The image is a composite of two photographs. The top half is a colorful illustration of a person's arm and hand holding a red shopping bag. The bag has a white recycling symbol and the text 'RECYCLING IS COOL'. The background of the illustration shows a blue sky, green trees, and a small white flower. The bottom half is a photograph of a group of students wearing yellow vests and hats, gathered in a park-like setting. They are holding large trash bags and appear to be participating in a clean-up or waste collection activity. The ground is covered with fallen leaves and some trash.

PRINCIPAL'S REPORT

26th Annual Report

विद्यां ददाति विनयं विनयाद् याति पात्रताम्।
पात्रत्वात् धनमाप्नोति धनात् धर्मं ततः सुखम्॥

भावार्थ: ज्ञान विनय देता है; विनय से पात्रता, पात्रता से धन, धन से धर्म और धर्म से सुख की प्राप्ति होती है।

Namaskar,

Bhaskaracharya College, one of the premier educational institutes in South Campus – Delhi University, had its humble beginning in October 1995 and was named after one of the great mathematicians Bhaskaracharya of 12th Century. Since then, it has been a consistent endeavour to provide holistic and value-based education. Presently the college offers 11 science honors courses in Biomedical Science, Computer Science, Electronics, Instrumentation, Food Technology, Polymer Science, Physics, Microbiology, Botany, Chemistry and Zoology. At present our college has a strength of more than 1100 students.

The annual report 2022-23 reflects upon the past year by interpreting over the highlights pertaining to the college events and achievements.

We are extremely happy to share that the college has signed various **Memorandum of Understanding** (MoUs) with different organizations/Institutes such as Shriram Institute for Shriram Institute for Industrial Research, Delhi; Yeungnam University, Gyeongsan, Republic of Korea; Kansas State University, USA; Food Safety Foundation India; Sir Vithaldas Thackersey College of Home Science, SNDT Women's University, Mumbai and Catholicate College, Pathanamthitta. This is done with an aspiration to provide wider exposure to the students and create a platform where industry and academics can come together and share knowledge and experience.

In the recent times, the college has seen tremendous growth with enhanced quality of teaching and learning processes, providing an avenue for intellectual stimulus and scientific innovation among students. The faculty and management of the college strive to live up to the rich legacy established by our founders, with a constant urge to evolve and make new strides in academic and research, focusing on the inclusive development of the students.

This year there were more than four patents awarded to our faculty and more than 64 publications were there in reputed journals along with books and book chapters. Various research projects were undertaken and many of our faculty members are supervising the Ph. D scholars.

The college provides a platform for students from diverse backgrounds and different strengths to excel in academics, research, cultural, social activities and sports. This year also the students have done extremely well in academics and have made us all proud. This year, Deepika

Wanganoo Memorial Award instituted in the fond memory of Deepika Wanganoo, a former student of Department of Electronics is conferred to **Rahul Kumar** (B.Sc. (H) Electronics). **Paras Kochhar** (B.Sc. (H) Physics) has bagged the Saurabh Grover Memorial Award, initiated by parents of Saurabh Grover, in the memory of our former student from Department of Physics.

Many of our students have been involved in research projects. Besides excelling at academics, it gives us immense satisfaction that our students have done very well in extra-curricular activities not only within the college but also at intercollege level. Various clubs, committees and cells organized events, seminars and activities which saw active participation from our students. The college celebrated the national sports day and various inter department games were organized throughout the year.

I am happy to share that this year our BCAS alumni society got registered. The Inaugural session ceremony of the newly formed Alumni society was held on January 28, 2023.

The college also saw faculty promotions in retrospect. The College made infrastructural strides endorsing the practice of alternative sources of energy in order to reduce reliance on fossil fuel-based sources of electricity in particular. The college has been relying on solar power-based electricity and Bio-Gas generation. In its endeavor to promote green energy, the college is committed to increase the share of solar energy. The academic year was generous with many knowledge gaining talks, webinars and workshops. The Internal Quality Assurance Cell (IQAC) has been very active and organized various training programs and seminars.

The college boasts of a well-kept and updated library to cater to the academic needs of the students. Library has a collection of 27297 volumes of books including reference books, 336 bound volumes of journals and many CDs/DVDs. The library has renewed its subscription to N-List (National Library and Information Services infrastructure for Scholarly Contents) program of INFLIBNET. Thus, providing the students and the faculty members access to a large number of e-resources. The students have been trained to use these services and Koha software through orientation programs.

All these achievements would not have been possible without the support of our esteemed governing body members. The dedicated teaching and non-teaching staff members and our students have always strived hard in taking the college to new heights.

I conclude with this quote

विद्या नाम नरस्य कीर्तिरतुला भाग्यक्षये चाश्रयो
धेनुः कामदुधा रतिश्च विरहे नेत्रं तृतीयं च सा।
सत्कारायतनं कुलस्य महिमा रलैर्विना भूषणम्
तस्मादन्यमुपेक्ष्य सर्वविषयं विद्याधिकारं कुरु॥

भावार्थ: विद्या एक अतुलनीय प्रसिद्धि है; भाग्य नष्ट होने पर आश्रय देती है, कामधेनु है, वियोग में समान है, तीसरी आंख है, आतिथ्य का मंदिर है, परिवार-महिमा है, रक्तों के बिना आभूषण है; इसलिए अन्य सभी विषयों को छोड़कर ज्ञान के अधिकारी बनो।

