## FROM THE DESK OF DEAN OF COLLEGES

***Education need not only be tool for survival but for enhancing perception and changing your perspective towards life. Children must blossom and flower into great human beings.***

This famous quote clearly describes the mission of Bhaskaracharya College of Applied Sciences which envision establishing itself as a center of excellence in academics and research.

Dear Colleagues

Bhaskaracharya College of Applied Sciences, a constituent college of University of Delhi, offers eleven undergraduate courses in Science/ Applied Sciences with an objective to develop global organizational leaders to be transformed into innovative thinkers and researchers, seeking opportunities in academics or industry. These undergraduate courses are academically rigorous and are further supported by six allied Departments, which form the backbone of the courses. The college was established in the year 1995 and moved to its new campus which is located in Dwarka, New Delhi. The college has lush green, Wi-Fi enabled campus with adequate infrastructure.

Academic pursuits of the students are fully supported by a modern, well stocked library and state of the art laboratories. Besides the curriculum, the students are imparted skills through several training programs, workshops and seminars in collaboration with academic and research institutes. With a view of inculcating leadership skills, students are encouraged to participate in various club activities. The college provides a strong platform for extra-curricular activities and many of our students have brought laurels to the college. These platforms and opportunities have enormously helped our alumni to carve a niche for themselves in unorthodox careers besides contributing in the development of their personality. During the last few years, emphasis is also laid on research activities. The College has received grants from UGC, DST, DU, DHE and MOFPI that has helped these research initiatives.

The faculty is highly experienced and aims at grooming the students to be technologically superior, academically competent and ethically strong. Inside the classrooms, students are trained to think critically and creatively to solve global problems, become lifelong learners and contributors to the society. The meticulous training provided by the faculty has helped students to excel in their degree programs and to undertake higher studies in their respective fields. We are proud to state that our alumni are not only pursuing higher education in best of the institutions across the country but are equally successful in their careers.

I further wish them all a fascinating journey after graduating from BCAS. I firmly believe that any organization would be highly benefitted by the hard work and commitment of our students.

**Prof. Balaram Pani**

Dean of Colleges  
University of Delhi

(Prof. Pani was associated with this college as principal till last year (2021). Now he has taken the responsibility of the Dean of Colleges of the prestigious university of Delhi. It was under his able guidance and leadership many new honors courses such as BSc. Honors Botany, Zoology and Chemistry were introduced in this college. He was also instrumental in facilitating promotions of the teachers which were due for a long time.)

## PRINCIPAL'S REPORT

### 25<sup>th</sup> Annual Report

Dear Colleagues

“न हि ज्ञानेन सदशम् पवित्रम् इह विध्यते”  
**भावार्थ :** ज्ञान के समान पवित्र करने वाला निसंदेह कुछ भी नहीं है।

We, the Bhaskaracharya family are extremely elated and welcome back our students after a two year hiatus due to Corona, with an overwhelming enthusiasm. A lot of important events have happened in the last year which has seen our college grow in stature and size. I feel very delighted to present the highlights of the year-long activities of the college for the academic year 2021-22.

The foundation of our college was laid in October 1995 and was named after the great mathematician Bhaskaracharya of 12th Century. Presently our college offers 11 science honors courses in Biomedical Science, Computer Science, Electronics, Instrumentation, Food Technology, Polymer Science, Physics, Microbiology, Botany, Chemistry and Zoology. The college has a student strength of more than 1000 students.

The college obtained **National Institutional Ranking Framework (NIRF) Rank#32** in the College category and is at position 16 out of the 28 DU colleges in top 100 colleges all across India. The college had applied for the **India Today ranking and obtained 60th rank** under the category of Best Science Colleges.

College signed various **Memorandum of Understanding** (MoU) with different organisations/Institutes such as Shiksha Sanskriti Uthan Nyas, for Vedic maths for 2 years; National Institute for Immunology, DBT for Science Setu programme for 3 years to name a few. The college also conducted various short-term courses for the developing skills among the students. They were designed and compiled keeping in view the interests of the stake holders. Some of the short-term courses conducted were Immunological Techniques and their Applications, Innovative Packaging and Sustainability, Fitness Management, Environment friendly teaching learning practices.

The college launched two indigenously built applications **BRAHMA** (BCAS Resource Automation, Handling and Management Application) and **BEAMS** (BCAS Event Automation & Management System). BRAHMA and BEAMS are Web Applications powered by Google. BRAHMA enables the college to manage various information resources generated in college such as Student Data, Attendance, Internal Assessment, Time Table, Students Feedback, Budget, etc.

Ours is the **first college** of the University to have entered into a **partnership with Government College, Bomdila, West Kameng District, Arunachal Pradesh** under the Vidya Vistar Scheme. The college is also collaborating with Indira Gandhi Government College Tezu in Lohit District, Arunachal Pradesh under this scheme.

**Volleyball court** in the college campus was inaugurated by Prof. Balaram Pani, Dean of Colleges, University of Delhi and Ms. Bhawna Gaur, MLA Dwarka on December 24, 2021

The hard work of all the stake holders which made it possible needs no words as it speaks for itself. Together we have achieved and promise to uphold the standards reached till now and go much higher from here. As you all are aware our college has received “Star status” under Star college scheme of DBT. This is all due to continuous dedication and wholehearted contribution of our faculty that we continue to uphold Star status. The IQAC in our college is working continuously towards developing a system for conscious, consistent and catalytic action in order to improve the academic, administrative as well as overall performance of the institution.

Various Research Projects are being conducted in the College with an objective to encourage trans-disciplinary research and inculcate research aptitude, skills and synergy among students and faculty. In these research projects, students and faculty of the college are actively involved. The focus is to nurture talent of young minds by stimulating them to pursue excellence and teach them to think creatively. The projects going on are funded by DBT and DST. The faculty have their work presented in national and international journals and conferences and have been listed. We are proud of our achievements.

**Dr. Uma Chaudhary** has been awarded **Best Teacher Award** by Directorate of Higher Education, Govt. of NCT, Delhi, for year 2020-21. **Dr. Uma Dhawan**, Associate Professor, Department of Biomedical Science received the prestigious **INSA teacher's award**.

Our students are getting very good placements. The academic achievements of our students are also praiseworthy. This year, Deepika Wanganoo Memorial Award instituted in the fond memory of Deepika Wanganoo, a former student of Department of Electronics is conferred to **Aditya Kumar Singh (B.Sc. (H) Electronics)**. And **Sanchi (B.Sc. (H) Physics)** has bagged the Saurabh Grover Memorial Award, initiated by parents of Saurabh Grover, a former student of our college from Department of Physics. Our bright students Ms. Ishani Sharma of B.Sc. (Hons.) Microbiology and Smriti Anand of B.Sc. Hons Polymer Science holds **first position in the University**.

Libraries are important cornerstones of any organization. Our library has a collection of 27068 volumes of books including reference books, 336 bound volumes of journals and 1231 CDs/DVDs. I'm pleased to inform you all that our Library now uses latest RFID Technology. It also uses latest version of cloud based opensource software KOHA providing its patrons the facility of web-OPAC

(web based Online Public Access Catalogue). As a future plan, we are heading towards having our own Institutional Repository (IR) on the D Space platform.

The college has a magazine, Resonance which gives students and staff an opportunity to express their literary talent. College E-newsletter 'Bhaskarjyoti' also keeps everyone updated on the latest happenings in our college.

Each academic year lays down the foundation for new ideas and insights into the scope for improvement in the future. I am extremely glad that our teachers, non-teaching staff and students are striving hard to take the college to new heights. I take this opportunity to thank the Governing Body of our college for their valuable guidance, suggestions, and support from time to time. I also thank Teacher-in-Charges of all the departments, Convenors and coordinators of different clubs, Society and Committees and also the non-teaching staff of our college for their cooperation and support in the progress and management of the College.

I conclude with this quote by भगवद्गीता chapter 4.39 for my dear students:

"ज्ञानम् लब्ध्वा पराम् शान्तिम् अचिरेण अधिगच्छति ।"

**Meaning:** Acquiring knowledge with full devotion is a must.

# **DBT STAR COLLEGE SCHEME**

*A Decade of Star College Scheme of DBT and going strong*

Prof. Balaram Pani (Principal), Chairman, Star College Scheme (till December 16, 2021)

Prof. Avneesh Mittal, Chairman, Star College Scheme (from December 17, 2021 onwards)

## **DBT Star College Scheme-I**

Dr. Anita Sondhi (Coordinator)

Prof. Uma Chaudhry (Co-Coordinator)

### **Department Coordinators**

Dr. Anita Sondhi, Coordinator, Biochemistry

Prof. Uma Chaudhry, Coordinator, Biomedical Science

Dr. Pawas Goswami, Coordinator, Microbiology

Dr. Meenakshi Garg, Coordinator, Food-Technology

Bhaskaracharya College of Applied Science has been a recipient of Funds under the Star college scheme of the Department of Biotechnology since 2010 and takes immense pride in being a recipient of the Star college status from DBT. The college expresses its heartfelt gratitude to the Department of Biotechnology, Government of India for guiding us all along in this very long learning association with them.

