All the concerned members gave their consent to have received the same.

Further, he informed the house about the following in his initial remarks:

1. He welcomed the new faculty members who joined the college from this semester.
2. Six new courses, B.A. (H) Psychology, B.Sc. (H) Operational Research, B.Sc. (H) Mathematics, B.Sc. (H) Biochemistry, B.Sc. (H) Geology and B.Sc. (H) Environmental Science are approved by the Executive Council and the college can start these courses from the next academic year once the financial approval is received.
3. The College has submitted the proposal for grant in aid from DBT under Star College Scheme for the departments of Botany, Chemistry, Polymer Science and Zoology. Dr N S Abbas is coordinating for these courses.

5. The Women Development Cell of the college in collaboration with Delhi Police successfully organized a 10-day Self Defense training program for women in July 2019.
6. The college has applied for the National ranking by MHRD in Swacchata. It was requested that not only the members of Swacchata & Waste Management Committee but all other members of the college must be actively involved in maintaining the cleanliness of the college premises. Various programmes highlighting the importance of cleanliness may be organized by different clubs of the college and 'Srijan' shall also include some related activities.

2019(3)/2 Reporting of Academic workload for the odd semester 2019-20

Convener, Academic committee briefed the house about the workload for the odd semester as per the table attached. Teacher-In Charge, Department of Instrumentation has observed an anomaly in the department workload mentioned in the table attached.

Convener, Automation and Digitization committee presented the status of GE1 and GE3 papers and also discussed the mechanism adopted for the allotment of GE papers as below:

- The college started to take online preferences for GE in the even semester of the last academic year. The GEs are called as GE-1, GE-2, GE-3 and GE-4 referring to the corresponding semester only.
- The GE-3 preferences for academic year 2019-20 were also taken in the month of April 2019 to finalize the workload.
- For the first time preferences were taken online for the GE-1 via notice dated June 27, 2019.
- Following norms were adopted for the online GE allotment.
 - (i) Five preferences were taken for GE-2/GE-3/GE-4 and 14 preferences were taken for GE-1 because of the possibility to explore mandatory one GE-1 batch in each department.
 - (ii) Allotment is purely based on Merit-cum-preference basis as per the number of seats offered by a department concerned.
 - (iii) Last available result was normalized and used for deciding the merit of the student with a penalty of 5% in case of ER, if any. Total result of I year exams/ I Sem was used for GE-4/ GE-3 respectively. The result of XII class (Four subjects viz Eligibility Criteria + One Best Language) has been considered for GE-1 and GE-2. In case of result on the CGPA basis, available result was multiplied by a factor of 9.5 to fill the result in percentage or total marks. For students whose result was not available or declared by the University, for whatever reasons, the result of last annual examination passed was considered.
 - (iv) The allotment status is as follows:

S.No.	Department	GE1		GE3
		Seats	Present Status	Final Status
1	Biochemistry	32	30 23/2/3/1/1	N/A
2	Biomedical Science	32	21 21/0/0/0/0	21 13/3/3/2/0
3	Botany	30	18 14/4/0/0/0	0 0/0/0/0/0
4	Chemistry	31	31 31/0/0/0/0	33 32/1/0/0/0
5	Computer Science	35	35 25/8/2/0/0	45 32/11/0/0/0
6	Electronics	31	31 11/8/7/3/2	0 0/0/0/0/0

7	Food Technology	30	30 28/1/0/1/0	26 19/5/2/0/0
8	Human Communication	40	34 29/2/1/2/0	44 24/18/2/0/0
9	Instrumentation	30	23 11/1/8/3/0	23 19/3/0/0/1
10	Mathematics	62	62 61/1/0/0/0	140 131/9/0/0/0
11	Microbiology	30	23 18/5/0/0/0	28 14/10/2/2/0
12	Physics	30	30 22/8/0/0/0	15 8/4/3/0/0
13	Polymer Science	30	20 17/3/0/0/0	0 0/0/0/0/0
14	Zoology	30	25 19/5/0/1/0	30 30/0/0/0/0
15	Physical Education	45	40 29/2/3/3/3	64 57/6/1/0/0

- (v) Online preferences were considered for GE-1 up to sixth cutoff only. To avoid any further fluctuations in the already allotted GE-1, the GE option was allotted manually for the students admitted later based on the vacant seats only.
- (vi) It was felt that students need to be counselled more about their GE subject. The various constraints in some courses for higher education was also highlighted and need to be addressed, if possible.
