecture on ‘Modeling of Hot Carrier Degradation in Nanowire, Nanosheet and Forksheet devices’ organized by IEEE Electron Devices Society Delhi Chapter and Deen Dayal Upadhyaya College, University of Delhi and the National Academy of Sciences-Delhi Chapter on July 25, 2023.

- Attended a lecture on ‘The Journey from Planar to Stacked 3D Transistor: Lessons from the Past for Future Innovations’ organized by IEEE Electron Devices Society Delhi Chapter and Deen Dayal Upadhyaya College, University of Delhi and the National Academy of Sciences-Delhi Chapter on July 17, 2023.
- Attended a lecture on ‘Junctionless Transistors’ organized by IEEE Electron Devices Society Delhi Chapter and Deen Dayal Upadhyaya College, University of Delhi and the National Academy of Sciences-Delhi Chapter on July 6, 2023.
- Attended a lecture on ‘The Transistor: Exponential Growth and Securing our World for 75 years of Existence’ organized by IEEE Electron Devices Society Delhi Chapter and Deen Dayal Upadhyaya College, University of Delhi and the National Academy of Sciences-Delhi Chapter on July 3, 2023.
- Attended a webinar on ‘Plasma-based Thin Film Technology in Fabrication of Nano-to Giga-sized Electronics’ organized by IEEE Electron Devices Society Delhi Chapter, Deen Dayal Upadhyaya College, The National Academy of Sciences-India-Delhi Chapter on June 13, 2023.
- Attended a webinar on ‘Transistor Diversity: Looking beyond CMOS to improve Analog Performance’ organized by IEEE Electron Devices Society Delhi Chapter, Deen Dayal Upadhyaya College, The National Academy of Sciences-India-Delhi Chapter on May 23, 2023.
- Attended a webinar on ‘The future of Transistor Integration’ organized by IEEE Electron Devices Society Delhi Chapter, Deen Dayal Upadhyaya College, The National Academy of Sciences-India-Delhi Chapter on April 27, 2023.
- Attended a webinar on ‘Bandgap Engineering and Device applications of Dilute Nitrides’ organized by IEEE EDS Delhi Chapter, Deen Dayal Upadhyaya College, The National Academy of Sciences-India-Delhi Chapter on April 19, 2023.

Dr. Jitender Kumar

- Member of the organizing committee in the five-days workshop on ‘Startup Modules on Connection Core Choices: Causality and Community’ organized by IQAC of the college from January 29-February 2, 2024.
- Member of organizing committee in Research: Sustainability, Challenges and opportunity organized by IQAC and Research Committee of the college on January 24, 2024.
- Chaired the session in International Conference on ‘Energy Materials and Rechargeable Batteries (ICEMRB) -2023’ organized jointly by Department of Sciences (Physics), University Instrumentation Center (UIC), and Manav Rachna University (MRU), Faridabad, Haryana on December 20, 2023.

- Attended Faculty Development Programme on ‘NEP 2020 Orientation and Sensitization Program’ under Malaviya Mission Teacher Training Programme (MM-TTP) of UGC organized by UGC-MMTTC (GAD-MMTC), Sri Guru Tegh Bahadur Khalsa college, University of Delhi from November 13-24, 2023.
- Interview Board Member for the selection of Primary Teachers (PRT) in Kendriya Vidyalaya, Sector-24, Noida from November 3-8, 2023.
- Attended virtual mode one-week International Level Faculty Development Programme on ‘Introduction to Artificial Intelligence’ organized by Department of Electrical and Electronics Engineering in association with Department of Emerging Technologies in Computer Science, Department of Electronics and Communication Engineering, and NI Labview Academy from October 9-14, 2023.
- Successfully completed the online week short term training program on ‘Enhancing Administrative Skills’ organized by Teaching Learning Centre, Tezpur University during May 24-30, 2023.