As has been the case for more than a decade of association with DBT, under the ongoing Star College Scheme of the Department of Biotechnology, several activities are planned and executed by the participating departments. As the foremost aim of the scheme is to strengthen science education and research at the undergraduate level, activities are conducted both at the respective department levels and college at large keeping this very objective in mind. Many activities are conducted under the aegis of the DBT Star College scheme. These activities enhance interest in science which include invited talks of eminent scientists from Academia and Industry, Seminars, Hands-on training, and workshops.

One of the mandates of the scheme is also to encourage collaboration between various departments and foster frequent and meaningful interactions between the faculty and the students. The students, under this scheme, are also given experiential learning through visits to various industries, institutes and research laboratories. These visits help them understand the applications of science in other institutes and also familiarize them with various career options available in their chosen scientific fields.

## **DBT Star College Scheme-II**

Prof. N.S. Abbas (Coordinator)

### **Department Coordinators**

Mr. Bhavya Deep, Coordinator, Department of Computer Science

Dr. Inderbir Kaur, Coordinator, Department of Electronics (till May 2021)

Dr. Jitender Kumar, Coordinator, Department of Electronics (from December 18, 2021 onwards)

Dr. Manoj K. Tiwari, Coordinator, Department of Instrumentation (from December 18, 2021 onwards)

Prof. Anand Bharadvaja, Coordinator, Department of Physics.

Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, New Delhi has sanctioned financial support for three years w.e.f. 2019 under the Star College Scheme for four additional departments. The participating departments viz, Physics, Computer Science, Electronics and Instrumentation have been included in the ongoing Star support to strengthen life sciences education training at the undergraduate level. To meet the defined objectives under the sanctioned scheme, the college has planned to organize a diverse array of academic and scientific activities including workshops, outreach programs, extension lectures, industrial visits and training, a facility for providing free books to meritorious students, specialized training programmes for faculty improvement for optimizing their technical capabilities, standard curricula, standard operating procedures (SOP) for practical and summer schools, etc. Concerned departments have taken action in strengthening the laboratory infrastructure involving modern equipment and consumables for undergraduate students to upgrade their careers in Science Stream.

The participating departments have organized various activities like interactive sessions, outreach programs, alumni meetings, webinars, and workshops at intra and inter-college levels with the support of this scheme. These activities have been highlighted under the respective departmental activities. Such mentioned activities carried out by the above departments are a testimony to fulfilling the aim and goal of the DBT Star College Scheme.

To list a few activities conducted under Star Scheme -I and II:

- Inter College Hands-on Training Workshop on PFMS Module on January 11, 2022, an event attended and appreciated by the faculty and staff of the Star participating colleges from all over the country. Ms. Ritu Sareen and Mr. Rajeev from the college Administration were the resource persons for this National level Workshop.
- Bhaskaracharya College of Applied Sciences was selected by the Department of Biotechnology, Government of India for organizing 'One Day Interaction Programme/ Science Adda' on December 17, 2021, for school students to showcase Science, Technology, and Innovation under the aegis of Azadi ka Amrit Mahotsav. The interaction was in hybrid mode (online and offline) and included lectures and demonstrations of experiments by science faculties of the participating departments of the college. The interaction with over a hundred school students was designed to impart new insights into various fields.

## **Vidya Vistar Scheme**

**(Coordinators: Dr. Vandana Batra, Dr. Amit Kumar, Dr. Parth S Pal, Ms. Ritu Sareen)**

Vidya Vistar (V2) Scheme, **an initiative introduced by University of Delhi in 2021**, for developing academic corporation between college of University of Delhi with those Universities/Colleges/Institutes situated in remote areas of India with an aim to share academic resources, joint research publications exposure and interaction of students and teachers with each other.

The **inauguration** of our college- V2 scheme was formally inaugurated by The Honourable Vice Chancellor, University of Delhi on August 14, 2021 where the college collaborated with Indira Gandhi Government College (IGGC) Tezu, and Government College (GC) Bomdila, of Arunachal Pradesh State. A virtual Tour of the Department of Chemistry, Botany, Physics, Zoology and Mathematics was organized by the college in between September 14-20 ,2021, in which faculty members of IGGC, Tezu and the college participated. Our faculty showcased the laboratory equipment, performed experiments and discussed availability of study materials and chemicals as well as setting up of respective Laboratory.

V2 scheme committee members took the initiative to facilitate Delhi University Library system (DULS) facility to all the students and faculty of Tezu n Bomdila colleges, in December 2021 so that access of all the journals, books and other study material of DULS are available to them.

- V2 Scheme organized a talk on “Health sector: Engine of Economic Growth ” on January 6, 2022 where resource persons Divya Aggarwal and Dr. Sumesh talked about job opportunities and higher education for undergraduate students, in the health sector.
- V2 scheme in association with National Education Policy (NEP) task force committee has organized an online webinar on the theme “रा ष्टी य शि क्षा नी ति और भा रती य ज्ञा न परम्परा” on January 29, 2022 successfully. Resource person Prof. Hare Ram Tripathi (VC, Sampuranand Sanskrit Vishwavidyalaya, Varanasi) emphasized how the different policy points of NEP 2020 can be achieved by considering ancient Indian wisdom in sight.
- V2 scheme in association with Career Counselling Cell of the college organized an online career assessment Test from February 28,2022 to March 5, 2022 where students of all three colleges are able to assess their ability for job prospective.

## Workshop and Seminar Organized by the College

- Organised a 5-day National Workshop on 'Rapid Detection of Food Adulterants' in hybrid mode that was **sponsored by the Indian Council of Social Science Research**, New Delhi. The technical support for live streaming the workshop online was provided by e-food tech pathshala.com. The main purpose of the workshop was to create awareness amongst the consumers about simple methods of identifying common food adulterants. It was held from Feb 21, 2022 to Feb 25, 2022. Dr. Eram S. Rao was the convener and Dr. Manjeet Singh Barwa was the co-convener. Dr. Purnima Anand, Dr. Roshan Lal, Dr. Sakshi Khurana, Dr. Anil Barak, Dr. Manisha Thakur and Dr. Swati Gupta were the members in the organising team for this event.
- Organised a 2-Day National Seminar on "Women Empowerment: Challenges Need and Issues" held from March 7-8, 2022, **sponsored by the Indian Council of Social Science Research**. The seminar emphasized that building theoretical frameworks alone cannot fulfil the objective of women empowerment. There is a need to build women's capacity through training and non-formal education so that they are able to access and exterminate the root cause of both social and financial inequality in local communities. This would facilitate them to achieve self-reliance and sustainability. On Day one Dr. Ranjana Aggarwal, Director CSIR NISTAIDS, New Delhi and Ms. Arti Jaiman, Director Gurgaon ki awaaz, Samudayik radio station were the resource persons. On the second day, Dr. Pritam Sangwan (Joint Director and Scientist 'E' CFEES, DRDO, Delhi), Ms. Bhawna Gupta (Advocate, Punjab & Haryana High Court), Dr. Sunita Sehrawat (Assistant Professor, G.D Goenka University) were the resource persons. Dr. Vandana Batra was the convener and Dr. Manjeet Singh was the co-convener of this event. Dr. Eram S. Rao, Dr. Neha Singh, Dr. Shubhra Barwa, Dr. Shikha and Dr. Anjali were part of the organising team.

## **Project: Nadi ko Janno**

**(Convenor: Dr. Shivani Vermani)**

The ‘Nadi ko Janno’ committee of the college, organized workshops for the faculty and students in association with Bhartiya Shikshan Mandal, Delhi Prant during the year with the aim to know your rivers, a campaign for crowdsourcing data about rivers. About 500 participants including teachers, students and non-teaching staff actively participated in the workshops. Prof. Balaram Pani, Dean of Colleges, University of Delhi, promoted the campaign and highlighted the importance of Indian rivers and their associated culture.

