

Notice to fill GE IV option form

Each Second year student of 2022-2023 batch in the IV semester has to select one Generic Elective (GE-IV) Paper in their IV semester through the link available on the college website (Student Corner>Form>GE IV Sem Form). **Kindly go through the [GE Norms](#) available there before filling the [GE form](#).** Some courses are having fixed GE, unless surrendered by the student in writing, as required for their higher studies.

This Semester the fixed GE will be as follows and their students need not submit the GE form:-

1. B.Sc.(H) Computer Science - Mathematics
2. B.Sc.(H) Physics - Mathematics
3. B.Sc.(H) Chemistry - Other than Mathematics
4. B.Sc.(H) Polymer Science - Other than Mathematics

Other Department students can also get these subjects (e.g. Maths by Electronics) based on the seat availability in the said course on the Merit cum Preference basis. The link will be activated up to December 22, 2022 5:00 pm only. A penalty of 5-10% of marks would be imposed in case of late submission. Since it is a compulsory paper, the college reserve the right to allot the paper of its own in case no response or preference is submitted by the student within the stipulated time. Students are advised to screen through the syllabus and/ or subject opportunities etc. of different papers before filling the form and have their priority list ready.

Important

Instructio ns	<ul style="list-style-type: none">• Login to your Gmail Account to fill the form.• Select your GE subject carefully in your order of preference.• A confirmation with “Edit Response” will be sent to your email (May go to SPAM, so check your SPAM folder).• Generate the confirmation number as per the instruction for future reference.• Get your confirmation number (after submission) on this link.• Use “Edit Response” link received in your mail to change after submission. Confirmation number won’t change and remain the same. Only the latest response will be considered in case of multiple responses.
Don’t	<ul style="list-style-type: none">▪ Don’t choose papers offered by your own department.▪ Don’t fill same subject in two or more preferences. Don’t share the confirmation mail with anyone, s/he may overwrite your response with new records which will leave your response blank. The college will not be responsible for this.

- Allotment of GE options will be based purely on Merit cum Preference basis as per the number of seats offered by a department concerned.
- First year result for GE-IV will be considered for deciding the merit of the student. In case of result on the CGPA basis, you are required to multiply the result by a factor of 9.5 to fill the result in percentage. For students whose result is not yet declared by the University (for whatever reason) may submit the result of the last annual examination passed with a penalty of 10%.
- No change will be allowed after due date and time notified on the form.
- Keep track on college website regarding your responses recorded by the system. If your response on the website is coming blank/ different, immediately contact your Teacher in Charge with a proof of your CNF no.
- In case of false information or/and duplicate entry of the subject, the form is likely to be rejected.
You may not get your preferred GE option.
- The college reserves the right to allot the required GE option of its own.

The Following Papers are available in the College for GE-IV.

S. No.	Department	Title of the GE4 paper 2022-23
1.	Biomedical Science	Pharmacology and Toxicology
2.	Botany	Economic Botany and Biotechnology
3.	Chemistry	Organometallics, Bioinorganic chemistry, Polynuclear hydrocarbons and UV, IR Spectroscopy
4.	Computer Science	Information Security and Cyber Laws
5.	Electronic Science	Practical Electronics
6.	Food Technology	Sensory Evaluation of Food
7.	Human Communication	Psychology at work.
8.	Instrumentation	Sensors and its application
9.	Mathematics	Elements of Analysis
10.	Microbiology	Industrial and Food Microbiology
11.	Physical Education	Fitness & Exercise Management
12.	Physics	Nuclear and Particle Physics
13.	Polymer Science	Polymers in Biomedical Applications
14.	Zoology	Animal Cell Biotechnology

The Department of Biochemistry is not offering GE4 paper in this academic session.