Ms. Aarti Malyan

- Geeta Mongia, Aarti Malyan, Nitish and Riya Chauhan. ‘Enhancing Bio-Electricity Generation through amalgamation of biofilms and Microbial Fuel Cell Technology- A Green Energy Initiative’ at IISF- Young Scientist Conference 2023.

DEPARTMENT OF ENGLISH

Activities by Department

- Organized workshop on the topic ‘Role of Reading in Liberating Imagination’ in collaboration with Capability Enhancement and Literary Club of the college on March 15, 2024.
- Organized quote writing competition on the topic ‘Esteemed constitution, Ambedkar’s vision: How the constitution shapes our tomorrow’ in collaboration with Capability Enhancement and Literary Club of the college from December 6-10, 2023.

DEPARTMENT OF FOOD TECHNOLOGY

Activities by Department

- A Parent Teacher Meeting was organized on March 26, 2024. Dr. Rizwana was the convener of the meeting and all faculty members were the coordinators.

- An educational visit of students was organized to the Institute of Packaging, New Delhi on March 13, 2024. The visit was coordinated by Dr. Meenakshi Garg.
- Students and Prof Eram S Rao attended a National Conference on ‘Mission 2030: India A Global Leader for Value Added Food’ organized by All India Food Processors Association (AIFPA) at its 79th annual conference at Pragati Maidan, New Delhi held on March 11, 2024. The visit was coordinated by Dr. Rizwana and Prof Eram S Rao.
- Departmental festival Trinexus 2024 was organized on February 24, 2024 in collaboration with Departments of Biomedical Science and Polymer Science. The event included a panel discussion on the Topic: ‘Growth and alignment of Food Industry: Vision for Viksit Bharat’ by expert alumni panelists Ms Anusuya Borah, Business Development Manager in Givaudan India Pvt Ltd and Mr Nikunj Suneja, Manager in Packaging Operations, Mars Wrigley. Dr. Rizwana and Dr. Ragini Jindal were the conveners for the Panel discussion.
- Students visited Sufalam: Startup Forum for aspiring leaders and mentors, at PhD House, Hauz Khas organized by the Ministry of Food Processing, Govt. of India on February 13-14, 2024. The same was attended and coordinated by Prof. Eram S Rao.
- An interactive session was conducted on ‘Career Aspects of Food Technology’ by our alumni, Mr. Monu Chaurasiya on November 24, 2023. Dr. Rizwana and Prof. Eram S Rao were the conveners and Ms Manisha Thakur was the faculty coordinator for the session.
- Swachhta drive was conducted from October 13-19, 2023.
- Organized a reel making competition on ‘Water is life, Water is Food, Leave No One Behind’ was held on October 16, 2023. Dr. Rizwana was the convener and Dr. Sakshi Khurana was the faculty coordinator of the event.
- Fresher’s party was organized on October 11, 2023.
- Poster making competition on ‘Millets: Ancient Grains for Modern Wellness’ was conducted on September 30, 2023. Dr. Rizwana was the convener and Ms. Manisha Thakur was the faculty coordinator.
- Orientation programme for the first-year students was organized on August 16, 2023.
- Farewell function for the outgoing batch was organized on April 25, 2023.
- Organized recipe competition of ‘Mighty Millets’ sponsored by Kanegrade Flavour and Ingredients Pvt Ltd and lecture on ‘Innovation in action’ on April 10, 2023. Prof. Eram S. Rao was the convener and Dr. Rizwana was the coordinator of the event.

Faculty Achievements

Dr. Rizwana

- Participated & deliberated upon establishing the guidelines for continuous assessment for the courses under the Theme ‘Food Technology’ in a two-day workshop on ‘Establishment

of Modalities for Skill Enhancement Courses’ organized by Skill Enhancement Course Committee, University of Delhi in Conference Centre, University of Delhi on March 4-5, 2024.