- Organised a workshop on ‘Know Your Rivers’ in association with Bhartiya Shikshan Mandal on February 05, 2022. The workshop aimed at providing the primer to all the registered students of the college about the campaign, the importance of rivers, and how to upload the data for the river in the Nadi ko Janno portal. The students were able to understand how to upload the data on the ‘Nadi Ko Janno’ portal. The website, blogs and YouTube channel have been created on Nadi ko jano for submitting the views, suggestions etc. Dr. Satyam Dwivedi, of the college delivered a lecture on rivers and explained the basic information about Indian rivers, history, and their importance. He showcased a live demonstration about the data we need to collect and how to upload the data in the designated Nadi ko jano portal. The second speaker of the workshop Dr. Amarjeet Singh, a member of Nadi ko jano, Delhi Prant explained about the information we need to collect and upload in the portal? And explained how to activate the account and fill the data in the portal.
- Organised a workshop on ‘Know Your Rivers’ in association with Bhartiya Shikshan Mandal on January 8, 2022. The major objective of this workshop was to know the facts about the rivers in the neighbourhood and a campaign for crowdsourcing data about rivers. Dr. Babita Singh, Bhartiya Shikshan Mandal; Mr. Aakash Upadhyay were resource persons.

- Participated in National Webinar on ‘Organ Donation: Significance and Pledge’ organized by Department of Chemistry of the college on August 13, 2021.
- Attended National webinar on ‘My Life with Rocket Science’ organized by Extra Curricular Activities committee of the college on July 8, 2021.
- Attended a webinar on ‘Psycho-Social Skills of a Good Helper: Tackling the COVID Pandemic’ organized by NAAC committee of the college in association with Mahatma Gandhi National Council for Rural Education, Ministry of Education on June 30, 2021.
- Attended an National webinar on ‘Ecological Entrepreneurship for Personal Excellence, Social Equity and Global Sustainability’ on the occasion of World Environment day celebration organized by Department of Chemistry of the college on June 5, 2021.
- Participated in webinar on ‘संस्कृति से विज्ञान तक’ organized by the Bhaskaracharya Cell of the college on April 22, 2021.

## DEPARTMENT OF COMPUTER SCIENCE

### Departmental Activities

- Organized one day National Workshop on ‘Research Methodology’ jointly with IQAC and Research & Project Assessment Committee of the college held on March 24, 2022 in blended mode. Prof. V.B.Singh and Dr. Gajendra Pratap Singh from Jawahar lal Nehru University were the resource persons for the event and Prof. Sangeeta Srivastava, Prof. N.S. Abbas, Dr. Rizwana, Dr. Madhulika Bajpai were Convenors Mr. Bhavya Deep, Dr. Jayant Sharma, Dr. Sampat Singh Chauhan, Dr Gurumayum Suraj Sharma were the

Coordinator and Dr.. Krishna Veer Singh, and Dr. Vineeta Goswami were the Co- Coordinators.

- Organized a Workshop on ‘ICT Skills for Lab Staff – Poster and Certificate Designing using Canva’ jointly with Modern and Fine Arts Club. The two-hour workshop was held on March 3, 2022. Mr. Bhavya Deep and Dr. Amandeep Kaur were the Convenor.
- Organized a webinar organized on ‘Software Testing Techniques’ on January 31 2022, resource person for the event Mr. Pankaj Pawer. Prof. Sangeeta Srivastava was Convenor and Dr. Jayant Sharma was Coordinator.
- Organized a Short-Term Course on ‘Website Development Techniques’ from October 22, 2021 to December 5, 2021 in online mode Mr. Sushil Kumar, from TECHGEN was the resource person for the event. Prof. Sangeeta Srivastava was the Convenor and Dr. Jayant Sharma was the Coordinator.
- Organized one-hour international webinar on ‘Career Opportunities in Financial Engineering’ under the DBT Star College Scheme II and IQAC of the college. The webinar was held on September 30, 2021 as a joint collaboration of Career Counseling Cell. Resource person – Ms Fiona Taft, Senior Associate Director and her team, HaaS School of Business, University of California, Berkeley, USA. Mr. Bhavya Deep and Dr. Uma Dhawan were the Convenors.
- Organized a webinar on ‘Full Stack Development Program’ on July 27, 2021 in collaboration with Aapke Solutions resource person for the event was Mr. Sushil Kumar. Prof. Sangeeta Srivastava and Ms. Manu Kataria were the Convenors, Dr. Jayant Sharma and Dr. Asha were the coordinators.
- Organized a webinar on ‘Machine Learning using Python’ on June 18, 2021 resource person for the event are Dr. Arpita Nagpal and Dr. Sujata. Prof. Sangeeta Srivastava and Ms. Manu Kataria were the Convenors, Dr. Jayant Sharma and Dr. Asha were the coordinators.
- Organized a webinar on ‘Hands on Android’ on April 5, 2021 resource person for the event is Dr. Kunal Kumar Ranga form Maharishi Dayanand University, Rohtak. Prof. Sangeeta Srivastava and Ms. Manu Kataria were the Convenors, Dr. Jayant Sharma and Dr. Asha were the coordinators.
- Organized annual techno cultural festival ‘Interface’ on March 31, 2021. Mr. Bhavya Deep was the Convenor and Ms. Vineeta Goswami was the Co-Convenor.
- Organized two-hour workshop on ‘Applications of Machine Learning in Various Domains’ in association with Department of Computer Science, Department of Food Technology and Department of Botany under DBT star college scheme II and IQAC of the college on March 19, 2021. Mr. Akshay Moghe, Automation expert from S&P Global was the resource person. Mr. Bhavya Deep was the Convenor and Dr. Eram S Rao and Dr. N. S. Abbas were the coordinators.
- Organized a webinar on ‘Ensemble Learning Techniques and Their Implementation’ on March 15, 2021, resource person for the event is Prof. Surbhi Gupta Prof. Sangeeta

Srivastava and Ms. Manu Kataria were the Convenors, Dr. Jayant Sharma and Dr. Asha were the coordinators.

## **DEPARTMENT OF ELECTRONICS**

#### **Departmental Activities**

- Organized a webinar on ‘Opportunities and Challenges in Renewable Energy and Green Technology’ on February 25, 2022. Dr. Shiv Kumar Dixit was the resource person. Dr. Inderbir Kaur was the convener and Dr. Jitender Kumar and Ms. Aarti Malyan were the coordinators of the webinar.
- Organized a series of two sessions on ‘How to prepare for M.Sc. Electronics/ IT Entrance’ on February 5 and 12, 2022. Mr. Govind Tripathi and Ms. Sakshi Jangid were the resource persons for the session-I. Mr. Neeraj Kumar Yadav and Mr. Himanshu Kumar Gupta were the resource persons for the session-II. Dr. Inderbir Kaur was the convener and Prof. Geeta Mongia and Ms. Aarti Malyan were the coordinators of the webinar.

- Organized an Alumni Interaction Session on November 12, 2021. Dr. Devinder Madhwal was the resource person. Dr. Inderbir Kaur was the convener and Dr. Jitender Kumar and Ms. Aarti Malyan were the coordinators of the session.
- Organized a webinar on ‘Recent Trends in Organic Electronics and Displays’ on September 17, 2021. Prof. P.K. Bhatnagar was the resource person. Dr. Inderbir Kaur was the convener and Dr. Jitender Kumar and Ms. Aarti Malyan were the coordinators of the webinar.
- Organized an inter departmental program on ‘Electronic-Waste Awareness Program’ jointly with the Department of Instrumentation of the college on August 20-29, 2021. Dr. Avneesh Mittal was the convener and Dr. Amit Kumar, Dr. Amandeep Kaur and Dr. Anil Kumar were the coordinators of this program.
- Organized a two-days workshop on ‘Basic of Biosensor and its Techniques’ jointly with the Department of Microbiology and Biochemistry of the college on March 17-18, 2021. Prof. Geeta Mongia, Dr. Inderbir Kaur, Dr. Purnima Anand, Dr. Pawas Goswami, Dr. Anita Sondhi were the coordinators of this workshop. Prof. Geeta Mongia, Dr. Inderbir Kaur, Dr. Jitender Kumar, Mr. Shani Kumar, Ms. Aarti Malyan, Dr. Purnima Anand, Dr. Pawas Goswami, Dr. Anita Sondhi, Dr. Ratyakshi, Dr. Neeru Bhagat and Dr. Gunjan were the resource persons.
- Organized a virtual workshop on ‘Optimization of Feedback Control System using PID Controller’ jointly with the Department of Instrumentation in association with Romtek on July 13, 2021.