MEMORANDUM OF UNDERSTANDING (MoU) BY COLLEGE

- On **January 5, 2023** (valid for a period of five years) with **21 Century Polymers** to perform collaborative research and development projects and provide technical training and placement to students.
- On **November 29, 2022** (valid for a period of five years) with **Shriram Institute for Industrial Research, Delhi** to perform collaborative research and development projects in an expeditious manner and jointly organize seminars, conferences and workshops in different scientific fields of mutual interest.
- On August 24, 2022 (valid for a period of one year) with **Food Safety Foundation India (India Food Banking Network)** to design and develop nutrition kitchen garden in urban setting.
- On **June 28, 2022** (valid for a period of three years) with **Sir Vithaldas Thackersey College of Home Science, SNDT Women's University, Mumbai** for collaborative research, jointly organize seminars, conferences and workshops and internship of students.
- On **June 27, 2022** (valid for a period of two years) with **Catholicate College, Pathanamthitta, Kerala** to encourage joint research activities and projects as well as mutual exchange of students and faculty members for a short period.
- On **June 1, 2022** (valid for a period of five years) with **Yeungnam University, Gyeongsan, Republic of Korea** to stimulate and support educational, research and associated activities and projects.
- On **May 5, 2022** **Kansas State University, USA** (valid for a period of one year) for research collaboration and exchange of students, professors and invitations to scholars..

RESEARCH AT COLLEGE

a) Research Projects: Extramural funded Research Projects Under Progress:

c) Patents/ Utility Models/ Design Patents:

1. Granted Patent entitled: ‘Nutritional Compositions and Methods for Manufacturing the Same’ Application No. 471/DEL/2013,

Applicants: Syed Umais, Dr. Meenakshi Garg, Dr. Shivani G. Varmani, Dr. Susmita Dey Sadhu, Harsh Chauhan, Tripti Negi, Nitesh Sahu, Shivangi Jain, Annesha Dutta, Hemant Joshi, Anshuman Soni, Rishab Handa, Ankit Garg

Date of filing- February 19, 2013, Valid till February 19, 2033.

Date of Grant- January 24, 2023

2. Granted Patent Entitled ‘Coating Compositions and Methods for Preparation Thereof’ INDIA – Patent Application No. 473/DEL/2013,

Applicants: Anshuman Soni, Dr. Susmita Dey Sadhu, Dr. Shivani G. Varmani, Dr. Meenakshi Garg, Rishab Handa, Ankit Garg, Harsh Chauhan, Tripti Negi, Nitesh Sahu, Shivangi Jain, Annesha Dutta, Syed Umai, Hemant Joshi

Date of filing- February 19, 2013, Valid till February 19, 2033.

Date of Grant- May 20, 2022

3. Granted a UK Design Patent in respect of the application of such design to ‘Intelligent Sensor Based Biodegradable Waste Collection Unit’. (UK Design patent number: 6268246)

Applicants: Dr. Anurag Shrivastava, Dr. Lata Vodwal, Dr. Swati Gupta, Dr. Chandra Mohan, Dr Rashel Sarkar, Sumanta Bhattacharya, Dr Vinod Kumar, Mrs Puja Varsha

Date of Registration- March 19, 2023, Valid till March 19, 2028.

Date of Grant- March 21, 2023

4. Awarded registration for development of utility model on 'Nitrogen Fixation Enhancement in Pulses Under Moisture Stress Condition By Foliar Application Of KNO_3 ' (DE File No. 20 2022 104 822.3)

Applicants: Dr. Manjeet Singh Barwa, Dr. Chandra Mohan, Dr. Amita Singh, Dr. Harjodh Singh, Dr. Reena Singh, Dr. Shailja Singh

Date of Registration- August 26, 2022, Valid till August 31, 2025.

Date of Grant- September 26, 2022

5. Awarded registration for development of utility model on 'A novel IoT based sustainable system for the treatment of medical waste'. (DE File No. 20 2022 104 468.6)

Applicants: Dr. Manjeet Singh Barwa, Dr. Shubhra Barwa, Dr. Arun Hari Gaikwad, Dr. Bhawesh Kumawat, Dr. Chandra Mohan, Vipul Negi, Prof. Ramesh Chandra Panda, Dr. Sharanya Ravindran, Garima Saini, Rita Saini, Dr. Reena Singh, Rohit Kumar Trivedi, Dr. Akila Veerapandian

Date of Registration- August 5, 2022, Valid till August 31, 2025.

Date of Grant- August 19, 2022

DBT STAR COLLEGE SCHEME

A Decade of Star College Scheme of DBT and going strong

Prof. Avneesh Mittal (Officiating Principal), Chairman, Star College Scheme

DBT Star College Scheme-I

Dr. Anita Sondhi (Coordinator)

Prof. Uma Chaudhry (Co-Coordinator)

Department Coordinators

Dr. Anita Sondhi, Coordinator, Biochemistry

Prof. Uma Chaudhry, Coordinator, Biomedical Science

Dr. Pawas Goswami, Coordinator, Microbiology

Dr. Meenakshi Garg, Coordinator, Food Technology

Bhaskaracharya College of Applied Science has been a recipient of funds under the Star College Scheme of the Department of Biotechnology since 2010 and takes immense pride in being a recipient of the Star College Status from DBT. The college expresses its heartfelt gratitude to the Department of Biotechnology, Government of India for guiding us all along in this very long learning association with them. As has been the case for more than a decade of association with DBT, under the ongoing Star College Scheme of the Department of Biotechnology, several activities are planned and executed by the participating departments. As the foremost aim of the scheme is to strengthen science education and research at the undergraduate level, activities are conducted both at the respective department levels and college at large keeping this very objective in mind. Many activities are conducted under the aegis of the DBT Star College scheme. These activities enhance interest in science which includes invited talks of eminent scientists from Academia and Industry, seminars, Hands-on training, and workshops. One of the mandates of the scheme is also to encourage collaboration between various departments and foster frequent and meaningful interactions between the faculty and the students. The students, under this scheme, are also given experiential learning through visits to various industries, institutes and research laboratories. These visits help them understand the applications of science in other institutes and also familiarize them with various career options available in their chosen scientific fields.