- Attended National Conference on ‘Poultry and Poultry Products’ organized by CII FACE at New Delhi on October 31, 2023.
- Attended a seminar on ‘Clinical Evaluation/Intervention Studies for New Foods and Food Ingredients’ organized by ILSI, K-FFIG on May 29, 2023.
- Member, Faculty of Science, University of Delhi, under 9(3)(v) Teacher’s category w.e.f. for a term of three years from May 4, 2020.

Dr. Shalini Sehgal

- Invited talk on ‘Indigenous Technologies for Vikshit Bharat’ at National Science Dayat Amity University, Noida on March 28, 2024.
- Invited lecture on ‘Prevention of Sexual Harassment at Work Place’ at Shriram Institute for Industrial Research, Delhi on March 1, 2024.
- Judge for Pure Sciences at the 16th Maharashtra State Inter-University Research Convention for UG, PG, and PPG levels at Nashik held on January 12-15, 2024.
- Attended workshop on ‘Pre-emptively Identifying, Preventing, and Responding to Biological Incidents through Community Stakeholder Involvement in India’ in Chandigarh organized by Sandia National Laboratories, USA on November 1-2, 2023.
- Delivered a technical talk on ‘Regulations of Food Packaging Materials’ in the second brain storming session for ‘Safe, Secure and Sustainable Food Packaging Material’ at IIP, Delhi organized by NETSCoFAN, FSSAI, Department of Commerce, Govt. of India on October 19, 2023.
- First prize in poster presentation on ‘Technological and Management options to complement conventional STP approaches in India organized by IHE, Delft, Netherlands at IIT, Delhi on September 28, 2023.
- Attended two-day workshop on ‘Innovative Technologies for Wastewater Treatment, Reuse and Resource Recovery’ organized by the Pavitra Ganga Project Partners IHE, Delft, Netherlands, IIT Delhi, IIT Kanpur and VITO at IIT, Delhi from September 27-28, 2023.
- Attended one-week online Faculty Development Program on ‘Academic Research Writing’ organized by the Teaching Learning Centre of Ramanujan College, New Delhi under the PMMMNMTT of MHRD from July 8-14, 2023.
- Subject expert in the designing of BSc. Food Safety and Quality Management, four-year programme at IGNOU, Delhi.

- Member, BOS and subject expert for the development of M.Sc. Food Science and Technology at MRIIRS.

Prof Eram S Rao

- Invited speaker for 8th NIPUN- Induction Training Programme for FSSAI Officials at NIFTEM, Sonipat on December 27, 2023.
- Invited speaker for Impact Lecture Series organized by Sir Vithaldas Thackersey college of Home Science, Mumbai on ‘A Toolbox Approach for Product Reformulation in Food Industry: A Way Forward’ on December 5, 2023.
- Invited speaker for International Symposium on ‘Unlocking reformulations and Unraveling the Science of Sweeteners’ organized by FICCI on November 28-29, 2023.
- Participated in a seminar on ‘Transforming Markets for Better Nutrition’ organized by CII and Access to Nutrition Initiative on November 22, 2023.
- Participated in ‘Coalition for Food- Systems Transformation in India’ organized by Food Future Foundation for the World Food Day and 4th Foundation Day on October 5-6, 2023.
- Invited speaker at ‘Pack-Mach Asia Expo’ organized by CII-Food and Agriculture Centre of Excellence at Pragati Maidan, New Delhi on October 4, 2023.
- Participation in the CII-workshop on ‘Exploring National Communication Platform for Raising Nutrition and Healthy Lifestyle Awareness’ on October 3, 2023.
- Invited speaker on ‘Rethinking Food Systems: Nutrition, Sustainability, Food Security, and Consumer Behaviour’ at the Food Processing Summit 2023, New Delhi on August 21, 2023.
- Participated in the ‘Global Food Security Summit’ at New Delhi on August 8-9, 2023.
- Invited speaker for the webinar on ‘Rice Fortification: Nutritional Importance & Regulatory Framework’ organized by FICSI on July 28, 2023.
- Invited speaker for the Induction training program of FSSAI officers (NIPUN) organized at NTCFSS, Ghaziabad, on July 26, 2023.
- Participated in the ‘Global Food Regulators Summit 2023’ organized by the FSSAI, MoHFW, Government of India on July 20-21, 2023.
- Invited speaker for training on ‘Product Formulation for Healthier Choices’ to the food industry for CII Food and Agriculture Centre at FSSAI’s Eat Right India initiative campus on May 3, 2023.
- Participated in Global Dialogue on ‘Food Systems Transformation’ in New Delhi on April 20-21, 2023.