### **Dr. Manoj Kumar Tiwari**

- Participated online in the 'National Science Day' program organized by Inter-University Accelerator Centre, New Delhi on 28th February, 2022.
- Attended a webinar on 'Artificial Intelligence (AI) and Mass' jointly organized by IEEE and Bharti Vidyapeeth held on January 29, 2022. IEEE abd Bharti Vidyapeeth
- Attended a workshop on 'Government e-Marketplace (GeM)' organized by Website and Internet committee of the college from January 27-28, 2022.
- Attended a national webinar on 'National Pension Scheme' organized by Literary Club, Bhaskaracharya College of Applied Sciences held on January 21, 2022.
- Attended workshop based on 'Login feature of College website' organized by Website and Internet Committee, Bhaskaracharya College of Applied Sciences held from October 25-26, 2021.
- Attended a workshop on 'Decoding Beams' organized by Digitization & Automation Committee; Bhaskaracharya College of Applied Sciences held on September 1, 2021.
- Attended a workshop on 'Decoding Brahma' organized by Digitization & Automation Committee, Bhaskaracharya College of Applied Sciences held on August 24, 2021.

### **Ms. Shweta Gupta**

- Completed International symposium on 'History and Future of Transistors' jointly organized by the National Academy of Sciences India-Delhi Chapter, Deendayal Upadhyaya College, IEEE Electron Devices Society held from December 23-30, 2021.
- Attended webinar on '5G-Be ready for the Future' organized by IEEE Electron Society Delhi Chapter-India & Maharaja Agrasen College, University of Delhi held on December 4, 2021.
- Attended a webinar on 'CMOS Scaling:Negative Capacitance and Challenges Ahead' organized by IEEE Electron Society Delhi Chapter-India & Maharaja Agrasen College, University of Delhi held on December 3, 2021.
- Attended a webinar on 'UTMOST IV:Device Characterization and SPICE Modeling' organized by Cognitive Design Technology Pvt Ltd, Bangalore in association with Silvaco held on December 3, 2021.

- Attended a webinar on 'Design and Applications of the Metal-Mountable UHF RFID Tag Antennas' jointly organized by IEEE Antenna and Propagation Society & Council on RFID Delhi Chapter and Department of Electronic Science, University of Delhi held on November 25, 2021.
- Attended a webinar on 'Power your Research with Scopus' organized by the Research Academy on Campus held on November 23, 2021.
- Attended a workshop on 'Assessing Online DU Library Resources & Aspects of Similarity Index' organized by the Library Committee of the college held on October 5, 2021.
- Attended two days Lecture Series on 'Fundamentals and applications of Technology Driven Sensors' organized by IEEE-Electron Devices Society Delhi Chapter-India held on September 24-25, 2021.
- Attended a workshop on 'Decoding Beams' organized by Digitization & Automation Committee of the college held on September 1, 2021.
- Attended a workshop on 'Decoding Brahma' organized by Digitization & Automation Committee of the college held on August 24, 2021.
- Attended a webinar on 'Semiconductor Device Modeling using Silvaco TCAD' organized by Cognitive Design Technology Pvt. Ltd, Bangalore, India held on May 7, 2021.
- Attended a short-term course in 'Computational Techniques and Research Methodology' organized by UGC-HRDC Jawaharlal Nehru University held from March 1-6, 2021.
- Attended a webinar on 'Satellites-a Conquest of Outer Space' under Atmanirbhar Bharat Abhiyan Webinar Series organized by DeenDayal Upadhyay College, University of Delhi held on March 1, 2021.

### **Dr. Jitender Kumar**

- Attended a webinar on 'Recent Trends in Organic Electronics and Displays' organized by Department of Electronics held on September 17, 2021.
- Attended a workshop on 'Decoding Beams' organized by Digitization & Automation Committee; Bhaskaracharya College of Applied Sciences held on September 1, 2021.
- Attended a webinar on 'National Education Policy 2021: Opportunities and Challenges in Implementation' organized by the NEP committee and the Internal Quality Assurance Cell (IQAC), Janki Devi Memorial College in collaboration with Shiksha Sanskriti Utthan Nyas (SSUN) held on August 28, 2021.
- Attended a workshop on 'Decoding Brahma' organized by Digitization & Automation Committee, Bhaskaracharya College of Applied Sciences held on August 25, 2021.

- Completed faculty development program on ‘Multimedia Tools for Teaching and Learning’ organized by Teaching Learning Centre, Ramanujan College, University of Delhi in collaboration with Sree Narayana College, Nattika, Kerala held from July 22-28, 2021.
- Attended and contributed as coordinator in the Intercollege Virtual Workshop on ‘Optimization of Feedback Control System using PID Controller’ organized by the Department of Instrumentation and Department of Electronics in association with the Romtek held on 13 July 2021
- Attended a webinar on ‘My Life with Rocket Science’ organized by Extracurricular Committee of the college on July 8, 2021.
- Attended a workshop on ‘Psycho-Social Skills of a Good Helper: Tackling the COVID Pandemic’ organized by NAAC Committee of the college in association with Mahatma Gandhi National Council of Rural Education, Ministry of Education, Govt. of India held on June 30, 2021.
- Completed Refresher Course on ‘Interdisciplinary Refresher Course on Curriculum and Pedagogy’ organized by Teaching Learning Center, Tezpur University held from June 7-21, 2021.
- Completed FDP on ‘Artificial Intelligence’ organized by Department of Electronics, Sri Aurobindo College, University of Delhi held from April 2-6, 2021.
- Attended a webinar series on ‘Trans-disciplinary Areas of Research and Teaching by Shanti Swarup Bhatnagar (SSB) Awardee’ jointly organized by Science Foundation and MoE-IIC-DDUC, Deen Dayal Upadhyaya College, University of Delhi held from March 8-26, 2021

#### **Dr. Amit Kumar**

- Participated in an Online three-day National Workshop on ‘Design and Implementation of Solar Rooftop Systems’ organized by Parul Institute of Engineering and Technology, Vadodra held on March 10-12, 2022.
- **Kumar A.**, SciLAB console as a tool to explain Lissajous figures, Bulletin of IAPT (Journal of Education in Physics and related Areas), **14(3)**, 86-89, (2022).
- Presented paper on ‘Characterizing co-axial CNT-FET by varying gate dielectric’ in one day International E-Conference on ‘Advances in Material Science, Bio-Science and Information Technology (ICAMSBSIT-2022)’ organized by Faculty of Science in association with Internal Quality Assurance Cell held on February 26, 2022.
- Presented e-poster entitled ‘Search for natural carbon nanotubes in GUJCOST-DST’ Sponsored Two Days Virtual National Conference on Advances and Innovations in Natural Product Research organized by B. Pharmacy College, Rampura held on February 18-19, 2022.

- **Kumar A.**, Proposed evaluation scheme for university's Physics & related courses, *Bulletin of IAPT (Journal of Education in Physics and related Areas)*, **14(2)**, 47-51, (2022).
- Completed 'FDP on Deep Learning and its Applications' organized by the Department of Information Technology VelTech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology held from January 17-22, 2022.
- **Kumar A.**, J Adv Sci Res, 2021; ICITNAS: 223-229, Study Of Electro-Optic Interactions for Silver Nanoparticles.
- Attended Five-day virtual lecture series 'ANVESHAN' on the occasion of 'National Mathematics Day' organized by the Department of Mathematics, SRMS College of Engineering & Technology, Bareilly held from December 20-24, 2021.
- Completed online ATAL FDP on 'Quantum Computing' from ATAL Academy, Amity Institute of Information Technology, Amity University Uttar Pradesh, Lucknow Campus held on December 13-17, 2021.
- Attended an online workshop 'Application of Solar Power in Irrigation' Organized by Department of Physics, Vinayakrao Patil Mahavidyalaya, Vaijapur, Dist. Aurangabad, Under UGC Scheme, STRIDE Component – I (Research Capacity Building) held from December 10-11, 2021.
- Attended online International Conference on 'Sustainable & Futuristic Materials (SFM-2021)' organized by International Research Centre and Department of Chemistry, Kalasalingam Academy of research and education, Krishnankoil, Department of Chemistry, J. M. Patel Arts, Commerce and Sciences College, Bhandara& Department of Chemistry, Kamala Nehru Mavidyalaya, Nagpur held on November 29-30, 2021.
- Presented paper on 'Analysis of current trends in higher education for SUN universities' in International Conference on The Roles of Intellectuals for Enhancing Cultural Diversity along the Silk Roads, organized by International Association for Silk Road Studies (IASS) of SUN, National University of Mongolia held on November 24-25, 2021.
- Presented paper on 'Analysing ZnS quantum dots suitability for optical applications' at Second International Web Conference on Advanced Material Science & Nanotechnology (2nd NANOMAT-2021) organized by Department of Physics, Vinayak Vidnyan Mahavidyalaya, NandgaonKhandeshwar, Dist. Amravati, Maharashtra held on November 23-25, 2021.
- Attended an Online International Conference on 'Media Education & National Education Policy-2020, a trans-disciplinary Global Perspective' Organised by Department of Mass Communication, Rajiv Gandhi (Central) University, Doimukh, Arunachal Pradesh on November 15-16, 2021.
- Completed an online International FDP on emerging trends in Nanotechnology from Department of Basic Sciences, Vishnu Institute of Technology, Bhimavaram, AP in association with Physical Research Laboratory on November 9-13, 2021.

