

## Department of Computer Science : Society & Activities

The Department of Computer Science has its own society “CS.Net” - A society by the students, of the students and for the students. The society was initiated in the year 2007 under guidance of Mr. Bhavya Deep and since then the society is alive and established strong bonding between students and the Department. The CS.Net aims to enhance the student’s IT awareness, technical knowledge, and personality development. It also provides a platform to highlight the skills and talent of students through the Annual Departmental fest “INTERFACE”. In the year 2019-20, CS.Net celebrated Department inter-college annual techno-cultural festival “INTERFACE 20” on 12th and 13th February 2020 with a fusion of technical and cultural events like Code war, PUBG, FIFA, Sac Race, Beg Borrow Steal, Fast typing, Mr. and Ms. Interface, and many others.