- Invited speaker for a panel discussion on ‘Vocal for Local Sustainable Food Systems and Relevance of Millets’ at ‘India Farm-2-Fork 2023: 8th International Conference cum Exhibition’ at Agribusiness & Food Processing Committee at PHDCCI on April 1, 2023.

Dr. Meenakshi Garg

- Resource person at technical session of two weeks residential training programme on Packaging Technology for Bhutanese participants under ITEC scheme of Ministry of External Affairs, Govt. of India at IIP Delhi on March 20, 2024.
- Participated in a one-day seminar on ‘Cracking the Quagmire of Protocol Development’ conducted by National Institute of Health and Family Welfare and Biostatistics Consortium at National Institute of Health and Family Welfare, New Delhi on March 16, 2024.
- Resource person for the one-day National Conference on ‘Emerging Technologies Focusing on Food Safety and Security’ organized by Department of Food Science and Technology in association with SAS Micro Enterprises, Chennai on March 13, 2024.
- Resource person at technical session of two weeks residential training programme on ‘Packaging Technology for Bhutanese Participants’ under ITEC scheme of Ministry of External Affairs, Govt. of India at IIP Delhi on February 27, 2024.
- Participated in workshop on ‘Interpretation of Instrumental Methods’ organized by Department of Chemistry and International Research Centre Satyabhama Institute of Science and Technology in association with CSIR-National Metallurgical Laboratory, CSIR Madras Complex at Chennai, Tamil Nadu, India on January 3-6, 2024.
- Attended an International Conference and workshop on ‘Twelve Principles of Green Chemistry and Un-Sdgs’ organized by Green Chemistry Network Centre, Hindu College, University of Delhi on November 9-10, 2023.
- Member, BOS of University School of Basic and Applied Sciences for M.Sc Packaging Technology, Guru Gobind Singh Indraprastha University, Delhi from November 7, 2023 for a period of two years.
- Consultant for Research and Development for Natturz Bio Kontrol Pvt Ltd. since August 2023.
- Reviewer of Phytochemistry Reviews Journal, Springer
- Coordinator and resource person of a National workshop on ‘Hands-on training to Increase the Shelf Life of Fruits and Vegetables by using Innovative Food Preservation and Packaging Technologies’ sponsored by SERB under the Accelerate Vigyan scheme of DST in the college from July 3-11, 2023.
- Participated in the one-day workshop for educators on ‘Ayurveda and Nutrition’ a value addition course for undergraduate program organized by Value Addition Committee and Sri Aurobindo College, University of Delhi on June 7, 2023.

Ms. Manisha Thakur

- Participated and deliberated upon establishing the guidelines for continuous assessment for the courses under the Theme ‘Food Technology’ in a two-day workshop on ‘Establishment of Modalities for Skill Enhancement Courses’ organized by Skill Enhancement Course Committee, University of Delhi, in Conference Centre, University of Delhi on March 4-5, 2024.
- Paper Presentation at International conference on ‘Hunger to hope: Building a sustainable Future through nutrition and Food Security’ organized by Centre for Environment and sustainable development, Jamia Hamdard on October 16, 2023.
- Poster presentation in the International Conference on ‘Emerging Technologies in Food Processing-III (ETFP-2023)’ organized by the Department of Food Processing Technology, Ghani Khan Choudhury Institute of Engineering and Technology, Malda, West Bengal during September 26-27, 2023.
- Resource person and organizing committee member at DST-SERB sponsored 7 days National workshop ‘Hands-on Training to Increase the Shelf Life of Fruits and Vegetables by using Innovative Food Preservation and Packaging Technologies’ at the college from July 3-11, 2023.
- Attended webinar on ‘India’s G20 Presidency: Goals and Prospects in Higher Education’ organized by Confianza-The Debate Club of the college on May 10, 2023.