- Attended a workshop ‘Recent Advancements in Biomedical Imaging and Image Processing’ organized by Department of Biomedical Engineering, School of Technology, North-Eastern Hill University, Shillong, Meghalayaon November 8-9, 2021.
- Presented paper on ‘Electronic Waste Management in India & China: A Comparative Analysis’ in International Conference on Commerce, Management & Interdisciplinary Subjects (ICCMIS) organized by the Department of Commerce and International Business, School of Business Studies, Central University of Kerala on October 28-29, 2021.
- Completed online FDP on Learning through virtual LABS for technical institutions from Department of Mechanical Engineering, Lendi Institute of Engineering and Technology, Jonnada in association with National Institute of technology, Karnataka, Surathkalon October 18-22, 2021.
- Attended national conference on ‘Advanced Materials, technology, applications & education’ conducted by Department of Physics, Hon. Balasaheb Jadhav Arts, Commerce & Science College, Pune on October 16, 2021.
- Attended International conference on ‘Recent Advances in Statistics’ conducted by Sadguru Gadage Maharaj College, Karad, Maharashtra on October 11-12, 2021.
- Presented paper on ‘Suggestive study on e-evaluation for university courses’ at Indian Association of Physics Teachers – IAPT- RC1 (Delhi and Haryana) on October 9-10, 2021.
- Completed online International FDP on ‘Research tools & Methodologies’ from Department of Machanical Engineering, Lendi Institute of Engineering and Technology, Jonnada on September 27-October 1, 2021.
- Attended International conference ‘Advances in nano Technology’ conducted by Department of Physics & Electronics, Vaagdevi Degree and PG College, Telangana on September 24-25, 2021.

- Organized Pre-Orientation Day and Orientation day interaction with the first year students on November 19, 2021 and November 20, 2021 respectively.
- Organized virtual workshop on ‘Analysing Bacterial Growth Kinetics through MS-Excel’ on November 17, 2021. The resource persons were Dr.Ruchi Gulati Marwah and Dr. Ratyakshi of the Department of Microbiology of the college. The faculty coordinators were Dr.Catherine S Paul, Dr. Purnima Anand and Dr. Pawas Goswami.
- Sukshmjeev Society organized National Online workshop on ‘Astrobiology’ by speakers Ms. Jessica Dudley (Astrobiology Changemaker) and Mr. Shraman Kumar Bohra (Astrobiology Changemaker). The co-speakers were Mr. Anuj Soni (Astrobiology Spaceonova) and Dr. Krishnendu Ghosh (Research Investigator, Department of Astrobiology) from October 29-30, 2021. Dr Purnima Anand was the convener, Dr. Pawas Goswami was the organizing member and Dr. Ratyakshi was the event coordinator.
- Organized Virtual Visit for third year students to lab and pilot scale fermentor in Amergeing Technology Pvt Ltd. on October 29, 2021.
- Organized National Debate competition on the theme ‘Is Technology bringing people together’ in association with Vivekanand Vichar Manch on October 19, 2021. The convener of the competition was Ms. Shweta Gupta of VVM. The organizing team included Dr. Purnima Anand (Sukshmjeev Society Coordinator), Dr. Pawas Goswami (Teacher-in-charge and Departmental Star College Coordinator) and Dr. Ratyakshi was the event coordinator.
- Organized National webinar on ‘Small Molecules make a Big Impact: A Panoramic View of miRNAs in Esophageal Cancer’ under theme ‘Microbiology: From Principle to Applications’ by Dr. Rinu Sharma, Assistant Professor, University School of Biotechnology, Guru Gobind Singh Indraprastha University on October 1, 2021. The conveners of the webinar were Dr. Purnima Anand and Dr. Pawas Goswami. The event coordinator was Dr. Ratyakshi and the faculty coordinators were Dr. N. Vijaya Kumar, Dr. Gunjan Sirohi, Dr. Neeru Bhagat, Dr. Catherine S Paul.

- Organized National webinar on ‘Bio-Entrepreneurship and Introduction to BioNEST-UDSC’ by Vijay Kantharia, CEO, Bio-NEST, UDSC in collaboration with Bio-NEST, UDSC on September 30, 2021. The convener of the webinar was Dr. Purnima Anand, Dr. Pawas Goswami was an organizing team member and Dr. Neeru Bhagat was the event coordinator.
- Organized online Alumni interaction with batch 201-21 students on September 25, 2021. Dr. Purnima Anand and Dr. Pawas Goswami were the conveners. Dr. Gunjan Sirohi was the Departmental Alumni coordinator and the faculty coordinators were Dr. N. Vijaya Kumar, Dr. Ratyakshi, Dr. Neeru Bhagat and Dr Catherine S Paul.
- Organized International webinar on ‘Allies and Adversaries in the Microbial World’ by Dr. Deepti Jain, Associate Professor, Regional Centre for Biotechnology, Faridabad on September 18, 2021 on the occasion of International Microorganism Day. The convener of the webinar were Dr. Purnima Anand and Dr. Pawas Goswami. Dr. Neeru Bhagat was the webinar coordinator and faculty coordinators were Dr. N. Vijaya Kumar, Dr. Ratyakshi, Dr. Gunjan Sirohi and Dr. Catherine S Paul.
- Organized International webinar on ‘Journey from Biology to Machine Learning’ by Dr. Ashish Jain (Alumnus), Data Scientist, Salesforce, Cambridge, MA on September 6, 2021. The convener of the webinar were Dr. Purnima Anand and Dr. Pawas Goswami. Dr. Gunjan Sirohi was Departmental Alumni Coordinator and faculty coordinators were Dr. N. Vijaya Kumar, Dr. Ratyakshi, and Dr. Neeru Bhagat.
- Teacher’s Day was celebrated by the students of the department in an online mode on September 4, 2021.
- Organized National webinar ‘Drugs for Bad Bugs: Who will Win this War?’ by Dr. Sidharth Chopra, Principal Scientist, Division of Microbiology, Lucknow on the theme ‘Microbiology: From Principle to Applications’ on September 3, 2021. The conveners of the webinar were Dr. Purnima Anand and Dr. Pawas Goswami. The webinar/event coordinator was Dr. Neeru Bhagat. The faculty coordinators were Dr. N. Vijaya Kumar, Dr. Ratyakshi, and Dr. Gunjan Sirohi.
- Sukshmjeev Society organized a virtual workshop on ‘Analysing Spectrophotometric Data through MS Excel for Quantitative Estimation of Biomolecules’ in association with Department of Biochemistry of the college on July 5, 2021. The resource persons and coordinators were Dr. Anita Sondhi, Dr. Ruchi Gulati Marwah and Dr. Ratyakshi.
- Organized Intracollege workshop on ‘Curriculum Vitae CV Writing’ by Mr. Shubham Singh, CCAMP, Bengaluru (Distinguished Alumnus, Department of Microbiology, Batch 2013-2016) in association with Career Counselling Cell on April 17, 2021. The organizing team included Dr. Purnima Anand (Sukshmjeev Society Coordinator), Ms. Shweta Gupta (Convener, Career Counselling Cell), Dr. Ruchi G Marwah (Teacher in Charge), Faculty Coordinator: Dr. Gunjan Neeru Bhagat and the faculty coordinators were Dr. N. The conveners of the webinar were Dr. Purnima Anand and Dr. Ruchi Gulati Marwah. The faculty coordinators were Dr. N. Vijaya Kumar, Dr. Ratyakshi, and Dr. Gunjan Sirohi.
- Organized National webinar 'Microbial Biofilms: Significance, Impact and Combatives' by Dr Neetu Kumra Taneja, Assistant Professor, National Institute of Food Technology Entrepreneurship and Management (NIFTEM), Sonepat on the theme 'Advances in Microbiology: An Interdisciplinary Approach' on March 23, 2021. The conveners of the webinar were Dr. Purnima Anand and Dr. Ruchi Gulati Marwah. The webinar coordinators were Dr. Pawas Goswami and Dr. Neeru Bhagat and the faculty coordinators were Dr. N. Vijaya Kumar, Dr. Ratyakshi, and Dr. Gunjan Sirohi.
- Organized National webinar 'DNA Replication: Old Questions and New Answers' by Prof. Deepak T. Nair, Regional Centre for Biotechnology, Faridabad on the theme 'Advances in Microbiology: An Interdisciplinary Approach' on March 19, 2021. The conveners of the webinar were Dr. Purnima Anand and Dr. Ruchi Gulati Marwah. The webinar coordinator was Dr. Neeru Bhagat and the faculty coordinators were Dr. N. Vijaya Kumar, Dr. Pawas Goswami, Dr. Ratyakshi, and Dr. Gunjan Sirohi.
- Organized an Intra-departmental workshop on 'Basics of Biosensors' in collaboration with the Department of Electronics of the college from March 17-18, 2021. Prof. Geeta Mongia, Dr. Inderbir Kaur, Dr. Purnima Anand, Dr. Pawas Goswami, Dr. Anita Sondhi were the coordinators of this workshop. The resource persons were Prof. Geeta Mongia, Dr. Inderbir Kaur, Dr. Jitender Kumar, Mr. Shani Kumar, Ms. Anita Malyan, Dr. Purnima Anand, Dr. Pawas Goswami, Dr. Anita Sondhi, Dr. Ratyakshi, Dr. Neeru Bhagat and Dr. Gunjan Sirohi.
- Organized National webinar 'Gene Editing: Present Scenario and Future Perspective' by Dr. Bhupendra Verma, an Assistant Professor in the Department of Biotechnology at AIIMS, New Delhi on the theme 'Advances in Microbiology: An Interdisciplinary Approach' on March 13, 2021. The conveners of the webinar were Dr. Purnima Anand and Dr. Ruchi Gulati Marwah. The webinar coordinators were Dr. N. Vijaya Kumar and Dr. Neeru Bhagat and the faculty coordinators were Dr. Pawas Goswami, Dr. Ratyakshi, and Dr. Gunjan Sirohi.
- Organized National webinar 'Automation in Clinical Microbiology' by Prof. Ashok Rattan, Senior Advisor at the Pathkind Labs, Gurugram on the theme 'Advances in