DBT Star College Scheme-II

Prof. N.S. Abbas (Coordinator)

Department Coordinators

Dr. Bhavya Deep, Coordinator, Department of Computer Science

Dr. Jitender Kumar, Coordinator, Department of Electronics

Dr. Manoj K. Tiwari, Coordinator, Department of Instrumentation

Prof. Anand Bharadvaja, Coordinator, Department of Physics

Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, New Delhi has sanctioned financial support for three years w.e.f. 2019 under the Star College Scheme for four additional departments. The participating departments viz, Physics, Computer Science, Electronics and Instrumentation have been included in the ongoing Star support to strengthen life sciences education training at the undergraduate level. To meet the defined objectives under the sanctioned scheme, the college has planned to organize a diverse array of academic and scientific activities including workshops, outreach programs, extension lectures, industrial visits and training, a facility for providing free books to meritorious students, specialized training programmes for faculty improvement for optimizing their technical capabilities, standard curricula, standard operating procedures (SOP) for practical and summer schools, etc. Concerned departments have taken action in strengthening the laboratory infrastructure involving modern equipment and consumables for undergraduate students to upgrade their careers in Science Stream. The participating departments have organized various activities like interactive sessions, outreach programs, alumni meetings, webinars, and workshops at intra and inter-college levels with the support of this scheme. These activities have been highlighted under the respective departmental activities. Such mentioned activities carried out by the above departments are a testimony to fulfilling the aim and goal of the DBT Star College Scheme.

Dr. Bhavya Deep

- Completed Ph. D. in Computer Science from Banasthali Vidyapith on May 22, 2022.
- Coordinated and won Thinkers of Tomorrow trophy for the college awarded by Symphony in partnership with CNBC News 18 Network, India on March 10, 2023.
- Editorial Board Member of PriMera Scientific Engineering Journal, ISSN: 2834-2550 since February 2023.
- Got Innovative Leader award in 2nd World Education and EdTech Conclave & Awards, organized by B2B Infomedia on January 19, 2023.
- Attended Faculty Development Program on ‘Capacity Building for enhancing administrative efficiency for teaching and Non-teaching staff’ jointly organized by Internal Quality Assurance Cell (IQAC) of the college in collaboration with Catholicate College Kerala, Indira Gandhi Govt college Tezpur and A.P. and Govt college Bomdila AP from January 16-20, 2023.
- Supervised the design, development and deployment of the college's in-house project ‘Issue of Digitally Signed Provisional Certificate through Online Mode’ developed by two students of B. Sc. (Hons.) Computer Science second year of the college from July – December 2022.
- Editorial Board Member of American Journal of Environmental Science, ISSN: 2578-7993. Period December 2022 – December 2024.
- Participated in Higher Education Conference & Awards organized by Dataquest on December 21, 2022.
- Reviewer at International Symposium on Automation, Information and Computing, Beijing Jiaotong University, December 9-11, 2022.
- Participated in Education Leadership Summit 2022 organized by Economic Times on November 23, 2022.
- Resource person at two-hour workshop on ‘File Transfer Protocols and Advantages of Encrypted Data Transfer’ organized by Sukshmjeev Society, Department of Microbiology of the college on November 4, 2022.
- Participated in webinar on Elsevier Preprints on September 28, 2022.
- Participated in AWS Summit, New Delhi on September 8, 2022.
- Chaired the workshop on ‘Machine Learning’ at International Conference on Frontiers of Electronics, Information and Computation Technologies, Wuhan, China, August 19-21, 2022.
- Reviewer at International conference on Electrical, Computer and Energy Technologies, Prague, Czech Republic, July 20-22, 2022

- Participated in webinar on Image Classification using Edge Impulse (An application of IoT and Machine Learning) held on July 3, 2022.
- Participated in 3rd virtual Conference on ‘Digital Infrastructural Transformation & Education: Road towards SDG 4 along with 8th National Education Awards & 8th International Education Excellence Summit & Awards’ organized by CMAI association of India held on June 2, 2022.
- Chief Editor at International Journal of Distributed & Cloud Computing (IJDCC), ISSN: 2321-6840.

Dr. Jayant Sharma

- Attended Faculty Development Program on ‘Capacity Building for enhancing administrative efficiency for teaching and Non-teaching staff’ jointly organized by Internal Quality Assurance Cell (IQAC) of the college in collaboration with Catholicate College Kerala, Indira Gandhi Govt college Tezpur and A.P. and Govt college Bomdila AP from January 16-20, 2023.

DEPARTMENT OF ELECTRONIC SCIENCE***Activities by Department***

- Conducted student satisfaction survey on January 24, 2023.
- Organized a seminar on ‘Evolution of Electric Vehicles and Charging Infrastructure in Delhi Real Time Load Transfer through Delhi SLDC’ on November 28, 2022. The conveners were Dr. Inderbir Kaur and Dr. Manoj Tiwari. The faculty coordinators were Ms. Arti Malyan, Ms. Jyoti, Mr. Yagyadatta Goswami.
- Organized swachta pledge on November 3, 2022.
- Organized an industrial visit to Yakult Danone India Pvt. Ltd. Sonipat, Haryana in collaboration with the Department of Instrumentation on July 8, 2022.
- Organized a virtual lab visit to Scanning Electron Microscope Amity University, Noida in collaboration with Department of Instrumentation on June 23, 2022.

Faculty Achievements**Prof. Geeta Mongia**

- Seminar on Green Technologies for a sustainable world - G-20 Vision from February 3-4, 2023.