Students Achievements

- Chhavi Porwal has been a recipient of ‘Italian Technical Award-2024’ for which carries a Silver Medal and a certificate, presented by All India Food Processors Association (AIFPA) at its 79th annual conference at Pragati Maidan, New Delhi held on March 11, 2024.
- Hari Kishor Kamma has been awarded with the PFND AI-Dabur India Ltd., Merit-cum-Means Scholarship Mentorship for the Undergraduate Students of Food Science & Nutrition by Protein Foods & Nutrition Development Association of India for the year 2023.

DEPARTMENT OF HUMAN COMMUNICATION***Faculty Achievements*****Dr. Madhulika Bajpai**

- Attended a International webinar on ‘Teaching Personality Psychology’ organized by American Psychological Association held on January 31, 2024.
- Participated in a professional workshop on ‘Premenstrual Syndrome and Premenstrual Dysphoric Disorder: Concepts, Assessments & Management’ organized by Centre for

Mental Health & Behavioral Sciences (CMBS), Department of Psychiatry, Clinical Psychology & Neurosciences, Udaipur and RH hospital, Alwar held on December 10, 2023.

- Completed a two-week refresher with grade “A” organized by HRDC, Utkal University, on Educational Psychology conducted in a blended mode between December 4-17, 2023.
- Participated in Parent Child Relationships and Parenting organized by CMBS, Department of Psychiatry, Clinical Psychology & Neurosciences, Udaipur and RH hospital, Alwar held on December 3, 2023.
- Invited speaker ‘कार्यस्थल पर महिलाओं का यौन उत्पीड़न: आंतरिक शिकायत समिति की भूमिका: एक दिवसीय कार्यशाला’ organized by Sahatra Seema Bal, Head Quarters, R.K. Puram, New Delhi on August 4, 2023.
- Participated in the webinar ‘Cultivating a Positive Body Image’ organized by National Positive Psychology Association held on July 29, 2023.
- Participated in the webinar ‘Supercharge: Bolster Your Teams’ Morale/Spirits’ organized by American Psychological Association held on July 27, 2023.
- Participated in a five-day workshop on ‘Wellness and Life skills’ organized by Department of Humanities and Social Sciences, National Institute of Technology, Hamirpur (H.P.) held between July 10-14, 2023.
- Participated in the webinar ‘Mindfulness in Day-to-Day Life’ organized by Spero Counselling and Wellbeing Center held on July 7, 2023.
- Completed a five-day Faculty Development Program on ‘Perspectives of Workplace Dynamics and Management Recent Trends and Advancements’ organized by the Amity Institute of Psychology and Allied Sciences, Amity University, Kolkata held between July 3-7, 2023.
- Participated in an online workshop on ‘Therapy Skills’ organized by Cognis Mindcare held on July 6, 2023.
- Participated in 14th International Conference in online mode on ‘Intuition, Imagination, Innovation’ in Suicidology Conference organized by Slovene Centre for Suicide Research on May 23-24, 2023 to June 1, 2023.
- Invited Speaker in International workshop on ‘Women Leadership Workshop’ organized by All India Institute of Local Self-Government (AIIILSG) and United Cities and Local Government Asia Pacific in New Delhi held on April 5, 2023.