'Microbiology: An Interdisciplinary Approach' on March 9, 2021. The conveners of the webinar were Dr. Purnima Anand and Dr. Ruchi Gulati Marwah. The webinar coordinator was Dr. Neeru Bhagat and the faculty coordinators were Dr. N. Vijaya Kumar, Dr. Pawas Goswami, Dr. Ratyakshi, and Dr. Gunjan Sirohi.

## **FACULTY ACHIEVEMENTS**

### **Dr. Vijaya K Nalla**

- Participated in the National Online Workshop on 'Astrobiology' organized by Sukshmjeev Society, Department of Microbiology of the college in collaboration with Spaceonova from October 29-30, 2021.
- Participated in the one day National webinar on 'Judicial Activism and Sustainable Environment' organized by Department of Environmental Sciences, Acharya Nagarjuna University & Centre for Environmental Education and Ecological Development (CEEED), Andhra Pradesh on September 16, 2021.
- Participated in the one day online Faculty Development Program on 'Digital Pedagogy and Climate Change Education Across Disciplines' organized by Sri Venkateswara College, University of Delhi in collaboration with TROP ICSU, a climate change education project by the International Union of Biological Sciences (IUBS) on August 28, 2021.
- Participated in the one day National webinar on 'Technological Advancements for Cleaner Waste Management: Road Ahead and Opportunities' held by the Alchemy Society, Department of Chemistry of the college on August 25, 2021.
- Participated in a one day workshop on 'Decoding BRAHMA' organized by Digitization & Automation committee of the college on August 24, 2021.
- Invited as a resource person in the Global webinar on 'Creating a Livable Planet Earth' held by Lead India Foundation on July 27, 2021.
- Participated in the National webinar on 'Injurious Invaders: Our Immune System and the Vaccines for Defense' organized by the NAAC committee of the college on July 23, 2021.
- Delivered a keynote address on the topic 'Bio-Medical Waste Impact on Human Health & Environment' in the one day National webinar on 'Bio-Medical Waste Impact during Pandemic Times' organized by CEEED at Acharya Nagarjuna University, Guntur in association with Prakruthi, the environmental club of Lakkireddy Balireddy Engineering College and World Environment Organization (WEO) organized on June 12, 2021.
- Invited to deliver a keynote speech in the National webinar on 'Importance of Ecosystem' jointly organized by World Environment Organization and Lead India, USA on June 5, 2021.

- Invited as resource person on ‘Microbiology of Waste management’ in a three day ‘Training of Trainer’s Workshop’ organized jointly by IAESPH and School Education Department of Government of Andhra Pradesh, Vijayawada from March 24-25, 2021.

### **Dr. Purnima Anand**

- Attended International webinar on 'Plastic Brand Audit' organized by Eco club of the college in collaboration with Lakshya on March 6, 2022.
- Attended webinar on 'Gender Sensitization' organised by Gender Sensitization committee in association with NAAC core committee of the college on February 27, 2022.
- Member organizing committee of five day National workshop on 'Rapid Detection of Food Adulterant Workshop' from February 21-25, 2022.
- Completed two-day online workshop on 'Vermicomposting' organized by Eco club of the college on February 12, 2022.
- Completed two-day workshop on ‘Government e-Marketplace’ organized by the Central Purchase committee of the college from January 27-28, 2022.
- Participated in a workshop on Student Satisfaction Survey organized by Internal Quality Assurance Cell (IQAC) of the college on November 12, 2021.

- Aishwarya R Nair of third year secured third position in the Microbiology Art competition organized by TSWRDCW, Mahendrahills, Hyderabad, Telangana in association with Microbiology Society of India held during September 14-16, 2021.
- Aishwarya R Nair of third year secured first position in the International Meme making competition organized by Sukshmjeev Society, Department of Microbiology of the college on the occasion of International Microorganism Day in the month of September 2021.
- Aishwarya R Nair of third year secured first position in the International Creative writing competition organized by the Sukshmjeev Society, Department of Microbiology of the college on the occasion of International Microorganism Day in the month of September 2021.
- Aishwarya R Nair of third year secured first position in the International Poster making competition on theme 'Beneficial Microbes' organized by Sukshmjeev Society, Department of Microbiology of the college on the occasion of International Microorganism Day in the month of September 2021.
- Aishwarya R Nair of third year secured first position in the 'Best Out of Waste' competition organized by Swachchta and E-Waste Management committee of the college in September 2021.
- Sonail Karmakar of second year secured third position in the 'Best Out of Waste' competition organized by Swachchta and E-Waste Management committee of the college in September 2021.
- Simran of second year participated and secured first position in poster making competition on the theme of 'Water Conservation: Every Drop Counts' organized by Swachchta and E-Waste Management Committee of the college in September, 2021.
- Aishwarya R Nair of third year participated and secured second position in the poster making competition on the theme 'Water Conservation' organized by Swachchta and E waste Management Committee of the college in September 2021.
- Priya Sharma of second year participated and secured third position in poster making competition on the theme 'Water Conservation' organised by Swachchta and E- waste management committee in September 2021.
- Aishwarya R Nair of third year secured second position in Slogan Writing Competition on the theme 'Reuse or Refuse: Green Earth for a Clean Earth' organized by Swachchta

and E waste Management committee of the college during Swachta Pakhwada in September 2021.

- Simran of second year participated and secured third position in Slogan Writing competition on the theme of 'Reuse or Refuse: Green Earth For A Clean Earth' organized by Swachhta and E-Waste Management Committee of the college in September, 2021.
- Muskan Madaan of third year secured third position in the International Meme making competition organized by Sukshmjeev Society, Department of Microbiology of the college on the occasion of International Microorganism Day in the month of September 2021.
- Jyotsana Bidaliya of second year secured second position in the International Bookmark making competition organized by Sukshmjeev Society, Department of Microbiology of the college on the occasion of International Microorganism Day in the month of September 2021.
- Rimmi of third year secured third position in the International Bookmark making competition organized by Sukshmjeev Society, Department of Microbiology of the college on the occasion of International Microorganism Day in the month of September 2021.
- Kushal of first year secured second position in 'Disuse to Dish' recipe contest hold on account of poshan maah month held by Department of Food Technology of the college from September 4-15, 2021
- Isha Saha of second year participated and secured second position in Water Colour competition organized by Rangat, The Fine Arts society of Rajdhani College, University of Delhi on September 25, 2021.
- Aishwarya R Nair of third year secured first position in 'The Second Life: The Recreation Competition in the e-Waste Awareness Program organized by Department of Instrumentation in association with Department of Electronics of the college on August 29, 2021.
- Aishwarya R Nair of third year secured second position in 'Mini Thoughts': The Slogan Writing competition in the e-Waste Awareness Program organized by Department of Instrumentation in association with Department of Electronics of the college on August 29, 2021.
- Aditya Kumar of second year participated and secured first position in Push Up competition organized by Sri Ram College of Commerce, University of Delhi on August 16, 2021.
- Abhimann Thakran participated and secured first position in Azadi ke Antare singing competition organised by the Moksha, Music club of the college on July 31, 2021.
- Chetana Meena of third year secured third position at 'Azadi ke Antare' a live singing online competition organised by Moksha, Music club of the college on July 31, 2021.