- Attended Faculty Development Program on ‘Capacity Building for enhancing administrative efficiency for teaching and Non-teaching staff’ jointly organized by Internal Quality Assurance Cell (IQAC) of the college in collaboration with Catholicate College Kerala, Indira Gandhi Govt college Tezpur and A.P. and Govt college Bomdila AP from January 16-20, 2023.
- Attended workshop on ‘Online Banking with Cyber Safety’ organized by the college, University of Delhi on November 11, 2022.
- Attended Faculty Development Program on ‘Python Essentials, Programming and Analytics’ jointly organized by University of Delhi and Guru Angand Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the PMMMNMTT of ministry of Education from October 27-November 3, 2022.
- Participated as a delegate in the World Environment Summit 2022 held at Vallabhai Patel Chest Institute, University of Delhi, organized by Environment and Social Development Association (ESDA), Delhi and Grass Root Research & Creation India from October 15-16, 2022.
- Attended workshop on ‘Recent development in the Field of Electronics (RDFE-2022)- Based on NEP’ organized by the Department of Electronic Science, University of Delhi from July 25-29, 2022.

Dr. Inderbir Kaur

- Attended Faculty Development Program on ‘Capacity Building for enhancing administrative efficiency for teaching and Non-teaching staff’ jointly organized by Internal Quality Assurance Cell (IQAC) of the college in collaboration with Catholicate College Kerala, Indira Gandhi Govt college Tezpur and A.P. and Govt college Bomdila AP from January 16-20, 2023.
- Attended one-week online workshop on ‘Recent Development in the Field of Electronics (RDFE-2022)’ based upon FYUP-DU for Electronics as per National Education Policy-2020) from July 25-29, 2022.
- Presented paper on ‘Design of a combustible gas sensor with an alert system: An environment Safety Initiative’ at 3rd International conference on Entrepreneurship, Research and Innovation for environmental sustainability & Planetary Health at VK-3, Bhagini Nivedita College, DU on April 7-8, 2022.
- Presented paper on ‘Converting manual switching systems to energy efficient smart switching systems: An environment Initiative’ at 3rd international conference on Entrepreneurship, Research and Innovation for environmental sustainability & Planetary Health at VK-3, Bhagini Nivedita college, University of Delhi on April 7-8, 2022.

Dr. Manoj Kumar Tiwari

- Successfully attended webinar on ‘Digital Key: A Big Revolution for Secured Transportation’ organized by BVICAM, New Delhi on December 10, 2022.
- Attended two-week Entrepreneurship Course Organized by Turnip Innovations, December 2-15, 2022.
- Attended online workshop on ‘Online Banking with Cyber Safety’ organized by the college on November 11, 2022.
- Participated in Course Workshop on ‘Emotional Intelligence’ organized by Value Addition Courses Committee (University of Delhi) in collaboration with Mahatma Hansraj Faculty Development Centre Hansraj College, DU on October 21, 2022.
- Attended the training Program on ‘New Measurement Technologies & Simulation Techniques in Electronics’ organized by IEEE Electron Device Society-Delhi Chapter, Department of Electronic Science, University of Delhi South Campus, October 17-18, 2022.
- IP Awareness/Training Program under National Intellectual Property Awareness Mission, Intellectual Property Office, India under Ministry of Commerce and Industry, GoI, on August 31, 2022.
- Attended one day Interdepartmental Practical demonstration and Hands-on Activity as convenor with Department of Food technology, of the college on April 25, 2022.
- Attended one day National seminar on ‘Financial Literacy: Basics Issues and Challenges’ organized by the college funded by ICSSR, Ministry of Education, Govt. of India & SBI in blended mode on April 21, 2022.

Ms. Shweta Gupta

- Attended a webinar on ‘Physical Modeling and Numerical Analysis Driven by the Evolution of Semiconductor Technology’ organized by IEEE EDS Delhi Chapter, Deen Dayal Upadhyaya College and The National Academy of Sciences India-Delhi Chapter on January 25, 2023.
- Attended a workshop on ‘PCB Design Workshop using EDWinXP and PCB Prototyping Machine’ organized by the Department of Electronic Science, University of Delhi in collaboration with the Ambition Technologies from January 12-13, 2023.
- Attended a workshop on ‘Emerging Devices, Circuits and Systems’ organized by Department of Electronic Science, University of Delhi and IEEE EDS Delhi Chapter from November 15-18, 2022.

- Attended EDS distinguished lecture on ‘Fundamentals and recent advances in electronic and plasmonic terahertz devices utilizing graphene-based 2D materials’ held in a Virtual Mini Colloquia on ‘History, Prospect and Future of Graphene Based Devices and Systems’ organized by IEEE EDS Delhi Chapter, NASI Delhi Chapter, Deen Dayal Upadhyaya College on October 19, 2022.
- Attended EDS distinguished Lecture on ‘Complementing Silicon Technologies with Graphene for More-than-Moore applications’ held in a Virtual Mini Colloquia on ‘History, Prospect and Future of Graphene Based Devices and Systems’ organized by IEEE EDS Delhi Chapter, NASI Delhi Chapter, Deen Dayal Upadhyaya College on October 19, 2022.
- Organized a training Program on ‘New Measurement Technologies & Simulation Techniques in Electronics’ organized by IEEE EDS Delhi Chapter, Department of Electronic Science (DU), Deen Dayal Upadhyaya College and NASI Delhi Chapter from October 17-18, 2022.
- Attended EDS distinguished lecture on ‘3D Nanocarbon Interconnects’ held in a Virtual Mini Colloquia on ‘History, Prospect and Future of Graphene Based Devices and Systems’ organized by IEEE EDS Delhi Chapter, NASI Delhi Chapter, Deen Dayal Upadhyaya college on October 11, 2022.
- Attended a virtual mini colloquia on ‘Emerging Device Architectures for Tunnel FET’ organized by IEEE EDS Delhi Chapter, NASI Delhi Chapter, Deen Dayal Upadhyaya college from September 26-October 5, 2022.
- Attended one week Faculty Development Program on ‘Python Programming for Electronics’ organized by the Department of Electronic Science of the college and Maharaja Agrasen College, University of Delhi from September 26-30, 2022.
- Attended a virtual mini colloquia on ‘75th Anniversary of Transistor Invention’ organized by IEEE EDS Delhi Chapter from August 22-29, 2022.
- Organized Independence Day Function at the Department of Electronic Science, University of Delhi on August 8, 2022.
- Attended an online workshop on ‘Recent Development in the Field of Electronics (RDFE-2022)’ organized by the Department of Electronic Science, University of Delhi from July 25-29, 2022.
- Attended EDS technical lecture on ‘Compact Models for Circuit Simulation of Component-Level ESD’ organized by IEEE Electron Devices Society Delhi Chapter and Deen Dayal Upadhyaya College, University of Delhi on July 25, 2022.
- Attended EDS Technical Lecture on ‘Computational Electronics’ organized by IEEE Electron Devices Society Delhi Chapter and Deen Dayal Upadhyaya college, University of Delhi on July 22, 2022.