DEPARTMENT OF INSTRUMENTATION

Activities by Department

- Conducted Parent Teacher Interaction Program on March 28, 2024. Dr. Jitender Kumar was the convener. Mr. Manoj Kumar, Ms Shweta Dua, Dr. Amandeep Kaur, Dr. Yagyadutta Goswami, Dr. Swati Sharma, Mr. Arun Kumar and Mr. Hariom Mauraya were faculty coordinators.
- Organized an 'Expert lecture on Digital Marketing' on February 12, 2024. Mr. Sachin, CEO Creative SEG, Alumni of Instrumentation Department 2022 batch was a resource person. Dr. Jitender Kumar was convener and Dr. Amandeep Kaur was coordinator.
- Organized a visit to 'DUCAT' in collaboration with the Department of Electronics Science on February 9, 2024. The conveners were Dr. Manoj Tiwari and Dr. Jitender Kumar. Dr. Swati Sharma was the faculty coordinator.
- Organized 'Visit to ST Microelectronics' on November 1, 2023. Dr. Jitender Kumar was convener and Mr. Manoj Kumar was coordinator.
- Organized a talk on 'What's Inside a Black Box and Quiz Competition' in collaboration with the Department of Electronics Science of the college on October 13, 2023. Mr. Manish Kumar, Technical leader (ST Microelectronics Pvt Ltd, Noida) was resource person. Dr. Jitender Kumar was convener and Mr. Manoj Kumar was coordinator.
- Sensor society of the department organized a Freshers Party to welcome first year students on October 11, 2023.
- Department staff and students took the Swachhta pledge on October 10, 2023. Dr. Jitender Kumar was convener and Mr. Manoj Kumar was coordinator.
- Organized a visit to the National Physics Laboratory on October 4, 2023.
- Organized 'Engineering Trivia' on the occasion of Engineer's Day on September 15, 2023. Dr. Jitender Kumar was convener and Dr. Swati Sharma and Dr. Amandeep Kaur were coordinators.

Faculty Achievements

Ms. Shweta Dua

- Participated in webinar on 'India's G20 Presidency: Goals and Prospects in Higher Education' organized by Confianza-The Debate club of the college on March 13, 2024.

Dr. Neeru Sharma

- Participated in an online workshop on 'Latex and R' organized by Atma Ram Sanatan Dharm College, University of Delhi, from October 20-22, 2023.
- Participated in online FDP on 'Differential Equations' organized by School of Advanced Sciences (SAS), Vellore Institute of Technology, Chennai from June 12-16, 2023.
- Participated in online one week FDP on 'E content Development' organized by TLC, Ramanujan College under the aegis of Ministry of Education (PMMMNMSTT) on April 19-25, 2023.
- Participated in an online one-week FDP on 'Academic Administration' organized by TLC, Ramanujan College under the aegis of Ministry of Education (PMMMNMSTT) on April 12-18, 2023.

DEPARTMENT OF MICROBIOLOGY***Activities by Department***

- Organized online 'Parent Teacher Meeting' on March 27, 2024. The coordinators were Dr. N Vijaya Kumar, Dr. Purnima Anand, Dr. Pawas Goswami, Dr. Ratyakshi, Dr. Neeru Bhagat, Dr. Catherine S Paul and Dr. Kamlesh Kant Nutan.
- Organized Shodh Vaarta: The Journal Club on the topic 'Optimization of Physical and Chemical Parameters for Pigment Production by *Penicillium* sp. for Development of Environmental Friendly Textile Dye' on March 6, 2024. The conveners were Dr. N Vijaya Kumar and Dr. Purnima Anand. The organizing team included Dr. Pawas Goswami, Dr. Ratyakshi, Dr. Neeru Bhagat, Dr. Catherine S. Paul and Dr. Kamlesh Kant Nutan. The

resource persons were Kumkum Kashyap (III year), Vanshika Yadav (III year), Anjasa Chetri (II year), Vidhi Chandra (II year), Udit Jain (II year).

