

Dear All,

Here are the minutes of the Emergency Staff Council meeting held on Jan 10, 2012.

- In the absence of any written commitment by the prospective event managers of SRIJAN 2012 regarding sponsorships, it was decided to scale down the event.
- Some additions were made to the infrastructure suggestions to be submitted to DHE. These include separate cabins for teachers and staff quarters for teachers.
- Committee for disbursement of funds for attending conferences, seminars etc is now included in the Staff Council committee's list. The members of the committee are Dr. Manu Kataria (Convenor), Dr. Manoj Khanna and Dr. Shalini Sehgal.
- For Annual function: a) All teachers to send the soft copy of their academic achievements to the annual function committee convenor by Jan 31, 2012. These will be incorporated in the Annual report b) All main departments (excluding physics and microbiology as they are relatively young) will nominate one distinguished Alumni by Jan 31, 2012. One out of the six will be chosen for honour during the annual function. c) The college will also be choosing two best students (one boy, one girl).
- It was proposed the college hold its Alumni meet in the second or third week of February.

Meeting ended with a vote of thanks to the chair.