- Attended Virtual mini colloquia on ‘Advances in III-N Devices and Systems’ organized by IEEE EDS Delhi Chapter from June 1-6, 2022.
- Attended National seminar on ‘Managing References made easy using Mendeley’ organized by Research Academy on Campus on May 25, 2022.
- Attended National seminar on ‘Financial Literacy: Basics, Issues and Challenges’ organized by the college on April 21, 2022.
- Attended EDL Distinguished lecture on ‘Compute-in-memory Designs: Trends and Prospects’ organized by IEEE Electron Devices Society-Delhi Chapter-India and Department of Electronic Science, University of Delhi on April 7, 2022.

Dr Jitender Kumar

- Attended a webinar on ‘Physical Modelling and Numerical Analysis Driven by the evaluation of semiconductor Technology’ organized by Deen Dayal Upadhyay college, University of Delhi on January 25, 2023.
- Attended Faculty Development Program on ‘Capacity Building for enhancing administrative efficiency for teaching and Non-teaching staff’ jointly organized by Internal Quality Assurance Cell (IQAC) of the college in collaboration with Catholicate College Kerala, Indira Gandhi Govt college Tezpur and A.P. and Govt college Bomdila AP from January 16-20, 2023.
- Attended workshop on Online Banking with Cyber Safety organized by the college on November 11, 2022.
- Attended Faculty Development Program on ‘Basic IT Tools, Advanced Spreadsheet Tools and Statistical Software Package with SPSS’ jointly organized by University of Delhi and Guru Angand Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the PMMMNMTT of ministry of Education from October 27 - November 3, 2022.
- Attended a one-day seminar on ‘Financial Literacy Issues and Challenges’ organized by the college on April 21, 2022.
- Presented a oral paper on ‘Effects of Global Climate Change on Society and Future Needs’ in the World Environment Summit 2022 held at Vallabhai Patel Chest Institute, University of Delhi, organized by Environment and Social Development Association (ESDA), Delhi and Grass Root Research & Creation India on from 15-16 April, 2022.

Dr. Amit Kumar

- Completed one professional development hour by attending a webinar as part of the Lecture Workshop Multi-Disciplinary Research Opportunities in Nanoelectronics by Professor V.

Ramgopal Rao, Shanti Swarup Bhatnagar Awardee in Engineering Sciences (2005), Vice-Chancellor for the Birla Institute of Technology & Science (BITS), Pilani campuses Group held on March 28, 2023.

- Participated and successfully completed online Faculty Development Program (FDP) on 'Emerging Trends in Computing Science and Informatics' organized by Department of Computer Science & Engineering Sri Krishna College of Technology, Coimbatore from February 27- March 3, 2023.
- Completed one professional development hour by attending a webinar as part of the Lecture Workshop Crowded fruitfly cultures: it's not just the density! by Professor Amitabh Joshi, Shanti Swarup Bhatnagar Awardee in Biological Sciences (2009), held on March 2, 2023.
- Completed one professional development hour by attending a webinar as part of the Lecture Workshop High Entropy Alloys: an exciting class of new materials by Professor B. S. Murty Director, Indian Institute of Technology Hyderabad, Kandi, Sangareddy held on March 1, 2023.
- Completed one professional development hour by attending the IEEE Electron Device Society (EDS) Technical Lecture on Transistor discovery and Microelectronics evolution Giorgio Baccarani, IEEE Life Fellow Professor Emeritus, University of Bologna, DEI, Viale Risorgimento 2 - 40136 Bologna, Italy held on February 22, 2023.
- Completed one professional development hour by attending the IEEE Electron Device Society (EDS) Technical Lecture on 75 Years of the Transistor, some Brazilian Contributions and 50 years' experience in the Field Jacobus Willibrordus Swart Universidade Estadual de Campinas, Faculdade de Engenharia Elétrica e de Computação da UNICAMP, Departamento de Semicondutores, Instrumentos e Fotônica da FEEC/UNICAMP. Av. Albert Einstein 400, Cidade Universitária, 13083970 - Campinas, SP – Brasil held on February 15, 2023.
- Completed one Professional Development Hour by attending the IEEE Electron Device Society (EDS) Technical Lecture on Controlled-polarity transistors: higher density and better control Giovanni De Micheli INF 341 - Station 14, EPFL, Lausanne 1015, Switzerland held on February 8, 2023.
- Participated in the International virtual FDP on 'Pride and Prejudice: A Novel of Manners' by Dr. Malti P. Sharma & Scope of Service for India by R. S. Kiran Conducted by World English Language Learners, Teachers and Trainers Association (WELLTTA) held on January 28, 2023.
- Completed one Professional development hour by attending the IEEE Electron Device Society (EDS) Technical Lecture on Symmetric Lateral Bipolar Transistor on SOI – a Shockley Transistor without Kirk Effect Delivered by Tak H. Ning IBM Fellow (Retired) held on January 27, 2023.