- Isha Saha of second year participated and secured first position in the event 'Hand Painting' held on the occasion of Van Mahotsav, organized by The Botanical Society, Department of Botany, Kirori Mal college, University of Delhi on July 7, 2021.
- Kareena Bhatt of first year participated and secured first position in the event 'Vessel for the Cattle' held on the occasion of Van Mahotsava organized by Botanical Society, Kirori Mal college, University of Delhi from July 1-7, 2021.
- Prapti Sawhney of first year adjudged as the RUNNER UP of Harmony Hues (popular category) under Alla Prima organized by KRITI, The Fine Arts Society of Shaheed Sukhdev College of Business Studies, University of Delhi on May 10, 2021.
- Sridip Mukherjee of first year participated and secured second position in Inter-College Debate Competition organized in Geofest by Department of Geography, Dr. Bhim Rao Ambedkar College, University of Delhi held on April 19, 2021.
- Prapti Sawhney of first year participated and secured second position in popular choice category in Harmony Hues- the music album recreation competition conducted by Kriti- the Fine Arts society of Shaheed Sukhdev College of Business Studies under 'Alla Prima '21' the annual art fest of SSCBS held during the month of April 2021.
- Sridip Mukherjee of first year participated and secured first position in 'Tark-Vitark 21' organized by the Department of Business Economics of Maharaja Agrasen College, University of Delhi held on April 15-16, 2021.
- Sridip Mukherjee of first year participated and secured first position as Best Interjector in the Inter-College Debate Competition organized by the Debating Society of Shyam Lal College (Evening), University of Delhi on April 6, 2021.
- Sridip Mukherjee of first year participated and secured first position in E-Debate organized as a part of 'Biochaperones' Annual Department Festival by the Department of Biochemistry, Shivaji College, University of Delhi on April 6, 2021.
- Ishani Sharma of third year participated and secured third position in E-Poster organized as a part of 'Biochaperones', Annual Department Festival by the Department of Biochemistry, Shivaji College on April 6, 2021.
- Ishani Sharma of third year participated and secured first position in brain break (quiz competition) at Microvitae 2021 organized by Mikrobiologika, Department of Microbiology, Ram Lal Anand College, University of Delhi on April 3, 2021
- Arnab Basak of second year participated and secured second position in brain break (quiz competition) at Microvitae 2021 organized by Mikrobiologika, Department of Microbiology, Ram Lal Anand College, University of Delhi on April 3, 2021
- Sridip Mukherjee of first year participated and secured second position in Q-Fiesta the Quiz Competition organized as a part of "Floristics '21" by 'Botanique', the Botany Department of Hansraj College, University of Delhi on April 3, 2021.
- Sridip Mukherjee of first year participated and secured second position in 'Ace the Case' competition organized as a part of Annual Departmental Fest "Floristics '21" by

‘Botanique’, the Botany Department of Hansraj College, University of Delhi on April 3, 2021.

- Anjali Sagar of second year participated and secured third position in 'Talent Hunt' organised by Ambrosia Society of Department of Food Technology as part of annual fest 'Ambrosia 2k21' of the college on March 31, 2021.
- Sridip Mukherjee of first year participated and secured second position in Extempore Competition organized as a part of ‘Genesis 2021’ by DNAmics society of Department of Biomedical Science of the college on March 31, 2021.
- Sonail Karmakar of first year participated and secured first position in the Doodle Art Competition on ‘Genomics’ organized by the DNAmics society of Department of Biomedical Science of the college on March, 2021.
- Sridip Mukherjee of first year participated and secured first position ‘Erudite Glossary’ organized as a part of Impresionante-NIFE by E’lectronique’, the Electronic Science Society of Sri Aurobindo College, University of Delhi held on March 24-25, 2021.

- Ishani Sharma of third year participated and secured first position in the Microquizitive competition organized by Sukshmjeev Society, Department of Microbiology of the college on March 2021
- Ishani Sharma of third year participated and secured second position in the Just-A Minute competition organized by Sukshmjeev Society, Department of Microbiology of the college as part of Annual Departmental Festival Microquest 2021 on March 2021.
- Ishani Sharma of third year participated and secured third position in the Crossword competition organized by Sukshmjeev Society, Department of Microbiology of the college as part of Annual Departmental Festival Microquest 2021 on March 2021.
- Aishwarya R Nair of second year participated and secured first position in the Micromeme competition organized by Sukshmjeev Society, Department of Microbiology of the college as part of Annual Departmental Festival Microquest 2021 on March 2021.
- Muskaan Madaan of second year participated and secured third position in the Micromeme competition organized by Sukshmjeev Society, Department of Microbiology of the college as part of Annual Departmental Festival Microquest 2021 on March 2021.
- Sridip Mukherjee of first year participated and secured second position in Debate Competition organized by ALBATROSS, the Zoological Society of Gargi College, University of Delhi on March 5, 2021.

## **DEPARTMENT OF PHYSICAL EDUCATION**

## Departmental Activities

- Organised a 40-hours online Short-Term Certificate Course on “Fitness Management” in association with the Department of Physical Education and Sports Sciences (University of Delhi) from July 18 - September 12, 2021. Prof. Uma Kumar, Prof. & Head of the Department, Rheumatology, AIIMS, New Delhi was Chief guest on the inaugural session.
- Organised an inter-department chess tournament on February 12-17, 2022. Prof. Anand Bharadvaja and Dr. Pawan Dawas were the conveners.

## DEPARTMENT OF PHYSICS

### Departmental Activities

- Organized a webinar in collaboration with the Astronomy club ‘Does the Cosmological principle hold in the Universe’, by Prof Pravabati Chingangbam, Indian Institute of Astrophysics on March 10, 2022. Dr Meetu Luthra was the convener and Dr Anand Bharadvaja was the DBT coordinator.
- Organized a webinar in collaboration with the Astronomy club ‘Tornadoes and Typhoons in the universe’, by Prof Patrick Das Gupta, Department of Physics and Astrophysics, University of Delhi, on February 15,2022. Dr Meetu Luthra was the convener and Dr Anand Bharadvaja was the DBT coordinator.
- Organized an international workshop on ‘Nanomaterial virtual lab training’ on January 27, 2022, by Prof. Poonam Silotia and Prof. Mohammad Khalid. Dr Vandana Batra was the convener.
- Organized a webinar ‘Standard Candle: The Beacon of the Universe by Dr Sukanta Deb’ Department of Physics, Cotton University, Guwahati, Assam on October 30,2021.

## FACULTY ACHIEVEMENTS

### Prof. Anand Bharadvaja

- Arora, A.K, Gupta,K.K ,Goswami,K., **Bharadvaja,A.** , Baluja, K.L (2022) Binary encounter bethe approach to compute electron impact partial ionization crossections of plasma relevant molecules such as hexamethyldisiloxane and silane,*Plasma Sources, Science and Technology*, **31**, .015008.

- Attended a workshop on Computational Chemistry a New Approach, organized by Chemistry Department, Acharya Narendra Dev College, University of Delhi from October 6-7, 2021.

#### **Dr Vandana Batra**

- Attended five days workshop on ‘RAPID DETECTION OF FOOD ADULTERANTS’ on February 21-25,2022 organized by the college funded by ICSSR,Government of India
- Attended a one-day Workshop on ‘Different aspects of Research’ on February 16,2022 organized by the Central Purchase committee of the college.
- Attended Webinar on ‘Tornadoes and Typhoons in the Space-Time Geometry’ on February 15, 2022 organized by the Department of Physics and Astronomy Club of the college.
- Attended three days Webinar on “NEP 2020: Delhi University Undergraduate Curriculum Framework 2022” on January 27-29, 2022 organized by Institute of Lifelong learning and Mahatma Hansraj faculty Development Center,University of Delhi.
- Attended two days’ workshop on ‘Government e-Marketplace (GeM)’ on January 27-28, 2022 organized by the Central Purchase committee of the college.
- Attended the webinar ‘A 40-year Journey Professor Reinhard Genzel, Nobel Laureate Physics 2020’ on January 12,2022 organized by Deen Dayal Upadhyaya College with NASI-Delhi Chapter, University of Delhi.
- Attended the webinar ‘Role of National Education Policy in Empowering qualities in Youth of 21st Century’ on January 12, 2022 organized by Vivekanand Vichar Manch, of the college.