- Organized an alumni interaction jointly with the alumni committee of our college on the topic titled 'Revolutionizing Healthcare: The Role of Nanotechnology in Sensor Development' by Archana, alumnus (batch 2016-19), as a resource person on March 4, 2024. The conveners were Dr. Purnima Anand and Dr. Ragini Jindal.
- Organized 'Mushroom Awareness program' on National Science Day on February 28, 2024. The conveners were Dr. Purnima Anand and Dr. Catherine S. Paul. The organizing member was Dr. Pawas Goswami.
- Organized several intercollege activities under MicroQuest 24. These include competitions such as streak art, painting, debate, meme, doodle, quiz, microcastle, escape room and scientific idea presentation from February 21-26, 2024. The conveners were Dr. N. Vijaya Kumar and Dr. Purnima Anand. The faculty coordinators were Dr. Pawas Goswami, Dr. Ratyakshi, Dr. Neeru Bhagat, Dr. Catherine S. Paul and Dr. Kamlesh Kant Nutan.
- Organized an expert talk on the topic 'Comparative Analysis of Oral microbiota in Betel Quid Chewers and Non-chewers and its link to Oral Cancers: Prospecting Microbial Consortium for Therapeutic Effect' by Prof. Purna Diwan, Department of Microbiology, Ram Lal Anand college on February 26, 2024. The conveners were Dr. N. Vijaya Kumar and Dr. Purnima Anand. The organizing member was Dr. Pawas Goswami.
- Organized a pamphlet-making competition in collaboration with DNAmics Society on Cancer Awareness on February 19, 2024. The conveners were Dr. Catherine S Paul and Dr. Neha Singh. The coordinators were Dr. Purnima Anand and Dr. Shivani G Varmani.
- Organized a cancer awareness program in collaboration with the DNAmics Society, of the college at Manipal Hospital on the occasion of World Cancer Day on February 6, 2024. The conveners were coordinators of Sukshmjeev Society Dr. Purnima Anand and DNAmics Society Dr. Shivani G Varmani.
- Twenty-two students of the department visited AIIMS to attend a talk on topic 'How We Sense Pain' by Nobel Laureate David Julius as part of TNQ distinguished lectures in the life sciences on January 19, 2024.
- Conducted an orientation program for second year and first year on January 11, 2024 and January 10, 2024 respectively. The convener was Dr. N Vijaya Kumar, and organizing team included Dr. Purnima Anand, Dr. Pawas Goswami, Dr. Ratyakshi, Dr. Neeru Bhagat, and Dr. Catherine S Paul.
- Organized a workshop on 'File Transfer Protocols' by Dr. Bhavya Deep, Associate Professor, Department of Computer Science of our college on November 30, 2023. The conveners were Dr. N Vijaya Kumar and Dr. Purnima Anand.
- Organized virtual visit to see different parts of the fermenter in Yakult on November 16, 2023. The conveners were Dr. N Vijaya Kumar and Dr. Purnima Anand.

-
- Organized Shodh Vaarta-The Journal Club - ‘Unleashing the Potential of Novel Biofilm Producing *Bacillus* Isolate and Enhancing Student Research Outcomes: A Pedagogical Journey’ on November 9, 2023. The resource persons were Dr. Ruchi Gulati Marwah, Principal investigator (biofilm project) and Associate Professor of our department. The convener was Dr. Purnima Anand. The organizing team included Dr. N Vijaya Kumar, Dr. Pawas Goswami, Dr. Ratyakshi, Dr. Neeru Bhagat and Dr. Catherine S Paul.
 - Organized a ‘Pamphlet-making Competition and Awareness program on Global Handwashing Day’ on October 22, 2023.
 - Organized workshop on ‘Role of Intestinal Microbiota and Probiotics in Health and Disease’ on October 20, 2023. The resource person was Dr. Neerja Hajela, Head-Science and Regulatory Affairs, Yakult Danone India Pvt. Ltd. The conveners were Dr. Purnima Anand and Dr. N Vijaya Kumar.