- Completed one Professional Development hour by attending a webinar as part of the Lecture Workshop Why Strings? by Professor Rajesh Gopakumar Shanti Swarup Bhatnagar Awardee in Physical Sciences (2009) ICTS-TIFR held on January 18, 2023.
- International Short Term Training Programme-V on ‘Production and Regulation of Chemicals and Toxins for Environmental Conservation’ organized by Raj Rishi Govt. Autonomous College from December 7 -13, 2022.
- Conference paper presented entitled "*New Road Map for Academic Excellence Through Prospective Binary NAAC Accreditation*" in NAAC sponsored Two-day virtual Conference on Quality Enhancement of institutions of Higher Learning: Transformational Role of NEP 2020" Organized by Internal Quality Assurance Cell (IQAC). St. Aloysius College, Elthuruth, Thrissur, Kerala on 28- 29 November, 2022.
- Participated in National webinar ‘Simple Experiment - Big learning’ as a part of National Webinar series ‘Omnipresent Physics: An Experiential Approach’ under the aegis of The National Academy of Sciences, India (NASI) - Delhi Chapter, Science-Society Program organized by Department of Physics, Kalindi College on October 19, 2022.
- Attended one-week online Faculty Development Program on ‘Role of Chemistry in Advanced Engineering Materials (RCAEM-2022)’ organized by the Department of Chemistry, Vasavi College of Engineering (A), Hyderabad from October 10-15, 2022.
- Completed one professional development hour by attending the IEEE Electron Device Society (EDS) Distinguished Lecture on Device Engineering for Nanoelectronics and Nanosystems in the Energy and Variability Efficient (E.V.E.) Era Delivered by S. Deleonibus Fellow IEEE, Emeritus Fellow Electrochemical Society, CEA Research Director. The DL was part of Virtual Mini Colloquia (MQ) on ‘75th Anniversary of Transistor Invention’ organized by IEEE EDS Delhi Chapter (New Delhi, India) on October 5, 2022.
- Participated in one day Industry Oriented workshop on ‘Recent Trends and Research Perspectives on VLSI and Power Electronics’ organized by School of Electronics Engineering (SENSE) at VIT-AP University, Amaravati on October 4, 2022
- Participated in the online lecture by Prof Erik Meijering, Professor in Biomedical Image Computing University of New South Wales, Sydney, Australia on September 29, 2022.
- Paper Presented ‘A Tool for explaining Lissajous patterns based on Sci-Lab’ in the 10th Annual Convention organized by the Indian Association of Physics Teachers, Regional Council (Delhi & Haryana) on September 24 - 25, 2022.
- National Seminar (Virtual) on ‘Recent NAAC Accreditation Process with Special Emphasis on SSR’ under the Umbrella of IQAC & MPHEQIP’s Academic Initiative held on August 30, 2022.

- Conference paper presented entitled ‘A status review on publications in predatory journals in India’ National Seminar (Virtual) on ‘Recent NAAC Accreditation Process with Special Emphasis on SSR’ under the Umbrella of IQAC & MPHEQIP’s Academic Initiative on August 29, 2022.
- Conference paper presented entitled ‘UGC’s Mentorship Programmes: Perusal & Perception’ in two days National e-conference on ‘Industry 4.0 and Society 5.0’ organized by Mahatama Gandhi Central University from August 28-29, 2022.
- Conference paper presented entitled ‘Sustainable Supply Chain Management Through Emerging Technologies: Literature Survey’ on August 28, 2022.
- Participated in the National webinar on Multilingualism and Language Diversity in the Classroom organized by Department of English Rajarshi Shahu Mahavidyalaya (Autonomous), Latur on August 27, 2022.
- Completed one hour of professional development at Lecture on ‘The Discovery of Third Breakdown: Its Physical Origin and Potential Applications in High-k Metal-gate CMOS Generations for 28nm and Beyond’ by Virtual Mini Colloquia (MQ) on ‘75th Anniversary of Transistor Invention’ organized by IEEE EDS Delhi Chapter (New Delhi, India) on August 26, 2022.
- Completed one Professional Development hour by attending the IEEE Electron Device Society (EDS) Distinguished Lecture (DL) on Evolution of Semiconductor Devices Enabling Smart Environments and Integrated Ecosystems Delivered by Professor Samar Saha 2016-2017 President of the IEEE Electron Devices Society (EDS) and currently serving as the Senior Past PresidentThe DL was part of Virtual Mini Colloquia (MQ) on ‘75th Anniversary of Transistor Invention’ organized by IEEE EDS Delhi Chapter (New Delhi, India) held on August 23, 2022.
- Completed one professional Development Hour by attending the IEEE Electron Device Society (EDS) Distinguished Lecture (DL) on Integrating Nanoelectronics and Optoelectronics for Healthcare Applications held on August 22, 2022.
- Completed one week Faculty Development Program on ‘Amazon Web Services’ organized by Megha Institute of Engineering and Technology for Women in collaboration with Brainovision Solution India Pvt. Ltd. & All India Council for Technical Education (AICTE) held during the period of August 22 -27, 2022.
- Attended International conference on Expanding Fourntier of Knowledge, organized by Centre of Research, Maitreyi College, University of Delhi from August 11-13, 2022.
- Attended one week e-workshop on ‘Materials and Manufacturing: Insights to Modern Technologies (MMIMT-2022)’ organized by Department of Production & Industrial Engineering, BIT Sindri, Dhanbad from August 1- 5, 2022.