- Attended webinar ‘IP Awareness/Training Program’ on January 11, 2022 organized by Intellectual Property Office, India under National Intellectual Property Awareness Mission.
- Participated as Coordinator in the webinar ‘Healthcare sector- engine of Economic Growth’ on January 6, 2021 organized by Vidya Vistar Committee of the college.
- Attended workshop on ‘Student Satisfaction Survey’ organized by IQAC of the college on November 12, 2021
- Attended workshop on ‘Login features of college website’ organized by Website and internet committee, BCAS on October 26, 2021
- Maharana, P.R, **Batra, V.**, ‘Study of Synchrotron Emission of Crab Nebula using Spectral Index Measurement’(2021) *International Journal in Innovative Technology*, September, 8 Issue 4 | ISSN: 2349-6002.
- Attended workshop on ‘Decoding Beams’ organized by Digitization and Automation Committee of the college on September 1, 2021
- Attended National webinar on National Education Policy 2021 ‘Opportunities and Challenges in Implementation’ organized by Janki Devi Memorial College, University of Delhi on August 28, 2021
- Attended Special Public Webinar on ‘Afghanistan Challenges Ahead’ organized by Deen Dayal Upadhyaya college, University of Delhi on August 23, 2021
- Attended workshop on ‘Decoding Brahma’ organized by Digitization and Automation Committee of the college on August 23, 2021
- Attended webinar on ‘My life with Rocket’ organized by Extra-curricular activity committee of the college on July 8, 2021.
- Attended 3rd International Conference on RAFAS 2021 organized by Lovely University, Punjab on June, 25-26 2021
- Attended National webinar on ‘Ecological Entrepreneurship for Personal Excellence, Social Equity and Global Sustainability’, organized by the college on June 5, 2021.

### **Dr Meetu Luthra**

- Attended two days’ workshop on ‘Government e-Marketplace (GeM)’ on January 27-28, 2022 organized by the Central Purchase committee of the college.
- Attended workshop on ‘Student Satisfaction Survey’ organized by IQAC of the college on November 12, 2021
- Attended short term course on ‘National Education Policy 2020’ organised by Centre for Professional Development and Higher Education (CPDHE) from October 20-26, 2021
- Attended a webinar ‘Seeing in Dark through image processing’ organized by department of Instrumentation of the college on Oct 22, 2022

- Attended 9th Prof Ved Ratna Memorial Lecture organized by Indian council of Physics teachers on ‘Gravitational Waves’ on October 16, 2021
- Presented a paper titled ‘An Analysis of effective assessment and evaluation techniques at undergraduate level ‘in the 9th Annual Convention organized by Indian Council of Physics teachers, Regional Council Delhi & Haryana on October 9-10, 2021
- Attended Workshop on ‘Decoding Beams’ organized by Digitization and Automation Committee, of the college on September 01, 2021
- Attended Workshop on ‘Decoding Brahma’ organized by Digitization and Automation Committee of the college on August 23, 2021
- Attended Webinar on ‘God Particle or missing Link’ organized by ADAMAS University, Kolkata on August 6, 2021
- Attended Webinar on ‘Injurious Invaders: Our Immune system and vaccine for defense organized by NAAC committee of the college on July 23, 2021
- Attended workshop on ‘Psycho-social skills of a good helper -Tackling the covid Pandemic’ organized by NAAC committee of the college in association with Mahatma Gandhi Rural council of National education, Ministry of Education, Government of India on June 30, 2021.

### **Dr Partha S Pal**

- Attended two-weeks online interdisciplinary Refresher Course on ‘Blended Learning & Flipped Classroom’ organized by Teaching Learning Centre, Ramanujan College, University of Delhi from March 8-22, 2021.

### **Dr. Ramesh Kumar**

- Attended workshop on ‘Decoding Brahma’ organised by Digitization and Automation Committee, BCAS on August 23, 2021.
- Attended workshop on ‘Digital Interventions in Public Health’ organized by Digitization and Automation Committee of the college on July 14, 2021.

### **Dr Sandeep Kumar**

- Attended two-weeks online interdisciplinary Refresher course on ‘Blended Learning & Flipped Classroom’ organized by Teaching Learning Centre, Ramanujan College, University of Delhi from March 8-22, 2021.
- Attended an online Refresher course on ‘NATURAL SCIENCES’ organized by Teaching Learning Centre, Ramanujan College, University of Delhi from September 20-October 4, 2021.

### **Students’ Achievements**

- Kshitij Khugshal of second year participated in the chess competition and won the first prize in the intercollege Fest held on March 24,25, 2021 organized by the Department of Electronics, Sri Aurobindo College, University of Delhi.

- Piyush R. Maharana presented his paper ‘Structure and Kinematics of the Milky Way Galaxy using atomic Hydrogen’ in the international conference on ‘Recent advances in Fundamental and Applied Sciences’, Lovely faculty of Technology and Sciences, Lovely Professional University, Punjab held on June 25-26, 2021.
- Ankit and Akshay of second year won the second prize in tug of war held on March 10,2022 in the annual fest ‘Ambrosia’ organised by the Department of Food Technology of the college.

## **DEPARTMENT OF POLYMER SCIENCE**

### **Departmental Activities**

- Organized a ‘Freshers Interaction program’ for newly admitted students (2021-22) on January 14, 2022. Prof. Avneesh Mittal and Faculty of Department of Polymer Science, Dr. Susmita Dey Sadhu, Prof. Sidhharth Sirohi & Dr. S.K. Shukla addressed the students on the occasion.
- Organized a workshop on ‘Student Awareness e-Workshop’ for all the students in association with IQAC of the college on December 3, 2021.
- Organized an ‘Orientation Program’ for the newly admitted B.Sc. (Hons.) first year students on November 20, 2021.
- Organized a webinar on ‘Innovative Multi-layered Biodegradable Polymer Particles for Food Packaging’ on September 3, 2021. Dr. Sampa Saha (Associate Professor, Dept. of Materials Science & Engineering, IIT Delhi) delivered a talk. Dr. Susmita Dey Sadhu and Dr. Premlata Meena and Dr. Anil Barak coordinated the event.
- Faculty, Staff and students took the Swachhta Pledge on September 1, 2021.
- Organized a one-day online awareness cum workshop on ‘Antimicrobial Activity of Biopolymeric Films’ in collaboration with the Department of Biomedical Science & Department of Instrumentation of the college on August 21, 2021.
- Organized a webinar on ‘Polyelectrolyte Membranes for Fuel Cells’ on August 3, 2021. Prof. Tharanikkarasu Kannan (Department of Chemistry, Pondicherry University) delivered a talk. Dr. Anil Barak coordinated the event.
- Organized a webinar on July 12, 2021. Dr. Tanweer Alam, Director, IIP, MOCI, GOI delivered a talk on ‘Career in Packaging’. Mr. Madhab Chakraborty, Joint Director & Regional Head, IIP Delhi delivered a talk on ‘Scope of Plastics in Food Packaging’.
- Organized webinar & virtual workshop on ‘Small-Angle X-ray Scattering Analysis’ on March 15, 2021. Dr. Siddharth Sirohi was coordinator and Dr. Anil Barak was co-ordinator.

### **FACULTY ACHIEVEMENTS**

### **Dr. S. K. Shukla**

- Kushwaha, C. S., Singh, P., Abbas, N. S., & **Shukla, S. K.** (2021). Structurally Functionalized Cupric Oxide Encapsulated Chitosan Grafted Polyaniline Composite for Potentiometric Sensing of Methyl Parathion. *Macromolecular Chemistry and Physics*, 222(16), 2100144.
- Sharma, D., Varshney, M. K., Prasad, S., & **Shukla, S. K.** (2021). Preparation and characterization of rice husk derived cellulose and polyvinyl alcohol blended heat sealable packaging film.
- Kushwaha, C. S., Singh, V. K., & **Shukla, S. K.** (2021). Electrochemically triggered sensing and recovery of mercury over sodium alginate grafted polyaniline. *New Journal of Chemistry*, 45(24), 10626-10635.
- Singh, P., Kushwaha, C. S., Singh, V. K., Dubey, G. C., & **Shukla, S. K.** (2021). Chemiresistive sensing of volatile ammonia over zinc oxide encapsulated polypyrrole based nanocomposite. *Sensors and Actuators B: Chemical*, 342, 130042.