- Attended International conference on ‘Recent Innovations in Mechanical Artificial Intelligence and Bio-Mechanical Engineering - ICRIMAI BE 2022’ organized by Department of Mechanical Engineering, Navodaya Institute of Technology, Raichur held virtually on July 29- 30, 2022.
- Participated in one week FDP on ‘Research Trends and Methodologies in Machine Learning’ organized by Departments of Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), held from July 25- 29, 2022.
- Attended one day Interdisciplinary International E-Conference on ‘Ideas, Achievements and Resolve’ organized by Ratanlal College of Arts, Science & Commerce, Bhandup, Maharashtra on July 15, 2022.
- Participated IEEE SPS Seasonal School on AI for Optimisation in Signal Processing (AIOSP) organized by IEEE Signal Processing Society Delhi Chapter from July 11- 15, 2022.
- Attended one day National conference on changing trends and management for progressive India organized by Karamveer Bharow Patil College, Navi Mumbai on May 14, 2022.
- Conference paper presented entitled ‘Progress & Challenges in Chip Designs’ ‘One Day International Multidisciplinary e-Seminar on ‘Trends In Research’ organized by Internal Quality Assurance Cell (IQAC) & Research Committee of Rajarshi Shahu Arts and Commerce College, Rukadi, Rotary Club of Ichalkaranji Central and Jyotikiran Publication, Pune on June 30, 2022.
- International Short Term Training Programme-3 on ‘Contrivance of Sustainable Development Goals (SDGs) for Environmental Conservation’ organized by Raj Rishi Govt. Autonomous College from June 24-30, 2022.
- National webinar on ‘Wealth Creation Through Personal Financial Management’ organized by Arts, Commerce and Science College Kohlapur, Maharashtra on June 8, 2022.
- One day online workshop on ‘New trends in Research Methodology organized by RKDF University, Bhopal, MP in association with Research for Resurgence Foundation on May 26, 2022.
- One week FDP on ‘ICT tools for effective teaching learning’ organized by Kamala Nehru Mahavidyalaya, Nagpur from May 23-28, 2022.
- Two days International web conference on ‘Current trends and challenges in Education research and social sciences’ organized by International Council for Education and Research and Government College, Hisar from May 21-22, 2022.
- International Awareness Programme on World Password Protection Day organized by Department of Computer Science, St. Joseph's College for women, Kangeyam Road, Tirupur on May 11, 2022.

- One week FDP on Research Methodology organized by Kamala Nehru Mahavidyalaya, Nagpur held from May 2-7, 2022.
- Conference paper presented entitled "*Emerging agriculture technologies: Current status review in Indian Perspective*" from April 23-24, 2022.
- One day multidisciplinary blended mode conference on 'Recent Advancements in commerce and management, Innovations and entrepreneurship, Science and technology, humanities and social sciences, Education and Environment' organized by Lt. Ramesh Warpudarkar's Art Commerce and Science College, Parbhani, Maharashtra on April 20, 2022.
- Two-day National seminar on 'Ambedkar Ke Sapno Ka Bharat' organized by the college funded by Indian Council of Social Science Research (ICSSR), Ministry of Education, Govt. of India held from April 12-13, 2022.

Ms. Aarti Malyan

- Attended Faculty Development Program on 'Basic IT Tools, Advanced Spreadsheet Tools and Statistical Software Package with SPSS' jointly organized by University of Delhi and Guru Angand Dev Teaching Learning Centre, SGTB Khalsa College, University of Delhi under the PMMMNMTT of Ministry of Education from October 27-November 3, 2022.
- Attended workshop on 'Online Banking with Cyber Safety' organized by the college on November 11, 2022
- Presented a paper in the World Environment Summit 2022 held at Vallabhai Patel Chest Institute, University of Delhi, organized by Environment and Social Development Association (ESDA), Delhi and Grass Root Research & Creation India
- Oral Poster Presentation in Research Conclave organized by Department of Electronic Science, University of Delhi, South Campus, on October 15, 2022.

Students Achievements

- Loocina and Chanchal of third year presented research work as oral presentation in International seminar 'Technology for Environmental sustainability, socio economic responsibility and associated Entrepreneurial Opportunities in society and rural development' being organized by Sri Aurobindo college, University of Delhi on March 16-17, 2023.
- Aftab Alam of third year has presented research work as oral presentation in 2nd International Conference on 'Advanced Functional Materials and Devices' (AFMD-2023) organized by IQAC & Department of Physics, ARSD College University of Delhi during March 13-15, 2023 via online mode.

DEPARTMENT OF ENGLISH

Activities by Department

- Organized an educational field trip to Electronic media Production Center, IGNOU in collaboration with Capability Enhancement and Literary Club on May 30, 2022 and June 1, 2022.
- Organized an educational field trip to dainik jagran, Pyarelal Bhawan, ITO, Delhi. in collaboration with Capability Enhancement and Literary Club on May 24, 2022.

DEPARTMENT OF ENVIRONMENTAL SCIENCES

Activities by Department

- Organized Field Visits at Aravalli Biodiversity Park, Vasant Vihar at May 12-13, 2022.
- Organized a visit to 'Chalo Chalein for Nadi Samvad' event organized by Yamuna Mission in collaboration with Rashtriya Swabhimann Andolan at Talkatora Stadium on April 12, 2022.
- Organized trip to Youth expedition at Yamuna mission, Mathura on April 10, 2022.

Faculty Achievements

Dr. Franky Varah

- Attended Faculty Development Program on 'Capacity Building for enhancing administrative efficiency for teaching and Non-teaching staff' jointly organized by Internal Quality Assurance Cell (IQAC) of the college in collaboration with Catholicate College Kerala, Indira Gandhi Govt college Tezpur and A.P. and Govt college Bomdila AP from January 16-20, 2023.
- Participated in International Conference on 'Air Pollution in Delhi NCR and North India during Winter: Causes and Remedies' organized by the college on October 6, 2022.

DEPARTMENT OF FOOD TECHNOLOGY

Activities by Department

- The annual departmental Fest, Food-o-phile 2k23, was held on March 16, 2023. The fest began with a technical talk on 'Eat Right India Initiatives' delivered by Ms. Preeti,

Assistant Director (Technical), FSSAI. Besides, a number of other technical cum fun competitions were organized. Dr. Vandita Gupta was the convener of the fest and Dr. Sakshi Khurana, Ms. Manisha Thakur, Ms. Shivani Bansal and Dr. Upasana Yadav were the faculty coordinators for various events

- Sixty-eight students along with two faculty, Dr. Vandita Gupta and Ms. Manisha Thakur, attended the global event on Millets, Shree Anna, organized by Ministry of Agriculture and Farmer Welfare at IARI campus, Pusa on March 18, 2023
- A session on Student Satisfaction Survey was carried out for students of the department on January 23, 2023.
- Organized a five-day Basic Short-Term Training Course on ‘Bakery Science and Technology for Self-help Group’ in collaboration with Internal Quality Assurance Cell and Women Development Cell from December 19-23, 2022. Dr. Eram S. Rao, the convenor, organized the event with the help of faculty coordinator, Dr. Meenakshi Garg along with faculty co-coordinators, Dr. Sakshi Khurana and Ms. Manisha Thakur. Ms. Akanksha, Mr. Harsh, Ms. Lavika Piplani and Mr. Aryan Tyagi were the student coordinators.
- A recipe contest on the theme – ‘Colours, Flavours and Colourful / Flavorable ingredients to make a healthy recipe’ was organized as a Nutrition Awareness Activity on December 1, 2022. Prof. Eram S. Rao was the convenor and Dr. Meenakshi Garg was the co-convenor of the event.
- A workshop on ‘Tiffin Based Recipes (Millets and Confectionery)’ was organized on November 24, 2022. Dr. Meenakshi Garg was the convenor and Dr. Sakshi Khurana and Ms. Manisha Thakur were the faculty coordinators of the event. Dr. Roshan Lal, Assistant Professor, Lakshmi Bai College, University of Delhi was the resource person.
- An Inter-College Quiz competition on ‘Millets’ was organized on October 31, 2022 in the college premises to celebrate the on-going International Year of The Millets 2023 and World Food Day 2022.
- A webinar on ‘Leadership Connect Session’ was organized on October 29, 2022. Dr. Mamta Prajapati, manager at FISCI; Mr. Akshay Oberoi, production manager at nestle and Mr. Himanshu Gupta product consultant at scholarginie, were the resource persons of the event.
- A recipe making competition on ‘Millets’ was organized to celebrate International year of Millets and National Nutrition Month during September 2022. The recipes were judged by Dr. Sakshi Khurana and Dr. Prem Lata Meena. The event was convened by Prof. Eram S. Rao and Dr. Meenakshi Garg with Ms. Manisha Thakur as the coordinator.
- Teachers’ day was organized by students of the department September 12, 2022. The event was organized by combined efforts of all the FT students. A number of fun activities were conducted for the teachers and students.

- Dr. Meenakshi Garg accompanied six students from FT final year and two Ph.D. scholars participated in a national conference on Responsible Packaging with the core concerns for ‘Optimal Design, Innovative Materials and Sustainable Technologies on September 9, 2022.
- Organized a webinar on the occasion of International Year of Millets was organized on the topic ‘Potential of Millets’ (Talk-2) on August 20, 2022. Dr. Anita Kumari, Assistant Professor, Department of Nutritional Biology, Central University of Haryana, was the speaker of the event. Dr. Meenakshi Garg, convenor of the event, organized the webinar with the help of faculty coordinators Dr. Sakshi Khurana. Ms. Ankita Yadav and Ms. Naina were the student coordinators.
- Organized a workshop on ‘Hands on training on Preservation of fruits and vegetables for Skill enhancement and Entrepreneurship Development’ jointly with Women Development Cell on August 5, 2022. Dr. Eram S. Rao was the convenor and Dr. Meenakshi Garg was the co-convenor of the event. The coordinator of the event was Ms. Manisha Thakur.
- A Farewell party was organized for Food Technology Batch 2019-2022 on August 1, 2022.
- Organized a webinar on the occasion of International Year of Millets on ‘Creating Awareness about Millets’ (Talk-1) under the aegis of IQAC and Star College Scheme on July 30, 2022. Dr. Para Dholakia, Associate Professor, Department of Food Technology at Shaheed Rajguru College of Applied Sciences for Women, was the resource person. Dr. Meenakshi Garg, convenor of the event, organized the webinar with the help of faculty coordinator Ms. Manisha Thakur. Ms. Lavika Piplani and Mr. Anubhav Ranjit were the student coordinators.
- Organized a National workshop sponsored by SERB under the Accelerate Vigyan scheme of DST ‘Hands on training for the processing of fruits and vegetables by using preservation technologies to increase shelf life’ from July 4- 12, 2022 at college, New Delhi. Prof Eram S. Rao was convener and Dr. Meenakshi Garg was the co-convener. The faculty coordinator was Ms. Manisha Thakur.
- Organized a workshop ‘Detection of Food Adulterants’ in collaboration with Women Development Cell of the college on April 27, 2022. Prof Eram S. Rao was convener and Dr. Meenakshi Garg was the co-convener. The faculty coordinator was Ms. Manisha Thakur.

Faculty Achievements
